The Women's Book of Healing Diane Stein, 2004-05-19 Women are naturally healers Throughout time they have performed curative roles as mothers midwives caregivers and wisewomen but modern medicine has suppressed this important tradition Ancient women healers knew that the body is more than what is seen through body emotions mind and spirit we can connect with the Goddess and actively choose to heal ourselves and others By relearning and using ancient skills like aura and chakra work creative visualization meditation laying on of hands psychic healing and working with crystals and gemstones women can prevent or transform many dis-eases of the body and spirit before they become matters for modern medicine In THE WOMEN'S BOOK OF HEALING Diane Stein author of the best selling ESSENTIAL REIKI demystifies explains and teaches these skills in ways that modern women can learn and use She first introduces basic healing then applies those skills to healing with crystals and gemstones a beautiful effective and empowering aspect of the ancient

Richardson,2018-11-15 Born of Woman Scriptural Meditations on the Holy Rosary is not about the history of the Rosary or its powerful effects though each of those subjects have filled books in themselves Instead this book is a series of reflections heavily supported by Sacred Scripture on the mysteries of the Rosary and how they connect to each other and the prayers that form this beautiful devotion Women-Church Rosemary Radford Ruether,2001-03-01 **In the Image of God** Judith S. Antonelli,1997-02-01 In the Image of God A Feminist Commentary on the Torah is a unique blend of traditional Judaism and radical feminism and is a groundbreaking commentary on the Bible the central document of Jewish life Using classical Jewish sources as well as supplementary material from history anthropology sociology psychology ancient religion and feminist theory Judith Antonelli has examined in detail every woman and every issue pertaining to women in the Torah parshah by parshah The Torah is divided into fifty four portions each portion or parshah is read in the synagogue on the Sabbath combining a few to make a yearly cycle of readings This book is modeled on that structure hence there are fifty chapters each of which corresponds to a parshah One may therefore read this book from beginning to end or use it as a study guide for the parshah of the week The reader will discover in these pages that the Torah is not the root of misogyny sexism or male supremacy Rather by looking at the Torah in the context in which it was given the pagan world of the ancient Near East it becomes clear that far from oppressing women the Torah actually improved the status of women as it existed in the surrounding societies Not only does this book refute the common feminist stereotype that Judaism is a patriarchal religion but it also refutes the sexism found in Judaism by exposing it as sociological rather than divine law Ductor dubitantium, part II, books III and IV Jeremy Taylor,Reginald Heber,1852 The Holy Book of Women's Mysteries Zsuzsanna Emese Budapest,1980 Living In The Lap of Goddess Cynthia Eller,1995-12-20 A fascinating introduction to one of the fastest growing religious movements in the United States today Through interviews participant observation and analysis of movement literature Cynthia Eller explores what women who worship the goddess believe how they express those beliefs in private in public and in the political realm and the place of feminist spirituality in the history of American religion OHRID PROLOGUE (Part 2) St. Nikolai of Serbia (Velimirovich), Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> HYMN OF PRAISE THE HOLY MARTYR CALLIOPIUS Calliopius Calliopius Depart
