The History And Social Influence Of The Potato:

The History and Social Influence of the Potato Redcliffe N. Salaman, William Glynn Burton, 1985-11-21 A reissue of a scholarly classic considers the influence of the potato on the social structure and economy throughout history wherever men adopted it as a mainstay of their diets

The History and Social Influence of the Potato R. N. Salaman, 1987 The History and Social Influence of the Potato Redcliffe Nathan Salaman, 1985 **The History and Social Influence of the Potato..** Redcliffe Nathan Salaman, William Glynn Burton, 1970 **The History and Social Influence of the Potato**, 1949 **The history and social influence of the potato** Redcliffe Nathan Salaman, 1949 **The history and social influence of the potato**, 1970

The History and Social Influence of the Potato, By Redcliffe N. Salaman. With a Chapter on Industrial Uses by W.G. Burton Redcliffe Nathan Salaman, 1970 **The History and Social Influence of the Potato** Redcliffe N. Salaman, 1970-10-01 First published in 1949 this remarkable book is the culmination of a life long study of every aspect of the potato Dr Salaman is concerned first with the history of the potato as a member of the botanical genus *Solanum* its adaptation by man as a cultivated plant and the record of its spread throughout the world secondly he considers the influence the potato has exerted upon the social structure and economy of different peoples at different times The archaeological and anthropological evidence for the early significance of the potato among the peoples of Latin America is discussed in detail with numerous illustrations but the central portion of the book is concerned with the European and particularly the Irish evidence Naturally the Great Hunger is the most dramatic single episode in the entire work and Dr Salaman does full justice to his tragic theme concluding with the observation that in Ireland the potato ended in wrecking both exploited and exploiter Elegantly written with numerous vivid anecdotes Salaman's History has long enjoyed the status of a classic This revised impression with a new introduction and emendations by Professor J G Hawkes enables another generation of readers to sample what Eric Hobsbawm has referred to as that magnificent monument of scholarship and humanity The Oxford Handbook of Agricultural History Jeannie M. Whayne, 2024 Agricultural history has enjoyed a rebirth in recent years in part because the agricultural enterprise promotes economic and cultural connections in an era that has become ever more globally focused but also because of agriculture's potential to lead to conflicts over precious resources The Oxford Handbook of Agricultural History reflects this rebirth and examines the wide reaching implications of agricultural issues featuring essays that touch on the green revolution the development of the Atlantic slave plantation the agricultural impact of the American Civil War the rise of scientific and corporate agriculture and modern exploitation of agricultural labor *Practicing New Historicism* Catherine Gallagher, Stephen Greenblatt, 2001-09 Two literary scholars focus on five central aspects of the literary critical theory recurrent use of anecdotes preoccupation with the nature of representations fascination with the history of the body sharp focus on neglected details and skeptical analysis of ideology *The Last Anglo-Jewish*

Gentleman Todd M. Endelman, 2022-09-06 Redcliffe Salaman 1874 1955 was an English Jew of many facets a country gentleman a physician a biologist who pioneered the breeding of blight free strains of potatoes a Jewish nationalist and a race scientist A well known figure in his own time *The Last Anglo Jewish Gentleman* restores him to his place in the history of British science and the British Jewish community Redcliffe Salaman was also a leading figure in the Anglo Jewish community in the 20th century At the same time he was also an incisive critic of the changing character of that community His groundbreaking book *The History and Social Influence of the Potato* first published in 1949 and in print ever since is a classic in social history His wife Nina was a feminist poet essayist and translator of medieval Hebrew poetry She was the first and to this day only woman to deliver a sermon in an Orthodox synagogue in Britain *The Last Anglo Jewish Gentleman* offers a compelling biography of a unique individual It also provides insights into the life of English Jews during the late 19th and early 20th centuries and brings to light largely unknown controversies and tensions in Jewish life **Food Studies in Latin**

American Literature Rocío del Aguila, Vanesa Miseres, 2021-12-10 Collection of essays analyzing a wide array of Latin American narratives through the lens of food studies *Germs, Seeds and Animals: Alfred W. Crosby*, 2015-03-04 Alfred Crosby almost alone redirected the attention of historians to ecological issues that were important precisely because they were global In doing so he answered those who believed that world history had become impossible as a consequence of the post war proliferation of new historical specialities including not only ecological history but also new social histories areas studies histories of mentalities and popular cultures and studies of minorities majorities and ethnic groups In the introduction to this volume Professor Crosby recounts an intellectual path to ecological history that might stand as a rationale for world history in general He simply decided to study the most pervasive and important aspects of human experience By focusing on human universals like death and disease his studies highlight the epidemic rather than the epiphenomenal **The International Potato Industry** Joseph Guenther, 2001-11-01 This is the first book to provide a comprehensive overview of the world trade in one of the most important of our basic foodstuffs potatoes It covers everything from the history of the potato through to plant types and uses production consumption and demand and pricing It goes on to cover the trade in potatoes around the world Since the different potato products flow in separate channels fresh potatoes frozen potatoes seed potatoes and the snack and dehydrated trade each is described individually The international potato industry is a fascinating reference source which is essential reading not only for the growers processors retailers marketers and others involved in the production chain but also for agricultural economists fresh produce brokers and traders and national and international economic planning agencies The first book to provide a comprehensive overview of the world potato trade Covers everything from the history of the potato through to plant types and uses production consumption and demand to pricing Analyses the trade in fresh potatoes frozen potatoes seed potatoes and the fast food snack food and dehydrated potato industries **A Concise History of World Population** Massimo Livi-Bacci, 2017-01-10 The latest edition

of this classic text has been updated to reflect current trends and implications for future demographic developments The areas of Africa international migration and population and environment have been strengthened and statistical information has been updated throughout A new edition of this classic history of demography text which has been updated to strengthen the major subject areas of Africa international migration and population and the environment Includes the latest statistical information including the 2015 UN population projections revision and developments in China s population policy Information is presented in a clear and simple form with academic material presented accessibly for the undergraduate audience whilst still maintaining the interest of higher level students and scholars The text covers issues that are crucial to the future of every species by encouraging humanity s search for ways to prevent future demographic catastrophes brought about by environmental or human agency Analyses the changing patterns of world population growth including the effects of migration war disease technology and culture

Feast Your Eyes Susan J. Pennington, 2002-11-26 In recent years vegetable gardening has made a comeback as a popular pastime in America Yet gardeners are creating vegetable gardens with a difference they are intended to be pleasing to the eye as well as a source for fresh produce In an effort to beautify traditional vegetable gardens landscape architects and amateur gardeners are finding inspiration in the elaborate European vegetable gardens of the seventeenth century **Feast Your Eyes** examines the historical antecedents of this modern movement as well as the changing perceptions of the beauty of vegetable gardens over time and among different cultures Generously illustrated with over one hundred historical and contemporary photographs and artwork highlighting material from the Smithsonian Institution s Archives of American Gardens this book provides a fascinating and wide ranging discussion of such topics as the vegetable garden at Versailles Ming dynasty vegetable gardens the war gardens of World War I World War II victory gardens including those of the Japanese American internees and vegetable still lifes As the boundary between vegetable garden and flower garden has become blurred the same is true for vegetables Horticulturists have developed popular garden ornamentals from kale chili peppers sweet potato and eggplant Pennington provides biographies of these vegetables and describes new varieties that are being developed for their aesthetic qualities She shows how this is not a uniquely modern phenomenon but is rooted in the introduction of exotic vegetables to Europe starting as early as the thirteenth century Published in association with Smithsonian Institution Traveling Exhibition Service

Poisons of the Past Mary Allerton Kilbourne Matossian, 1989-01-01 Did food poisoning cause the Black Plague the Salem witch hunts and other significant events in human history In this pathbreaking book historian Mary Kilbourne Matossian argues that epidemics sporadic outbursts of bizarre behavior and low fertility and high death rates from the fourteenth to the eighteenth centuries may have been caused by food poisoning from microfungi in bread the staple food in Europe and America during this period A bold book with a stimulating thesis Matossian s claims for the role of food poisoning will need to be incorporated into any satisfactory account of past demographic trends John Walter Nature Matossian s work is innovative

and original modest and reasoned and opens a door on our general human past that historians have not only ignored but often did not even know existed William Richardson Environmental History Review This work demonstrates an impressive variety of cross national sources Its broad sweep also reveals the importance of the history of agriculture and food and strengthens the view that the shift from the consumption of mold poisoned rye bread to the potato significantly contributed to an improvement in the mental and physical health of Europeans and Americans Naomi Rogers Journal of American History This work is a true botanical historical tour de force Rudolf Schmid Journal of the International Association of Plant Taxonomy Intriguing and lucid William K Beatty Journal of the American Medical Association Nationalism and Popular Protest in Ireland Charles H. E. Philpin, 2002-08-08 Essays on Irish nationalism some on particular protest movement others on more general themes
