cherry in full bloom is less a rite than a riot a word originally meaning an uproar The major carnival of the year it is unusual for being held on a date that is not determined by astronomy astrology or the accidents of history as most such events are in literate cultures It takes place whenever the cherry trees are good and ready Enjoyed in the flesh the blossom viewing or hanami is also of the mind so much so in fact that poetry is often credited with the spread of the practice over the centuries from the Imperial courts to the maids of Edo Nobles enjoyed link verse contests presided over by famous poet judges Hermits hung poems feting this flower of flowers to say the generic flower hana in Japanese connotes cherry on strips of paper from the branches of lone trees where only the wind would read them In the Occident too flowers embody beauty and serve as reminders of mortality but there is no flower that like the cherry blossom stands for all flowers Even the rose by any name cannot compare with the sakura in depth and breadth of poetic trope or viewing practice In Cherry Blossom Epiphany Robin D Gill hopes to help readers experience metaphysically some of this alternative world Haiku is a hyper short 17 syllabet or 7 beat Japanese poem directly or indirectly touching upon seasonal phenomena natural or cultural Literally millions of these ku have been written some perhaps many times about the flowering cherry sakura and the human activity associated with it blossom viewing hanami As the most popular theme in traditional haiku haikai cherry blossom ku tend to be overlooked by modern critics more interested in creativity expressed with fresh subjects but this embarrassment of riches has much to offer the poet who is pushed to come up with something anything different from the rest and allows the editor to select from what is for all practical purposes an infinite number of ku Literary critics take note Like Rise Ye Sea Slugs 2003 and Fly ku 2004 this book not only explores new ways to anthologize poetry but demonstrates the practice of multiple readings an average of two per ku as part of a composite translation turned into an object of art by innovative clustering Book collectors might further note that while Cherry Blossom Epiphany may not be hardback it takes advantage of the many symbols included with Japanese font to introduce design ornamentation the circle within the circle the reverse Buddhist swastika etc hitherto not found in English language print It is a one of a kind work of design by the author **The Call of Japan** Hans
