Schwartz, Zeev Weiss, 2011-12-30 The destruction of the Temple of Jerusalem in 70 CE which put an end to sacrificial worship in Israel is usually assumed to constitute a major caesura in Jewish history But how important was it What really changed due to 70 What in contrast was already changing before 70 or remained basically or virtually unchanged despite it How do the Diaspora which was long used to Temple less Judaism and early Christianity which was born around the same time fit in This Scholion Library volume presents twenty papers given at an international conference in Jerusalem in which scholars assessed the significance of 70 for their respective fields of specialization including Jewish liturgy law literature magic art institutional history and early Christianity      The Story Ripples of the Bible Elisabeta Karp, 2025-06-25 The Bible is more into showing than telling When it wants to teach important and prophetic truths it takes its time telling true stories And storytelling in Scripture works like a ripple effect It sets off a current of events and experiences that repeat expand connect develop and slowly move toward something or someone Bible stories build Bible prophecy The beloved stories readers grew up with like David and Goliath also contain frequent flashbacks to past stories so as to foreshadow the future As the grand narrative progresses from the Old to the New Testament these recycled stories and their developing patterns eventually shape into a silhouette ready for the Messiah to step into as the perfect match So like Jesus disciples on the road to Emmaus readers must take another listen to the biblical authors narrating their stories because through them they are making the greatest prophetic connections that will cause hearts to burn for truth As people discover how the Bible's stories ripple toward Messiah their own stories will too      The History of Israel, 2008 Ideal for lay Bible teachers small group leaders or any student of the Bible this reference library provides a thorough look at Bible passages and events while applying a practical message for today's believers      *The Bible Story Handbook* John H. **sacred history** C T. Winter,1880      **National Message and Banner** ,1929      Bloodless Atonement? Benjamin J. Burkholder,2017-06-27 Does the Messiah have to die to pay for his people s sins Is the cross of Jesus an atoning sacrifice In recent decades a burgeoning number of theologians have answered the aforementioned questions in the negative In fact some like Rene Girard have gone so far as to assert that seeing the cross as an atoning sacrifice undermines the very essence of the New Testament Gospels While Girard and others following in a similar vein have offered provocative alterations to soteriology that no longer need Jesus s death to acquire forgiveness from God does a bloodless atonement have biblical support Does a nonviolent understanding of the atonement harmonize with the Gospels This particular volume answers these questions with a fresh look at the Synoptic portraits of the Last Supper accounts In them Jesus expounds upon the significance of his death by using the Passover symbols of bread and wine More importantly in these passages in the Gospels we find the fullest articulation of how Jesus s death benefits his followers Holding a wealth of dense theological riches these passages provide theological parameters that can inform contemporary soteriological development especially that which appeals to the New Testament for its basis Conversant with both biblical studies and contemporary theology the work seeks to bring the best of both fields into conversation in productive new ways      *Nave's Topical Bible* Orville James Nave,1990-01-01 A comprehensive digest of over 20 000 topics and subtopics with more than 100 000 associated Scripture references Features Zondervan s Pictorial Bible Dictionary which contains more than 5 000 entries and 700 images that embrace the complete spectrum of biblical concerns Length is 1 616 pages      **Nave's Topical Bible: a Digest of the Holy Scriptures** Orville James Nave,1905      *The Quest of the Hermeneutical Jesus* Robert B. Stewart,2008 The Quest of the Hermeneutical Jesus is a study in how reading documents referring to Jesus influences conclusions as to who Jesus was as a figure in history In this book author Robert B Stewart leads his readers through the projects of two of the most important and influential scholars in the field of historical Jesus research in order to show his readers how the philosophical presuppositions and hermeneutical methods of Crossan and Wright impact their respective historical conclusions concerning Jesus There is arguably no more important question in religious studies than what can we know about Jesus Stewart takes on the task of filling the void in this area by addressing how hermeneutics influences history In addition to highlighting the work of two great scholars Stewart also provides a useful introduction and guide through much of the maze of contemporary literary criticism Book jacket      **Theology of Mission** J. D. Payne,2022-02-16 God s mission is on every page of Scripture In Theology of Mission A Concise Biblical Theology J D Payne traces the theme of mission throughout Scripture The Bible is a story of God s mission God takes initiative to dwell with humanity He desires to be known To this end he sends and is sent Through Christ God redeems sinful humans and recreates the cosmos And he has invited his people to join in this mission Payne shows that God s mission is on every page of the Bible and is foundational to the church s own existence With reflection questions following concise chapters all readers can consider their place in God s work      **Nave's Index-digest**
