Hidden Power James Cockayne, 2017-10-01 An exploration

of a world in which states and mafias compete in a market for government and not only states but also some criminal groups make war.

Quarantine! Howard Markel, 2022-03-01 This riveting story of the typhus and cholera epidemics that swept through New York City in 1892 has been updated with a new preface that tackles the COVID 19 pandemic. Winner 2003 Arthur J. Viseltear Prize for Outstanding Book in the History of Public Health, American Public Health Association. In *Quarantine*, Howard Markel traces the course of the typhus and cholera epidemics that swept through New York City in 1892. The story is told from the point of view of those involved: the public health doctors who diagnosed and treated the victims, the newspaper reporters who covered the stories, the government officials who established and enforced policy, and most

importantly the immigrants themselves Drawing on rarely cited stories from the Yiddish American press immigrant diaries and letters and official accounts Markel follows the immigrants on their journey from a squalid and precarious existence in Russia's Pale of Settlement to their passage in steerage to New York's Lower East Side to the city's quarantine islands This updated edition features a new preface from the author that reflects on the themes of the book in light of the COVID 19 pandemic At a time of renewed anti immigrant sentiment and newly emerging infectious diseases Quarantine provides a historical context for considering some of the significant problems that face American society today Charles Evans Hughes Robert F. Wesser, 2018-05-31 When Charles Evans Hughes defeated William Randolph Hearst for the governorship of New York in 1906 the New York State Republican Party was split between the remnants of the rural conservative Platt political machine in Albany and the forces loyal to the progressive energetic President and former New York Governor Teddy Roosevelt Although Hughes owed his nomination largely to Roosevelt's desire to weaken conservative influences the aloof and independent governor's moral idealism and legal experience led him to positions more liberal and unyielding than even Roosevelt could endorse In this thorough study of Hughes's two terms as governor Robert F Wesser depicts the tensions of conservatism and liberalism corruption and moral indignation which rent the state government under his administration Making use of unpublished manuscript collections both personal and organizational and other primary sources Wesser evaluates the strengths and weaknesses of Hughes as a political leader and reformer He shows that despite opposition from his own party Hughes's governorship produced important reform legislation in three areas improvement of the machinery and processes of government extension of the state's regulatory authority over businesses engaged in public services and expansion of governmental police and welfare functions These legislative achievements were supplemented by Hughes's relentless dedication to administrative efficiency which helped shift the focus of New York politics from the legislature and party organization to the office of the governor But not all Governor Hughes's efforts were successful and Wesser carefully analyzes his failures as well as his triumphs including the humiliating defeat at the hands of his own party's bosses in his quest to pass a direct primary voting bill providing a complete portrait of a significant turning point in the history of New York and of the man who undermined some of the very foundations of the old political order First published in 1967 Charles Evans Hughes remains an important work of scholarship on the history of New York and of the Progressive Era more broadly

The Saturday Review of Politics, Literature, Science and Art, 1902 **The Birth of Empire** Evan Cornog, 2000 DeWitt Clinton 1769 1828 was one of the nation's strongest political leaders in the first quarter of the nineteenth century serving as mayor of New York City governor of the state and narrowly losing the Presidential campaign of 1812 to James Madison Patrician in his sentiments Clinton nevertheless invented new forms of party politics His greatest achievement the Erie Canal hastened the economic expansion of the country altered the political geography of the nation set an example for activist government and decisively secured New York City's position as America's first and foremost metropolis While mayor

Clinton's role in founding the city's public school system was only the most significant of his many contributions to learning. An amateur scientist of international renown, he wrote essays on geology, botany, entomology, archaeology, anthropology, and ichthyology. This book relates in vivid detail the biography of one of the most important and most interesting political figures in US history.

The Road to Mobocracy Paul A. Gilje, 2014-06-30 *The Road to Mobocracy* is the first major study of public disorder in New York City from the Revolutionary period through the Jacksonian era. During that time, the mob lost its traditional institutional role as corporate safety valve and social corrective tolerated by public officials. It became autonomous, a violent menace to individual and public good, expressing the discordant urges and fears of a pluralistic society. Indeed, it tested the premises of democratic government. Paul Gilje relates the practices of New York mobs to their American and European roots and uses both historical and anthropological methods to show how those mobs adapted to local conditions. He questions many of the traditional assumptions about the nature of the mob and scrutinizes explanations of its transformation among them: the loss of a single interest society, industrialization, and changes in the workforce, increased immigration, and the rise of sub-classes in American society. Gilje's findings can be extended to other cities. The lucid narrative incorporates meticulous and exhaustive archival research that unearths hundreds of New York City disturbances about the Revolution, bawdy houses, theaters, dogs and hogs, politics, elections, ethnic conflict, labor actions, religion. Illustrations recreate the turbulent atmosphere of the city; maps, graphs, and tables define the spatial and statistical dimensions of its ferment. The book is a major contribution to our understanding of social change in the early Republic as well as to the history of early New York urban studies and rioting.

The American Experiment James MacGregor Burns, 2013-05-21 The Pulitzer Prize winning author's stunning trilogy of American history, spanning the birth of the Constitution to the final days of the Cold War. In these three volumes, Pulitzer Prize and National Book Award winner James MacGregor Burns chronicles with depth and narrative panache the most significant cultural, economic, and political events of American history. In *The Vineyard of Liberty*, he combines the color and texture of early American life with meticulous scholarship. Focusing on the tensions leading up to the Civil War, Burns brilliantly shows how Americans became divided over the meaning of Liberty. In *The Workshop of Democracy*, Burns explores more than a half century of dramatic growth and transformation of the American landscape through the addition of dozens of new states, the shattering tragedy of the First World War, the explosion of industry, and in the end, the emergence of the United States as a new global power. And in *The Crosswinds of Freedom*, Burns offers an articulate and incisive examination of the US during its rise to become the world's sole superpower through the Great Depression, the Second World War, the Cold War, and the rapid pace of technological change that gave rise to the American Century.

The Price of Honor M. Barbara Mulrine, 2011-05-31 This biography of George Brinton McClellan Jr., son of the Civil War general, congressman, and mayor of New York, 1904-1910, studies political courage and honor. McClellan was a Tammany Hall Democrat who challenged the boss of Tammany Hall, Charles Francis Murphy, and put principle above party. For his disloyalty

he paid the price of political oblivion Today this important figure in the modernization of the city is hardly remembered because of the power of his enemies This study emphasizes McClellan s six years as mayor but also covers his youth relationship with his father his career as a reporter years as a congressman and his post political career which included his tenure as an economics history professor at Princeton his brief army career during World War I his retirement years in Washington D C and his burial in Arlington Cemetery

Wedding of the Waters Peter L. Bernstein, 2010-08-16 New York Times Bestseller The epic account of how one narrow ribbon of water forever changed the course of American history The history of the Erie Canal is a riveting story of American ingenuity A great project that Thomas Jefferson judged to be little short of madness and that others compared with going to the moon soon turned into one of the most successful and influential public investments in American history In *Wedding of the Waters* best selling author Peter L Bernstein recounts the canal s creation within the larger tableau of a youthful America in the first quarter century of the 1800s Leaders of the fledgling nation had quickly recognized that the Appalachian mountain range was a formidable obstacle to uniting the Atlantic states with the vast lands of the west A pathway for commerce as well as travel was critical to the security and expansion of the Revolution s unprecedented achievement Gripped by the same fever that had driven explorers such as Hudson and Champlain a motley assortment of politicians surveyors and would be engineers set out to build a complex structure of a type few of them had ever actually seen let alone built or operated a manmade waterway cut through the mountains to traverse the 363 miles between Lake Erie and the Hudson River By linking the seas to the interior and the interior to the seas these pioneers ultimately connected the Atlantic Ocean to the Mississippi River Bernstein examines the social ramifications political squabbles and economic risks and returns of this mammoth project He goes on to demonstrate how the canal s creation helped bind the western settlers in the new lands to their fellow Americans in the original colonies knitted the sinews of the American industrial revolution and even influenced profound economic change in Europe Featuring a rich cast of characters that includes political visionaries like George Washington Thomas Jefferson and Martin van Buren the canal s most powerful champions Governor DeWitt Clinton and Gouverneur Morris and a huge platoon of Irish and American diggers *Wedding of the Waters* reveals that the twenty first century themes of urbanization economic growth and globalization can all be traced to the first great macroengineering venture of American history

The Mississippi Valley Historical Review, 1928

The History Of Tammany Hall By Gustavus Myers Introduction

In the digital age, access to information has become easier than ever before. The ability to download The History Of Tammany Hall By Gustavus Myers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The History Of Tammany Hall By Gustavus Myers has opened up a world of possibilities. Downloading The History Of Tammany Hall By Gustavus Myers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The History Of Tammany Hall By Gustavus Myers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The History Of Tammany Hall By Gustavus Myers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The History Of Tammany Hall By Gustavus Myers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The History Of Tammany Hall By Gustavus Myers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download The History Of Tammany Hall By Gustavus Myers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The History Of Tammany Hall By Gustavus Myers Books

1. Where can I buy The History Of Tammany Hall By Gustavus Myers books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
