The Homecoming Earl Hamner, Jr., Perry Clark, 1976 *The Modern Monologue : Men* Michael Earley, Philippa Keil, 1993
First Published in 1994 Routledge is an imprint of Taylor Francis an informa company **The Homecoming**
Aastha, 2023-08-28 The book *The Homecoming* is an activator of mind heart body soul This is your birthright transcript and a gateway to meet your own Self which you forgot during the course of living in the illusory world outside only and comprehend as reality The book insists to shut the noise of the world around you detach from the ego mind become the witness of yourself others and the world for we all are mere actors playing roles on the stage of life for a brief period of time on Earth The meaning of the book is not present in its words but how you allow yourself to experience it is the catch The book provides deep insights and practical tools on how and what s important to heal parts of yourselves which are the foundation to your expansion of consciousness What s said is much less than what s experienced through this little Bible of your own life existence wish you all a Happy Homecoming **Pinter's Female Portraits** Elizabeth Sakellaridou, 1988-01-01
The book traces the development of Pinter s female characters both as *dramatis personae* and as theatrical functionaries It explores a new exciting aspect of Pinter s work in the domain of character portrayal and it supplies a kaleidoscopic view of Pinter criticism to date at home and abroad *The Language of Silence* Leslie Kane, 1984 Examining the plays of Maeterlinck Chekhov Jean Jacques Bernard Pinter Albee and Beckett this critical study exhibits the eloquence with which silence and inarticulateness portray the experience of inadequacy incompleteness impermanence and uncertainty in early twentieth century drama Moving on to post World War II drama the author explores the use of noneloquent speech and silence to convey the alienation and isolation engendered by the rise of political humanity *The Cambridge Companion to Harold Pinter* Peter Raby, 2009-03-19 Updated edition of this popular Companion examining the wide range of Pinter s work and his continuing impact and influence **Harold Pinter and the Language of Cultural Power** Marc Silverstein, 1993
For all their attempts to own language Pinter s characters discover that words constitute alienable property that language forms de forms and re forms subjectivity that as a system preceding the individual language carries embedded within it the values desires and imperatives of the Other the dominant cultural order By introducing questions of subject position and ideology into his discussion author Marc Silverstein shows how the plays exhibit a political dimension largely ignored by the bulk of Pinter criticism which attempts to classify his oeuvre as a form of absurdist drama It is Silverstein s contention that Pinter does not concern himself with the fate of the individual lost in an incomprehensible and meaningless universe the absurdist Pinter but instead explores the vicissitudes of living within ideological discursive and social structures that always exceed the subject **The Homecoming** Earl Hamner, 2007 When Clay Spencer fails to arrive home at the expected hour on Christmas Eve of 1933 his family is concerned The older son Clay boy is dispatched to find his father On his journey through the snowbound Virginia hills he experiences a series of hazardous touching and hilarious adventures An encounter

with the neighborhood Negro church teaches Clay boy a lesson in race relations and while taking refuge from a snowstorm he is overwhelmed by the intoxicating hospitality of two elderly genteel lady bootleggers Finally at midnight when all hope for him has been abandoned Clay Spencer provides a surprising climax to the story and in a single moment illuminates the triumph of the human spirit Rich with life that rings true filled with nostalgia laughter and tears The Homecoming is a warm and wonderful classic and the novel on which the CBS Christmas special was based EARL HAMNER JR is a novelist and an Emmy Award winning writer

transition from segregation to integration Poree learned to be resourceful early convincing the owner of a nearby grocery store to give him a job cleaning the store and organizing the shelves He went on to start his own business polishing hardwood floors while in the seventh grade His love for music eventually helped him earn a scholarship at Xavier University in New Orleans and from there he was on his way From his teaching career to his successes as a business executive and civic leader Poree shares his memories of real people real places and real divisions His hope is that you'll be emboldened encouraged and inspired to achieve your own dreams

Pursuing a Promise F. Erik Brooks, 2006 In Statesboro Georgia two schools coexisted one white and the other black Yet these schools were intertwined by their geographical location and the traditions of the segregated South There are many glaring similarities between the white students of Georgia Southern University's forerunner the First District A M School and the black students of the Statesboro Industrial and High School Yet as happened all too often in the South as implementation of the federal court's desegregation orders took shape Negro schools were downgraded or outright closed Statesboro was no different While First District A M became a regional university Statesboro Industrial and High School was downgraded to a junior high school In 1961 integration on the higher education level at Georgia's flagship university captured national attention Few works if any have examined desegregation in the context of non flagship universities Likewise there is a misguided mythology that desegregation occurred quietly at Georgia Southern University it's clear that while there was not the violence and rioting seen elsewhere in Southern universities blacks were marginalized and did not feel welcome at the college A passive group after the initial integration blacks adopted tactics of protest and confrontation to empower themselves Taking a page from the Civil Rights Movement black students and faculty established organizations to confront discrimination and gain access to campus leadership positions This is a story about the defeats victories struggles and developments of blacks at Georgia Southern University
