The Holy Will Of God Source Of Peace And Happiness:

The Holy Will Of God Rev. Fr. Leo Pyzalski C.S.S.R., A book to help us determine what God's will really is why we should conform our wills to His and see in this conformity our greatest good for like it or not we do have to live with God's holy will anyway Brings great solace *The Holy Will of God* Leon Pyżalski, 1947 *The Pursuit of Happiness--God's Way* Servais Pinckaers, 2011-07-18 When we think of happiness we have to admit that our idea is at times worldly and self centered Jesus in His Sermon on the Mount showed us that true happiness will elude us however if we follow that kind of thinking And in the form of a series of promises and challenges which we have come to know as the Beatitudes He told us how to find perfect happiness both here and in the hereafter In a world that is capable of the best and the worst we all have reason to be concerned about the very possibility of ever finding happiness in our lifetimes The good news of the Gospel message is that we can Even more it teaches a way based not on rules and obligations so much as one founded on love a way that depends upon and leads to the blessings of God Himself These pages have been written in the conviction that every seeker should make the Sermon on the Mount the primary source of what will and will not make her happy In His approach to the question Jesus insists from the outset that we face up to the inevitable trials of life poverty tears hunger and thirst and shows us how we can find God the source and object of our joy in the midst of them *The Sources of Christian Ethics* Servais Pinckaers, 1995 First published in 1985 as *Les sources de la morale chrétienne* by University Press Fribourg this work has been recognized by scholars worldwide as one of the most important books in the field of moral theology True Peace the happy effect of trusting in Christ.
