The History of the British South Africa Police Peter Gibbs,1972

The right of the line, 1903-1939 Peter Gibbs,1972

The Regiment Richard Hamley,2000 While it is generally accepted that the history of Rhodesia began in 1890 the history of that country s police force began a year earlier in 1889 From the beginning the Force held to the customs and traditions of a light cavalry regiment with military ranks and disciplines and reflecting the military ethos laying emphasis upon a smartness of turnout and drill The unique character of the Force developed from this time Not only did it have to establish the rule of law it also had to defend the borders of the country a responsibility it held until 1953 This stunning volume filled with the author s own vivid water color illustrations traces the fascinating story of the British South Africa Police during its 90 year existence from 1890 to 1980

During the Great War the unit took part in campaigns against German South West Africa modern Namibia and the long and gruelling fight against the German forces of that guerilla genius Colonel Paul Von Lettow Vorbeck in East Africa. This history contains an index roll of Honour and Honours and Awards for all ranks of the unit during the Great War. **British South Africa Police** Wilfred Bernard

Bussy, 2020-02-26 Wilfred Bussy was the Editor of the Police Review who and published a series of articles covering the early history of the BSAP. The fact they were written soon after the events described by a serving member adds an immediacy which is of value. Starting in 1886 Bussy describes the various units which after many campaigns eventually evolved to form the British South Africa Police. The events of the Matabele and Mashona uprisings are covered in detail as also is that other great active service period of the BSAP in early years the Anglo Boer War. Written in a highly readable style this is a valuable contribution to the history of the BSAP. **A pictorial history of South Africa and the Transvaal, ed. by C.N. Robinson**

Charles Napier Robinson, 1900 **The History of the British South Africa Police, 1889-1980** Peter Gibbs, Hugh Phillips, 2000 **The British South Africa Police in the Great War** John Berry, Fg Elliot, 2020-05-21 Many books have been written about the First World War campaign in German East Africa sometimes called the Forgotten War as it was overshadowed by the battles of the Western Front. The British South Africa Police of Southern Rhodesia had a relatively minor role numerically in the overall scale of this campaign but it played an important part in the continuous pursuit of the German forces over a large portion of the territory which later became Tanganyika and then Tanzania. Previously unpublished the photographs of Sergeant FG Elliot and the Diary of BSAP Service Company Private WHJ Walker paint a vivid picture of the day to day life of the men. *The Regiment* Richard Hamley, 1971 [The Cambridge History of Africa](#) J.
