promote young adult fiction in Malta His article demonstrates the huge strides which can take place in a relatively short period of time even in a religiously conservative country Talks by young adult authors were also included in the conference programme Ioanna Kaliakatsou considers how self censorship is exercised by authors and how attitudes have changed since the early twentieth century Yet another point at which works might be censored is when they are translated or adapted Evangelia Moula focuses on censorship in adaptations of classic Greek tragedies while Helen T Frank examines Australian children s fiction translated into French to highlight the process of purification or sanitization that can occur during translations
