## **The First Epistle To The Corinthians Second Edition:**

*The First Epistle to the Corinthians, Revised Edition* Gordon D. Fee, 2014-12 This landmark commentary originally published in 1987 has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians. Writing primarily for pastors, teachers, and students, Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance. Fee's revised edition is based on the improved updated 2011 edition of the NIV and it takes into account the considerable scholarship on 1 Corinthians over the past twenty-five years. Fee has also eliminated chapter and verse language totally foreign to Paul's first-century letter, relegating the necessary numbers for finding things to parentheses. **The General Epistles of St. James and St. Jude** Alfred Plummer, 1891 The History of Jesus of Nazareth. Vol. 1, Second Edition. Translated by A. Ransom. (Vol. 2 Translated by E. M. Geldart, Vol. 3-6 Translated by A. Ransom.). Theological Translation Fund (LONDON), 1876

**The Epistles ... to the Corinthians [Gr. text] with notes and dissertations, by A.P. Stanley** Paul (st.), 1858

**Paul and the Law (2nd Edition)** Heikki Raisanen, 2010-08-01 Anyone who has studied Paul knows that probably the most complex problem he develops is his view of the law and its purpose. The beauty of Raisanen's work is that he recognizes and respects this complexity without himself becoming too dense to understand. Raisanen finds that Paul's radicalized negative criticism of the law is peculiar to him, unparalleled in the NT and without precedent in Jewish thought. With careful, patient examination of various contexts, Raisanen leads his readers to see that Paul has an oscillating even inconsistent view of the law. This book is well written in clear, readable English. It is an important book recommended to any serious student of Paul. Its strength is in Raisanen's willingness to abandon preconceptions of what Paul's view on the law should be according to some consistent plan and in allowing Paul to speak for himself. **The Letters to the Colossians and to Philemon, 2nd ed.** Douglas J. Moo, 2024-11-12 An erudite and evangelical guide to Paul's letters to the Colossians and to Philemon. With brilliant exegesis and sound practical insight, noted commentator Douglas J. Moo explicates the Letters to the Colossians and to Philemon with an eye toward their application for readers today. Moo bases his commentary on the Greek text of the letters while accessibly explaining the English text to his contemporary audience. Freshly revised and updated, this second edition remains methodologically sound, authentically evangelical, and pastoral in approach. This invaluable volume of the Pillar New Testament Commentary series offers biblical insights to a wide range of readers, from teachers and students to pastors and parishioners.

**Biblical Eschatology, Second Edition** Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology; it analyzes all the major eschatological passages, including the Olivet Discourse and the book of Revelation, issues including the second

coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible

*Catalogue of English Bible Translations* William J. Chamberlin, 1991-12-10 While other Bible catalogs are available this comprehensive reference book is destined to become the standard in the field Chamberlin's one volume work traces the publication history of multiple editions of Bible translations and offers valuable descriptive annotations The catalog not only includes complete Bibles but also Old and New Testaments partial texts commentaries that include translations children's Bibles Apocryphal writings and the Koran as well Other bibliographies are usually limited to editions commonly found in academic libraries but Chamberlin's guide also includes Bibles found in private collections Overall this catalogue contains more than five times as many entries of different English translations as two other Bible bibliographies those by Hill and Herbert combined The entries are grouped in 151 categories and within each category entries are listed in chronological order The accompanying annotations identify the translator and provide an overview of the contents of each work The detailed indexes make this bibliography a convenient tool for researchers Bible scholars collectors and rare book dealers will find this catalogue a necessary addition to their libraries

**New Creation in Paul's Letters and Thought** Moyer V. Hubbard, 2002-07-11 As a biblical motif new creation resonates throughout the pages of the Jewish and Christian scriptures and occupies a central place in the apostle Paul's vision of the Christian life Yet the biblical and extra biblical occurrences of this theme vary widely in meaning referring to either a new cosmos a new community or a new individual Beginning with the Old Testament and working through the important texts of Second Temple Judaism Moyer V Hubbard focuses on how the motif functions in the argument strategy and literary structure of these documents highlighting its role as the solution to the perceived plight He then explores in detail which senses of the term Paul intends in Galatians 6:15 and 2 Corinthians 5:17 concluding that new creation in Paul's letters describes the Spirit wrought newness of the person in Christ and is fundamentally anthropological in orientation

**Evangelical Scholarship, Retrospects and Prospects** Zondervan, 2018-01-23 This is perhaps the most multifaceted collection of essays Zondervan has ever published A fitting Festschrift to Stan Gundry a man known by many people for many things but never for being one dimensional As a pastor scholar publisher mentor and trusted friend Stan has
