The Holy Sacrifice of the Mass Nikolaus Gihl, 1902      *The Holy Sacrifice of the Mass* Nikolaus Gihl, 1939      **An Explanation of the Holy Sacrifice of the Mass** Michael Francis Howley, 1894      **The Holy Sacrifice of the Mass Explained** Martin (von Cochem), 1996      **Cochem's Explanation of the Holy Sacrifice of the Mass** Martin (von Cochem), 1896      **Holy Sacrifice of the Mass Explained** Mark Gregorczyk, Prosper Louis P. Guéranger, 2010-08-31

The majority of the explanations in this work come from the writings of Prosper Louis Pascal Guéranger 1805-1875. They have herein been compiled and edited for the Ancient Roman Rite Liturgies which were used during the period of 1806-1925. I have translated all Latin into English and have edited the Ancient Roman Rite Liturgy into modern English while retaining the original meanings. This work explains the Holy Sacrifice of the Mass for that Ancient Roman Rite Liturgy which was given to us by Christ and passed on by His disciples to Holy Mother Church.

**The Holy Sacrifice of the Mass** Rev. Nicholas Gihl, Brother Hermenegild, 2014-10-19

As the Holy Sacrifice of the Mass is the centre of Catholic worship and life, a more profound knowledge of the Mass is considered essential and most desirable for all the faithful but especially for the priest. Although literature on this subject is rather abundant, the present volume, which has been drawn from every available source at the Author's command, may not be deemed superfluous. Its object is in the main both practical and

ascetical to appeal not only to the understanding but also to inflame the heart and to move the will The selection and the treatment of the matter have necessarily been directed to this object As it is not our intention to present a purely scientific and exhaustive treatise on the Eucharistic Sacrifice but to build upon the foundation of scientific studies and inferences a work useful and practical for the clergy certain questions of scientific and historic nature may receive scarcely more than a brief and passing mention Denis the Carthusian In this writing it was not my intention in expounding the words of the Mass as devoutly as I could to raise any question or touch on anything but what might move the heart and excite to devotion Therefore all polemical critical quotations and statements open to contradiction have as much as possible been avoided In disputed points we have always seriously and carefully weighed the reasons pro and con but in the book itself we have merely stated what appeared to us the most solidly grounded As edification and devotion must at all times rest on theological truth and emanate from it it became necessary to present the Dogma and Rite of the Eucharistic Sacrifice clearly thoroughly and correctly according to the spirit and intention of the Church thus only do the ascetical considerations and applications find a solid foundation to rest on For without truth piety is feeble and without piety truth is sterile and void Suarez In the explanation of the Rite we have strictly adhered to the words and actions of the liturgical formulae endeavoring at the same time in accordance with approved ecclesiastical tradition to avoid as far as possible all subjectivism and artificiality A correct and clear understanding as well as frequent consideration of the profound and mystical Rite of the Mass will in all probability be the best means to enable the priest to refrain from a thoughtless habitual mannerism and lead him to celebrate the adorable mysteries of the Altar with becoming attention devotion and reverence The priest who studies this book will moreover find manifold reasoning and argument wherewith to direct the faithful according to their capacity in the proper understanding of the Divine Sacrifice and in their fervent recourse to the Eucharistic fount of grace The authorities of the Church have often impressed upon pastors that this is a chief duty of directors of souls for the conscientious discharge of which they shall have to render an account before God Although this volume is principally intended for the use of the clergy it has been so arranged that the more highly cultured of the laity may also peruse it with profit
