The House Of David:

The Prince of the House of David Joseph Holt Ingraham, 1898 *The House of David* Christopher Siriano, 2007 In 1903 Benjamin Purnell a long haired bearded itinerant preacher arrived in Benton Harbor He and his wife Mary stepped out of their covered preacher s wagon and gazing across a thriving summer resort they saw their long awaited paradise Acquiring this paradise they established a religious colony called the House of David which grew to over 1 000 members from around the world with phenomenal talents in music sports entertainment and architecture A pre Disneyland type amusement park was constructed attracting hundreds of thousands of visitors annually As the colony s leader the very charismatic and convincing Purnell called himself a brother to Jesus and members flocked in handing over their homes wealth and worldly possessions for the promise of everlasting life creating huge wealth Soon they built exquisite mansions hotels restaurants cruise ships factories and miniature railroads Holdings included diamond and gold mines an island in Lake Michigan thousands of acres of farmland an Australian resort an art studio orchestras vaudeville acts a famous bearded baseball team and more This book will take readers on the fascinating journey of the House of David *The House of David* Mahri Leonard-Fleckman, 2016-06-01 Current scholarly debate over the historical character of David s rule generally considers the biblical portrait to represent David as king of Judah first and subsequently over all Israel The ninth century Tel Dan inscription which refers to the House of David byt dwd is often taken as evidence for the dynasty of Judah Mahri Leonard Fleckman argues however that references to Judah in the story of David as king do not suffice to constitute a coherent stratum of material about Judah as a political entity Comparing the house of terminology in the ninth century Tel Dan inscription with early first millennium Assyrian usage then giving close examination to the house of David materials in 2 Samuel and 1 Kings she understands the house of David as a small body politic connected to David but distinct from any Judean dynastic context One implication is that the identification of Judah as a later southern kingdom may have less to do with an Israelite secession from Jerusalem than with an Israelite rejection of David s lineage and the subsequent redactional creation of Judah centric language on the part of a Davidic coterie Leonard Fleckman s arguments suggest a rethinking of the rise of monarchy in Israel **The House of David** Evelyn Sterne, Associate Professor of History Director of the Center for Humanities Evelyn Sterne, 2025 Beset by scandals from its earliest days the House of David defied the odds to become one of the longest lasting intentional communities in United States history Drawing upon an extensive archive of primary source documents many encountered for the first time author Evelyn Sterne reveals a larger story about religion and social change in the twentieth century United States in this case study of a distinctive and little known commune *Baseball and the House of David* P.J. Dragseth, 2021-03-08 House of David barnstorming baseball 1915 1957 was played without pre determined schedules leagues player statistics or standings The Davids quickly gained popularity for their hirsute appearance and flashy fast paced style of play During their 200 seasons they travelled as many as 30 000 miles criss crossing

the United States Canada and Mexico The Benton Harbor teams invented the pepper game and were winners year after year becoming legends in barnstorming baseball Initially a loose affiliation of players the Davids expanded to three teams Western Central and Eastern as their reputation grew and hired outsiders to fill the rosters Prominent among them were pitchers Grover Cleveland Alexander and Charlie Chief Bender both player managers in the early 1930s They resisted the color barrier eagerly facing Negro League teams everywhere In 1934 before their largest crowd to date they defeated the first Negro team invited to the famed Denver Post Tournament the great Kansas City Monarchs for the championship House of David Baseball Team Joel Hawkins, Terry Bertolino, 2000 The Israelite House of David was founded in 1903 as a religious colony in Benton Harbor Michigan An entrepreneurial group of worshippers the colony contributed much to the community including a traveling baseball team that toured the United States Canada and Mexico The almost 200 images collected here by authors Joel Hawkins and Terry Bertolino document the history of this bearded barnstorming group of baseball players throughout their careers The colony accomplished much within the community credited with inventing the automatic pinsetter used in bowling and the first cold storage facility in the county However it was the House of David baseball players that caught the nation's attention with their long hair and beards which was forbidden to be cut or shaved as a code of their faith As news of their prowess spread the team received more and more press throughout the country Much like the Negro Leagues of the same period the House of David baseball players would criss cross the country playing with such greats as the Kansas City Monarchs Pittsburgh Crawfords and Satchel Paige and his All Stars **The Prince of the House of David, Or, Three Years in the Holy City** Joseph Holt Ingraham, 1857 **The Prince of the House of David** Joseph Holt Ingraham, 1807 **The House of David** Jerry M.
