subject of Romans 8 God's life is the highest life and the law of this life is the highest law The law of the Spirit of life is not a thing but a person the processed and consummated Triune God embodied in Christ and realized as a living law in our spirit This law of life is the spontaneous power the natural characteristic and the innate automatic function of the divine life While we remain in touch with the Lord staying in contact with Him the law of the Spirit of life works automatically spontaneously and effortlessly to dispense God as life into our being and to overcome the law of sin and of death vv 10 6 11 We activate the law of the Spirit of life by remaining in touch with the Lord We need to cooperate with the indwelling installed automatic and inner operating God by prayer and by having a spirit of dependence thus maintaining our fellowship with the Lord of life and the Lord of work Romans 8 reveals that the processed Triune God as the law of the Spirit of life gives the divine life to the believers for their living There are four laws in Romans 7 and 8 One law is outside of us and the other three correspond to the three lives that are within us as regenerated persons Outside of us is the law of God the law of moral commandments which is a portrait of God Within us is the law of sin and of death in our flesh the law of good in our soul and the law of the Spirit of life in our spirit The only way we can match and become the living portrait of God is by living according to the law of the Spirit of life in our spirit God's desire and goal are that we live by the divine life and minister life to others for the building up of the church The all inclusive indwelling Spirit is constantly transmitting this life into each one of us to build up the church edify the saints and minister the riches of Christ to everyone who contacts us In Romans 8 we also see that the desire of God's heart is to have many sons for His corporate expression v 29 The Father sent His Son who was born under the law and born through a woman to redeem us out from under the law Having redeemed us He sent forth the Spirit of His Son into our hearts crying Abba Father Gal 4 6 Now our spirit has become a spirit of sonship As the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God We are to be conformed to the image of God's firstborn Son Christ as the first God man that we may be a group of God men who are exactly like Him Paul s Epistle to the Romans reveals God s complete salvation in two aspects God s judicial redemption is the procedure of God's complete salvation for the believers to participate in God's organic salvation as the purpose of the complete salvation of God Redemption entails the forgiveness of all our sins reconciliation positional sanctification and justification God s organic salvation is the organic aspect of God's complete salvation through the life of God Rom 1 17b Acts 11 18 Rom 5 10b 17b 18b 21b as the purpose of God's salvation accomplishing all that God wants to achieve in the believers in His economy through His divine life Gen 2 9 Rev 22 14 Organic salvation entails regeneration with God s life sanctification with God s holy nature renewing with God's element transformation with God's being conformation into God's image and glorification which is our full sonship Glorification sonizes our whole being from spirit to soul to body All the items of God's organic salvation are carried out by Christ as the life giving Spirit in His heavenly ministry organically and subjectively Being saved in His life is actually the process of resurrection with the resurrection life of Christ as the element increasingly taking place in our inner

being so that we are sanctified which is to be saturated with God's holy nature It is in resurrection that we are renewed we walk in newness of life and we serve in newness of spirit Rom 6 4 7 6 The experience of God's organic salvation equals reigning in Christ's life The issue of our reigning in life living under the ruling of the divine life is the real and practical Body life expressed in the church life 12 1 4 9 12 15 18 The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar Morning and Evening Meditations from the Word of God Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others. The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God The Word As Truth Alan Fairweather, 2009-06-01 This essay offers a critical appreciation and comparison of the theological and philosophical position of Karl Barth and St Thomas Aguinas Mr Fairweather's thesis is the essential mediacy of God's self presentation to men He maintains as against Aquinas that human finitude does not preclude acquaintance with the divine nature and as against Barth that man through grace is truly capax verbi Domini In his comparison the scales are weighted heavily against Barth He maintains that Barth s presuppositions e g the radical discontinuity of the human and the divine arise from a Manichaean rather than from a Christian source and that carried to the extremes to which Barth is prepared at times to carry them they rob the Bible of all value for revelation the Incarnation and the Cross of all value for human life and the idea of revelation itself of any kinship with the idea of Truth At the same time while pointing out the extravagances dangers and interior contradictions of the Barthian position Mr Fairweather recognizes the corrective value of his absolutist theology and concludes that the Thomist position as regards revelation though it is the more soundly based of the two needs to be supplemented by the Barthian emphasis on the real presence of God in His Word **Belief in the Word** Francis J. Moloney, 2004-08-06 **A Word for the Church** Jeff Mills, MDiv,2023-04-27 This book was written for both the new churchgoer and the senior churchgoer It begins with a history of the church and leads into how the church leadership of today operates This book was written to show that there is no such thing as a perfect church but there is a church that should be striving toward perfection This book allows its readers to test their church to ensure that sound Christian doctrine is being taught and put to the test As stated earlier there is no perfect church every church has issues that must be dealt with and this book covers many of those issues through a firsthand account and gives actions that can help eliminate these troublesome areas It also deals with what a healthy church looks like and how to get to that point As the church body our

greatest job is to share the good news of Jesus with everyone that we can This book includes a chapter on evangelism and easy methods that can be used by individuals and the church as a whole In summary this book is about the history of the church and what God intended the church to be and how many times we fall short The good news is that there is hope for our churches today we just need our members to be on fire for Jesus and become servant hearted workers in the church With Reverence for the Word Jane Dammen McAuliffe, Barry Walfish, Joseph W. Goering, 2003-01-02 This volume is a trilateral exploration of medieval scriptural interpretation It examines and discusses the vast literature the three exegetical traditions created in the Middle Ages a literature of great diversity but also one of numerous cross cultural similarities The Ministry of the Word, Vol. 23, No. 08 Various Authors, 2019-08-01 This issue of The Ministry of the Word contains the six messages from the Memorial Day weekend conference held in Seattle Washington May 24 through 27 2019 The subject of this series of messages is The Experience of Christ The key statements in the following section embody the crucial truths and the main burden of the conference The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
