The First New South Wales Labor Government 1910 1916:

The Premiers of New South Wales, 1856-2005: 1856-1901 David Clune, 2006 This is Volume One of an authoritative two volume work containing biographies of the 13 Colonial Premiers to 1901 and the 26 State Premiers in the 20th century up to and including Bob Carr The portraits are detailed scholarly and entertaining Each has a real depth of scholarship while remaining sufficiently concise to satisfy those seeking a quick overview of particular periods or facets of NSW political history Volume One's authors include acknowledged experts on 19th century Australia such as John Bennett Geoffrey Bolton Alan Powell and Martha Rutledge Volume One and Volume Two are available as individual purchases or as part of the Set A NSW Sesquicentenary of Responsible Government publication *Early Conference and Executive Reports of the Labor Party in New South Wales, 1912-1917* Michael Hogan, 2008-06-27 This volume chronicles the increasing divisions inside the Labor Party that came to a head in the disastrous split in 1916 over conscription for overseas military service The central figure of this era was William Holman who became Premier in June 1913 when James McGowen retired from that office Before conscription became the central issue Holman had come to be heartily detested by many in the extra parliamentary party largely because of his refusal to do anything to abolish or curb the power of the Upper House The AWU and its journal The Australian Worker led the criticism of Holman and his Government during these years For a few years Holman's superb political skills guaranteed his survival However by 1916 Holman's enemies had organized a tightly disciplined modern faction the Industrial Section later the Industrial Vigilance Council to take control of the Executive and Conference and force policy changes on Holman When the conscription issue reached a climax with the first plebiscite ordered by Prime Minister Hughes the party at Commonwealth and State level split Both Hughes and Holman were expelled from the party continuing in office in new Nationalist administrations leaving a factionalised Labor Party to begin the process of reconstruction See Labor Pains Series link to the right for details of other Volumes A NSW Sesquicentenary of Responsible Government publication **The Veiled Sceptre** Anne Twomey, 2018-04-26 This book is a comprehensive review and analysis of the reserve powers and their exercise by heads of state in countries that have Westminster systems It addresses the powers of the Queen in the United Kingdom those of her vice regal representatives and those of heads of state in the less studied realms and former colonies that are now republics Drawing on a vast range of previously unpublished archival and primary material The Veiled Sceptre contains fresh perspectives on old controversies It also reveals constitutional crises in small countries which have escaped the notice of most scholars This book places the exercises of reserve powers within the context of constitutional principle and analyses how heads of state should act when constitutional principles conflict Providing an unrivalled contemporary analysis of reserve powers it will appeal to constitutional scholars worldwide and others involved in the administration of systems of responsible government **Decision and Deliberation** David Clune, Gareth Griffith, 2006 This book is an authoritative history of the NSW Parliament from its establishment in 1856 to 2003 It gives comprehensive accounts of both the

Legislative Assembly and the Legislative Council including analyses of their performance based on contrasting liberal and executive models of Parliament The history of the Parliament is contextualised by the changing political background in which it operated over 150 years It is enlivened by portraits of colourful Members such as WP Paddy Crick drunken brawler and master of Parliamentary procedure and accounts of incidents such as George Fuller's seven hour Government and the siege by trade unionists in 2003 On a broader level the book is a dissertation on the nature of State politics and Parliaments and on the theoretical study of parliamentary institutions A NSW Sesquicentenary of Responsible Government publication

Ireland's Empire Colin Barr, 2020-01-16 Examines the complex relationship between Roman Catholicism and the global Irish diaspora in the nineteenth century for the first time *Women and Children First (Routledge Revivals)* Valerie Fildes, Lara Marks, Hilary Marland, 2013-10-14 First published in 1992 this book explores the efforts to counteract the high maternal and infant death rates present between the end of the nineteenth century and the Second World War It looks at the problem in five different continents and shows the varying approaches used by the governments institutions and individuals in those countries Contributors display how policy and practice have been shaped by the structure of maternity services nationalism the conflict of colonization and cultural factors In doing so they illustrate how welfare policy and funding were moulded throughout the world in the times considered **Humble and Obedient Servants** Peter J. Tyler, 2006 New South Wales government administration increased four fold during the first six decades of the twentieth century with population growth and greater community expectations Employment of staff for this burgeoning administrative corps and teaching service became the responsibility of the Public Service Board The Board exerted rigid centralised control over every aspect of administration The result was a moderately efficient loyal and conformist bureaucracy structured around fixed routines where innovation was not encouraged *The First New South Wales Labor Government, 1910-1916, Two Memoirs* William Arthur Holman, 2005 The Labor Party was first elected to office in NSW in 1910 One of the senior members of the Government becoming Premier in 1913 was William Holman An important backbencher at the same time was John Osborne Member for Paddington from 1910 to 1919 This book contains the edited memoirs of both these men *The A to Z of Australia* James C. Docherty, 2010-04-01 The last continent to be claimed by Europeans Australia began to be settled by the British in 1788 in the form of a jail for its convicts While British culture has had the largest influence on the country and its presence can be seen everywhere the British were not Australia's original populace The first inhabitants of Australia the Aborigines are believed to have migrated from Southeast Asia into northern Australia as early as 60 000 years ago This distinctive blend of vastly different cultures contributed to the ease with which Australia has become one of the world's most successful immigrant nations The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through a detailed chronology an introduction appendixes a bibliography and cross

referenced dictionary entries on some of the more significant persons places and events institutions and organizations and political economic social cultural and religious facets author James Docherty provides a much needed single volume reference on Australia from its most unpromising of beginnings as a British jail to the liberal tolerant democracy it is today

Australia and World Crisis, 1914-1923 Neville Meaney, 2009-07-31 *Australia and World Crisis 1914 1923* is the second volume in a pioneering two volume history of Australian defence and foreign policy It is based on wide ranging research in collections of personal and official papers in Australia Britain the United States and Canada Linking up with the first volume *The Search for Security in the Pacific* it offers a new and path breaking understanding of Australia s relations with the world from the outbreak of the First World War to the making of peace in Europe and the Pacific This study explores a number of fundamental issues that shaped Australia s response to the world in this era such as race and culture geopolitics and security domestic divisions and ideas of loyalty and the philosophies and personalities of the chief policy makers From the outset of this global conflict Australia was involved in a hot war in Europe against Germany and its allies and in a cold war in the Pacific against Japan The British Australians for reasons of sentiment and interest supported the Mother Country but even as they did so they were deeply concerned about Japan s ambitions As a result Japan figured prominently in Australia s approach to the war and the peace Indeed for the Australians the cold war did not come to an end until the Washington Conference of 1921 2 when Japan with the other Pacific powers agreed to limit naval building and to respect existing territories in China and the Pacific In tracing out this story the book throws light on many particular aspects of the hot and cold wars They include the origins of Asian studies in Australia intelligence gathering the secret service and loyalty leagues the fear of Japan in the conscription controversy Irish Catholics and the Anglo Irish War The labour movement and the Bolshevik revolution the ideological clash of the American President and the Australian Prime Minister over peacemaking the visit of the Prince of Wales Britishness and the failure of the idea of Greater Britain all influenced the development of Australia s defence and foreign policy At the end of the book there is an attempt to provide an assessment of Australia s leadership through these testing times and to point out the significance of this experience for a later generation of Australia policy makers

Australia and World Crisis, 1914-1923 Neville Kingsley Meaney, 2009 *Australia and World Crisis 1914 1923* is the second volume in a pioneering two volume history of Australian defence and foreign policy It is based on wide ranging research in collections of personal and official papers in Australia Britain the United States and Canada Linking up with the first volume *The Search for Security in the Pacific* it offers a new and path breaking understanding of Australia s relations with the world from the outbreak of the First World War to the making of peace in Europe and the Pacific This study explores a number of fundamental issues that shaped Australia s response to the world in this era such as race and culture geopolitics and security domestic divisions and ideas of loyalty and the philosophies and personalities of the chief policy makers From the outset of

this global conflict Australia was involved in a hot war in Europe against Germany and its allies and in a cold war in the Pacific against Japan The British Australians for reasons of sentiment and interest supported the Mother Country but even as they did so they were deeply concerned about Japan s ambitions As a result Japan figured prominently in Australia s approach to the war and the peace Indeed for the Australians the cold war did not come to an end until the Washington Conference of 1921 2 when Japan with the other Pacific powers agreed to limit naval building and to respect existing territories in China and the Pacific In tracing out this story the book throws light on many particular aspects of the hot and cold wars They include the origins of Asian studies in Australia intelligence gathering the secret service and loyalty leagues the fear of Japan in the conscription controversy Irish Catholics and the Anglo Irish War The labour movement and the Bolshevik revolution the ideological clash of the American President and the Australian Prime Minister over peacemaking the visit of the Prince of Wales Britishness and the failure of the idea of Greater Britain all influenced the development of Australia s defence and foreign policy At the end of the book there is an attempt to provide an assessment of Australia s leadership through these testing times and to point out the significance of this experience for a later generation of Australia policy makers

The Constitution of New South Wales Anne Twomey,2004 Places the constitutional framework of the State in its historical and political context and provides for the first time a detailed analysis of all the provisions of the Constitution Act 1902 NSW including their legislative history and examples of their use

The Liberals Ian Hancock,2007-09-20 This book tells some of the story of the NSW Division of the Liberal Party beginning with its prehistory and concluding with the constitutional changes in 2000 It looks at the role of leading figures such as John Carrick Nick Greiner and John Howard at the electoral record at the Division s recurring financial difficulties and occasional crises at its habit of decapitating parliamentary leaders and at the attempts to move beyond its Protestant Anglo Scottish and North Shore support base and male culture

Historical Dictionary of Socialism Peter Lamb,2024-02-20 Socialism has been an influential force for social change for almost two centuries Its philosophy and ideology have inspired millions while simultaneously arousing fear and revulsion in its enemies Having emerged after the French Revolution in the effort to build upon and develop the egalitarian ideas of the Enlightenment socialism has taken many forms It has furthermore sometimes been manipulated and reformulated by opportunists who have built authoritarianism and totalitarian dictatorships in its name Opponents seize on such examples to frighten away people who may otherwise have found socialism attractive Socialism has survived such criticism and misrepresentation as its core principles have struck a chord with generations of people concerned with social justice Historical Dictionary of Socialism Fourth Edition contains a chronology an introduction a glossary and an extensive bibliography The dictionary section has over 500 cross referenced entries on activists politicians political thinkers political parties and organizations and key topics concepts and aspects of socialist theory This book is an excellent access point for students researchers and anyone wanting to know more about socialism

Sydney's Century Peter Spearritt,2000 In this

lively portrait of Sydney's development Peter Spearritt traces a century in the life of the city from the celebrations of the Federation of Australia in 1901 to the 2000 Olympic Games He describes the extra ordinary growth of the city and its sprawling suburbs and the transition from a port and a manufacturing center to an international financial hub Passion To Oppose Brian Kennedy,2015-05-05 John Anderson was Australia's most important philosopher in the first half of this century The young Scotsman held the chair of philosophy at the University of Sydney for thirty years until retirement in 1958 He developed his own distinctive system of realism and fathered a vigorous local school characterised by inquiry independence and a deep commitment to philosophy as a way of life He was a formidable public figure and fierce controversialist who outraged many of Sydney's conventionally minded From an early Marxist phase he opposed all forms of censorship and mind control This first biography of Anderson is no hagiography containing much new material about Anderson's Scottish past and his conflicted public and private life His relations with students were complex with women they were decidedly problematic In the aftermath of a pragmatic revolution that has swept our universities and colleges Anderson's uncompromising calls to unfettered inquiry and the Socratic way of life are timely **The Price of Health** James A. Gillespie,James Alexander Gillespie,2002-06-06 This 1991 book is a history of political conflict over health policy in Australia providing background to an ongoing debate *Biographical Dictionary of the Australian Senate Volume 1* Ann Millar,1996-10-08 The Biographical Dictionary of the Australian Senate covers the period 1901-1929 the period in which the Parliament operated from Melbourne This first volume provides short articles on Australia's Senators during the first thirty years of the Federal Parliament These entries place particular emphasis on the events of a Senator's parliamentary experience contributions to debates committee work parliamentary positions as well as ministerial appointments It provides also a window on the colonial and post colonial societies in which these ninety nine Senators and their three Clerks lived and worked It explains how miners merchants constitutionalists soldiers printers trade unionists adventurers and pastoralists became Senators and how in an essentially egalitarian society they melded together as Australia's first federal parliamentarians It tells of their work as legislators during a period when Australia was making a unique contribution to democracy itself and reveals the excitement felt by conservatives and non conservatives alike as they shaped the beginnings of an Australian nation The contribution of these Senators to Australian public life was immense The Federationists Richard Baker John Downer Thomas Playford Richard O Connor James Walker Henry Dobson William Trenwith Simon Fraser Josiah Symon and William Zeal retain some elements of notoriety Others such as the South Australian farmer William Russell or Charles Montague Graham a tailor on the Western Australian goldfields were soon forgotten even in their own time The Biographical Dictionary of the Australian Senate reveals to a new generation the influence and the significance of men who came from all sides of politics and the social spectrum and were able parliamentarians and true representatives of the democratic process This readable and authoritative work of reference will provide readers with a biographical account of all Australian senators and a history

of the Senate since 1901 It makes a scholarly contribution to historical and parliamentary knowledge and fills many gaps in our knowledge of less well known senators whose careers have not been fully documented before *Labour and the politics of Empire* Neville Kirk, 2017-02-01 This is a pathbreaking comparative and trans national study of the neglected influences of nation empire and race upon the development and electoral fortunes of the Labour Party in Britain and the Australian Labor Party from their formative years of the 1900s to the elections of 2010 Based upon extensive primary and secondary source based research in Britain and Australia over several years it makes a new and original contribution to the fields of labour imperial and British world history The book offers the challenging conclusion that the forces of nation empire and race exerted much greater influence upon Labour politics in both countries than suggested by traditionalists and revisionists alike The book will appeal to undergraduates postgraduates scholars in history and politics and all those interested in and concerned with the past present and future of Labour politics in Britain Australia and more generally
