The Historical Cookbook Of The American Negro:

The Historical Cookbook of the American Negro Sue Bailey Thurman, Anne Bower, National Council of Negro Women, 2000 From the organization that brought us The Black Family Reunion cookbooks comes The Historical Cookbook of the American Negro a fun richly brewed collection of recipes historical facts photos and personal anecdotes First published in 1958 by the National Council of Negro Women it includes contributions from members in thirty six states plus the District of Columbia and offers exceptional insight into American history and the African American community at the time of its publication As John Hope Franklin whose own family owns a copy of the book points out much of the cultural information in the cookbook has never been passed down to successive generations Arranged according to the calendar year the cookbook opens with a cake to be baked in celebration of both New Year's Day and the Emancipation Proclamation Scattered among the recipes one finds excerpts from documents such as the Gettysburg Address and the Universal Declaration of Human Rights Tributes to well known figures like Harriet Tubman Phillis Wheatley and Booker T Washington appear alongside brief bios and recipes in celebration of important but obscured figures This delightful collection of delicious recipes helps us commemorate African American history throughout the year

The Historical Cookbook of the American Negro Sue Bailey Thurman, 2000 In 1958 the National Council of Negro Women published a cookbook documenting their food heritage Organized to serve as a means of observing annual holidays it presented recipes from the earliest days of the nation with contextual commentary The cookbook marched boldly into territory beyond plantation life with exotica such as sukiyaki and Ceylon curry A new reprint of The Historical Cookbook of the American Negro offers insight into both the cooking of the first generations of African Americans and the self perception of their female descendants at the outset of the sixties civil rights movement
