The History Of The American Presidency

Michael Genovese

The History Of The American Presidency:

The History of the American Presidency John Stewart Bowman, 2001 An illustrated overview of the first 42 presidents of the United States American History, American Politics, and American Presidents Judy Baston, 2022-02-03 This book includes much information about the fortyaEURfour persons who have served as President of the United States including their native states military service lengths of presidential service and ages at death In the main however this book is an introduction to an outline of and an overview of American history since 1789 the year the American presidency began In the book I have divided American history since 1789 into six periods Each period coincides with the time that between four and ten specified individuals served as President For each period the emphasis is on domestic policy foreign policy and presidential election results

The History of the American Presidency John Bowman, 1955 Republic of Spin: An Inside History of the American Presidency David Greenberg, 2016-01-11 A brilliant fast moving narrative history of the leaders who have defined the modern American presidency Bob Woodward In Republic of Spin a vibrant history covering more than one hundred years of politics presidential historian David Greenberg recounts the rise of the White House spin machine from Teddy Roosevelt to Barack Obama His sweeping startling narrative takes us behind the scenes to see how the tools and techniques of image making and message craft work We meet Woodrow Wilson convening the first White House press conference Franklin Roosevelt huddling with his private pollsters Ronald Reagan s aides crafting his nightly news sound bites and George W Bush staging his Mission Accomplished photo op We meet too the backstage visionaries who pioneered new ways of gauging public opinion and mastering the media figures like George Cortelyou TR s brilliantly efficient press manager 1920s ad whiz Bruce Barton Robert Montgomery Dwight Eisenhower s canny TV coach and of course the key spinmeisters of our own times from Roger Ailes to David Axelrod Greenberg also examines the profound debates Americans have waged over the effect of spin on our politics Does spin help our leaders manipulate the citizenry Or does it allow them to engage us more fully in the democratic project Exploring the ideas of the century s most incisive political critics from Walter Lippmann and H L Mencken to Hannah Arendt and Stephen Colbert Republic of Spin illuminates both the power of spin and its limitations its capacity not only to mislead but also to lead

The Development of the American Presidency Richard J. Ellis, 2015-06-26 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding beyond the current newspaper headlines The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have

followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines and practice quizzes to help students master the book s lessons The second edition a new chapter on unilateral powers that brings greater attention to domestic policymaking

The Development of the American Presidency Richard Ellis,2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time

The Progression of the American Presidency J. Twombly,2013-02-12 The contemporary presidency and the nation it governs is more dependent on the individual in office than ever before The Progression of the American Presidency examines in detail the institution of the American presidency from the selection process to the president s individual responsibilities to

his interactions with other actors in the political arena Twombly argues that regardless of how well suited a particular individual may be for a specific time in office he or she will leave an indelible imprint on the office for those who follow Each successful president changed the institution in which he served by expanding its scope and power and raising the bar of public and historical expectations Both scholarly and conversational The Progression of the American Presidency is essential reading for anyone interested in the evolving state of the Oval Office

Encyclopedia of the American Presidency, Fourth Edition Michael Genovese, 2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind Encyclopedia of the American Presidency Fourth Edition is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more

The Oxford Handbook of the American Presidency George C. Edwards, William G. Howell, 2011-08-04 With engaging new contributions from major figures in the field The Oxford Handbook of the American Presidency provides the key point of reference for anyone working in American politics today

The American Presidents Melvin I. Urofsky, 2004-11-23 What makes a president great Here is the ideal source for students scholars and the general public The American Presidents is a collection of articles that analyze and evaluate the presidential careers of the men who have occupied the office since its inception in 1789 In this volume the leading presidential historians in the United States offer insights into what makes a president great mediocre or in the case of most of them something in between The contributors to The American Presidents were not asked to write straightforward biographies of the presidents other sources are available for that Rather they were asked to evaluate their subjects No strict patterns were imposed by the editor each author approached his or her subject in the way that best illustrated the strengths and weaknesses of the president under consideration Forty one have held the office of president and all in one way or another were exceptional men Some like Andrew Jackson and Harry Truman are usually thought of as representing the common folk but nothing was common about either of them Each proved to be an extraordinary and singular politician able to rally and represent the country through the challenges of their times Some presidents had achieved brilliance in other fields Ulysses Grant in the military and Herbert

Hoover as an engineer and humanitarian for example but had presidencies that are considered unsuccessful What accounts for this seeming paradox in which insight sensitivity and competence suddenly become nontransferable when the man reaches the White House This book offers the reader multiple perspectives on this and other issues Examination of the ways in which challenges affect presidential greatness Theodore Roosevelt a successful president by any standard was acutely aware that the prosperity and peace the country enjoyed during his two terms in office would ironically prevent him from reaching the upper tier of greatness enjoyed by Washington and Lincoln After he left office he yearned to return in hope of finding the challenge that would seal his greatness Earlier in the late nineteenth century the electorate placed competent men such as Rutherford B Hayes Grover Cleveland and Benjamin Harrison in the White House but they are little remembered today None faced earth shaking challenges at home and abroad and their presidencies slipped into obscurity Discussion of personal characteristics and presidential performance For more than two centuries the presidency has proved a remarkably durable institution Presidential personalities have varied widely from the patrician aloofness of Washington to the moody introspection of Lincoln to the noisy exuberance of Theodore Roosevelt The articles in *The American Presidents* consider the ways in which personality has affected performance Special features 41 signed essays by the leading experts illustrated with portraits of the presidents Selected bibliographies At a glance summaries of each president's achievements Useful charts and tables on cabinet members first ladies and vice presidents from Washington to Clinton Addresses and Web sites for major presidential libraries

The American Presidency Clinton Rossiter, 1962 [Exploring the American Presidency through 50 Historic Treasures](#) Kimberly A. Kenney, 2023-03-15 No person in the world is more recognizable than an American president These men are larger than life and as the leader of the free world they have the opportunity to shape history in ways that most of us cannot imagine Some objects such as the Resolute desk Air Force One or the presidential seal are symbolic of the position itself but each president has at least one artifact that largely defines his life and his presidency For example George Washington's ill fitting dentures plagued him for most of his life affecting the very image of his face that we have all come to recognize Millions of Americans were comforted by Franklin D Roosevelt's fireside chats as he spoke into a radio microphone during the Great Depression and World War II John F Kennedy memorialized a coconut husk with a message he wrote after his PT boat was destroyed in the Pacific Ocean into a paperweight he kept on his desk in the Oval Office Bill Clinton appeared on late night television playing the saxophone to appeal to younger voters *Exploring the American Presidency through 50 Historic Treasures* brings together significant artifacts from the lives of the men who have led our nation through times of great prosperity and terrible tragedy When we look at our presidents through the lens of the material culture they left behind it humanizes them and creates relevance to our own lives This book features full color images of 50 artifacts that were chosen by the very people who work at presidential sites and historical museums stewarding the legacies of our presidents

The American President William Edward Leuchtenburg, 2015 The American President is an

enthraling account of American presidential actions from the assassination of William McKinley in 1901 to Bill Clinton's last night in office in January 2001. William Leuchtenburg, one of the great presidential historians of the century, portrays each of the presidents in a chronicle sparkling with anecdote and wit. Leuchtenburg offers a nuanced assessment of their conduct in office, preoccupations and temperament. His book presents countless moments of high drama: FDR hurling defiance at the economic royalists who exploited the poor; ratcheting tension for JFK as Soviet vessels approach an American naval blockade; a grievously wounded Reagan joking with nurses while fighting for his life. This book charts the enormous growth of presidential power from its lowly state in the late nineteenth century to the imperial presidency of the twentieth. That striking change was manifested both at home in periods of progressive reform and abroad, notably in two world wars, Vietnam, and the war on terror. Leuchtenburg sheds light on presidents battling with contradictory forces. Caught between maintaining their reputation and executing their goals, many practiced deceits that shape their image today. But he also reveals how the country's leaders pulled off magnificent achievements worthy of the nation's pride. Now with a preface new to the paperback edition, *The American President* provides a timely reflection on the office that has shaped and continues to shape the destiny of the United States and its people.

The American Presidency Sidney M. Milkis, Michael Nelson, 2015-03-03. *The American Presidency* examines the constitutional foundation of the executive office and the social, economic, political, and international forces that have reshaped it, along with the influence individual presidents have had. Authors Sidney Milkis and Michael Nelson look at each presidency broadly, focusing on how individual presidents have sought to navigate the complex and ever-changing terrain of the executive office and revealing the major developments that launched a modern presidency at the dawn of the twentieth century. By connecting presidential conduct to the defining eras of American history and the larger context of politics and government in the United States, this award-winning book offers perspective and insight on the limitations and possibilities of presidential power. In this Seventh Edition, marking the 25th anniversary of *The American Presidency's* publication, the authors add new scholarship to every chapter, reexamine the end of George W. Bush's tenure, assess President Obama's first term in office, and explore Obama's second term.

The American Presidency Irwin L. Morris, 2010-08-15. Presidential scholars increasingly turn to science to address the fundamental issues in the field, but undergraduates are rarely taught the skills to do the same. *The American Presidency* introduces students to new insights produced by the scientific study of the presidency and the scientific endeavor itself. After chapters on the scientific study of the presidency and background information on the presidency, the text discusses prominent theories of presidential power. Chapters on presidential elections, the president's relationship with other political actors such as Congress and the Supreme Court, the president's role in foreign and economic policy, and presidential greatness include guided research exercises that provide students with the opportunity to apply the scientific method to empirical questions with significant theoretical content. *The American Presidency* provides students with the opportunity to learn about the presidency and enables them to

draw their own reasoned conclusions about the nature of presidential power

The American Presidency William G. Howell, 2023-02-21 How institutions shape the American presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance enabling students to think more clearly and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities William Howell offers unparalleled perspective on the world's most powerful office from its original design in the Constitution to its historical growth over time its elections and transitions to governance its interactions with Congress the courts and the federal bureaucracy and its persistent efforts to shape public policy Comprehensive in scope and rooted in the latest scholarship *The American Presidency* is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well being of the republic Focuses on the institutional structures that presidents must navigate the incentives and opportunities that drive them and the constraints they routinely confront Shows how legislators judges bureaucrats the media and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power rules norms and organization that undergird democracy

The Presidents Stephen Graubard, 2009-05-07 In this magisterial examination of the Presidency over the course of the 20th Century the author explores the history of the world's greatest elective office and the role each incumbent has played in changing the scope of its powers Using individual presidential portraits of each of the presidents of the past century Graubard asks and answers a wide variety of crucial questions about each President What intellectual social and political assets did they bring to the White House and how quickly did they deplete or mortgage that capital How well did they cope with crises foreign and domestic How much attention did they pay to their election pledges after they were elected How did they use the media old and new Above all how did they conduct themselves in office and what legacy did they leave to their successors Graubard provides original analysis in each case and reaches many surprising conclusions

Great American Presidents Kenneth W. Thompson, 1995 This is the first volume in a new series for the Miller Center and includes chapters from several well known authors and professors including Hans J Morgenthau Kevin Phillips Norman Graebner Michael Riccards Merrill Peterson Ralph Ketcham Alf Mapp Mortimer Sellers and Garrett Sheldon Co published with the Miller Center for Public Affairs

The American Presidency Under Siege Gary L. Rose, 1997-03-20 This book explores the failure of the modern American presidency a failure the author attributes to the development of a political system that impedes creative leadership The American presidency Gary L Rose argues is under siege Surrounded and blockaded by a reactionary Congress an entrenched bureaucracy an aggressive media lobbyists political action committees and special interest groups American presidents fail not because of a lack of ability or character but because of the political system and style of politics inside the Beltway Rose

ascribes this emergence of a political system that obstructs presidential leadership to the decline of political parties as electoral and governing mechanisms As political parties have declined presidents have lost vital political connections that historically have enhanced their capacity to lead He presents a variety of prescriptive measures including political party and legal reform that have the potential to restore political parties and the governing capacity of the presidency *What Does the American Presidency Mean?* Richard Holtzman, 2025-06-27 What Does the American Presidency Mean The Need for Interpretation in Presidency Studies makes a compelling case for how interpretivism contributes to our understanding of the American presidency This brief book is accessible and inviting regardless of a reader's background in presidency studies or interpretivism Part I explores several dimensions of interpretivist and positivist methodologies Chapters discuss the characteristics of interpretivism genealogically trace positivism's dominance in presidency studies and identify how attributes of the presidency that raise methodological challenges for positivism are the same that make it fertile ground for interpretivism Part II explores a wide range of interpretive scholarship on the American presidency including studies of presidential meaning making the institution's historical political development presidential symbolism the construction of the presidency and the presidential spectacle It concludes with an interpretation of recent developments emphasizing the timeliness relevance and importance of methodological pluralism in presidency studies The book is written for anyone interested in the meaning of the presidency whether scholars or graduate students in American political science or those from other disciplines within and outside the United States It is appropriate for courses on the American Presidency Executive Politics Political Communication Rhetoric and Social Science Methods among others

The History Of The American Presidency Introduction

In the digital age, access to information has become easier than ever before. The ability to download The History Of The American Presidency has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The History Of The American Presidency has opened up a world of possibilities. Downloading The History Of The American Presidency provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The History Of The American Presidency has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The History Of The American Presidency. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The History Of The American Presidency. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The History Of The American Presidency, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The History Of The American Presidency has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The History Of The American Presidency Books

1. Where can I buy The History Of The American Presidency books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
