R. Owens,1998 Designed for those beginning an MA in Literature this text provides an introduction to research techniques methodologies and information sources relevant to the study of literature at postgraduate level Contemporary theoretical approaches are also outlined **Paternalism Incorporated** David Leverenz,2003 Between the Civil War and World War I David Leverenz maintains the corporate transformation of American work created widespread desire for upward mobility along with widening class divisions In his view several significant narrative constructs notably the daddy s girl and the daddy s boy emerge at the intersection between paternalist practices and more democratic possibilities for self advancement From

Mark Twain's Laura Hawkins in *The Gilded Age* to the protagonist of Theodore Dreiser's *Sister Carrie* and Willa Cather's Alexandra Bergson in *O Pioneers!* Leverenz finds that the image of the daddy's girl constrains the emerging threat of the career woman even as it articulates the lure of upward mobility for women. In surveying the figure of the daddy's boy, Leverenz examines tensions between young men's desires for upward mobility and older men's desires for paternal control. *Paternalism Incorporated* also addresses yearnings for individualism and paternalism in various critiques of the emerging corporation. Another chapter links honor and shaming to race in the philanthropic practices of Andrew Carnegie and John D. Rockefeller framed with narratives by William Dean Howells, Booker T. Washington, and Jane Addams. After showing how a daddy's girl becomes a paternalist in Henry James's *The Golden Bowl*, Leverenz considers F. Scott Fitzgerald's *Tender is the Night* as paternalism's elegy contrasted with the Shirley Temple film *The Little Colonel*.

The Papers of Jefferson Davis

Jefferson Davis, 2015-05-12 The final volume of *The Papers of Jefferson Davis* follows the former president of the Confederacy through the completion of his two monumental works on the history of the Confederate States of America. In the first, *The Rise and Fall of the Confederate Government* (1881), Davis sought to recast the Confederacy as a just and moral nation that was constitutionally correct in standing up for its rights. Himself the subject of heated debates about why the Confederacy lost, Davis also used the book to castigate Confederate government and military officials who he believed had failed the cause. Later, *A Short History of the Confederate States* (1890) attempted to burnish the image of the former Confederacy and to refute accusations of intentional mistreatment of Union prisoners. While completing these books, Davis attended and spoke at numerous Confederate memorial services and monument dedications all the while waging a bitter feud with two of his former top generals, Joseph E. Johnston and P. G. T. Beauregard, over the reasons for the fall of the Confederacy. In late 1889, having returned to New Orleans from a trip to his plantation, Brierfield, Davis succumbed to pneumonia. His funeral procession attracted an estimated 150,000 mourners, a testament to the lasting popularity of the Confederacy's only president. In volume 14 of *The Papers of Jefferson Davis*, the editors have drawn from over one hundred manuscript repositories and private collections in addition to numerous published sources to offer a compelling portrait of Davis over the last decade of his life.

The Quote Verifier

Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as "Nice guys finish last" and "Play it again, Sam," but more surprising ones such as "Ain't I a woman" and "Golf is a good walk spoiled," as well as the origins of popular sayings such as "The opera ain't over till the fat lady sings," "No one washes a rented car," and "Make my day." Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde's famous last words and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases. *The*
