Gough,1881 **The Post of Honour. By the Author of "Broad Shadows on Life's Pathway" [C. Bickersteth, Afterwards Ward].** ,1863 *The Shadow Government* Len Bracken,2002 This book presents the alarming evidence that nation states actively engage in terror and also passively allow terror to be visited upon their citizens It is not just liberation movements and radical groups that deploy terrorist tactics for offensive ends States use terror defensively to directly intimidate their citizens and to indirectly attack themselves or harm their citizens under a false flag Their motivation To provide pretexts for otherwise unwanted wars or to gain increased police powers Statesmen have executed indirect terrorism in various ways but most plots tend to involve the pretence of blind eyes misdirection and cover ups that give the statesmen plausible deniability The shrinking of the Lusitania the bombing of Pearl Harbour the October Surprise the first World Trade Center bombing the Oklahoma City bombing and other well known incidents suggest that terrorism is often successfully used by states to take the offensive against enemies at home and abroad Was 9 11 such an indirect defensive attack Len Bracken traces the clues circumstantially connecting a multi armed hydra of oil interests the CIA FBI diplomats and statesmen to the September 11 attacks and examines whether they were engineered or allowed as a pretext for the war in Afghanistan The subsequent anthrax attack targeting Democratic senators is considered in light of the controversial USA Patriot Acts rights encroaching measures and the act s easy passage under conditions of terror A shadow government appears to have covered the land like black ice

In the Shadow of the Dam Elizabeth M. Sharpe,2007-08-10 Early one May morning in 1874 in the hills above Williamsburg Massachusetts a reservoir dam suddenly burst sending an avalanche of water down a narrow river valley lined with factories and farms In just thirty minutes the Mill River flood left 139 people dead and 740 homeless and a nation wondering how this terrible calamity had happened In this compelling tale of a man made disaster peopled with everyday heroes and arrogant scoundrels Elizabeth Sharpe opens a rare window into industry and village life in nineteenth century New England a time when dam failures and other industrial accidents were widespread and laws favored factory

owners rather than factory workers In the Mill Valley the townsfolk depended upon generally benevolent patriarchs who assured them that the dam was safe when most people could see that it was not The story of the Mill River flood is the story of those townsfolk of George Cheney the dam keeper whose repeated warnings about leaks in the dam had been ignored by the mill owners of his wife Elizabeth who watched in disbelief as the dam burst open from the bottom of Isabell Hayden the mother who saw her young son swept away in the river's torrent and of Fred Howard a box maker who spent the days after the flood searching for bodies burying friends and waiting to see if the button factory he relied upon for his livelihood would be rebuilt It is also the story of the well meaning but overconfident businessmen who built the dam of Onslow Spelman the manufacturer who dismissed the dam keeper's flood warning irrationally insisting that the dam could not break of Lucius Fenn and Joel Bassett the engineer and contractor whose roles in the construction of the dam would be questioned during the public inquest into the causes of the flood of William Skinner the factory owner who struggled to decide whether or not to rebuild his silk factory in the village that bore his name and of many others The flood highlighted class divisions between worker and owner as well as the disorganized state of professional engineering then still in its infancy As the flood exposed the dangers of allowing mill owners who were not trained engineers to design their own dam legislation to regulate the building of reservoir dams in Massachusetts was enacted for the first time Engineers politicians and business owners battled over control of the reform measures to prevent similar tragedies yet saw them continually repeated In the Shadow of the Dam is the story of an event that reshaped a society Told through the eyes of villagers like Collins Graves lauded as a hero for his desperate ride through the valley to warn people of the impending flood and industrialists like Joel Hayden Jr entrusted with the responsibility of disaster relief despite his culpability in failing to maintain the leaking dam In the Shadow of the Dam is a history of our uneasy relationship with industrial progress and a riveting narrative of a tragic disaster in small town Massachusetts

The Shadow Serpentine Matthew Davis, 2008-03 Within the makeshift corridors of a dark labyrinth lost beneath an old man's secluded mansion five reluctant strangers will find one another drawn together by a mysterious luminescent force Searching for lost companions hidden exits or redemption for wasted years each of these strangers will face the toughest challenge of their lives For within the confines of the dark labyrinth the strangers are being hunted by an ancient legend a shadowy horror unknown to the world of man Their journeys will take them through haunted graveyards possessed swamps and dreamscape realms filled with hopes and horrors yet along the way through all their encounters the sands of the hourglass are ever shifting counting down to a nightmarish reality Now racing against time and the shadows around them these strangers must confront the darkest of demons an aged man obsessed with immortality and the ultimate horror he has awakened the legend of the shadow serpent
