Sister Gin:

Sister Gin June Arnold, 1978 **Tankbread: Deadland** Paul Mannering, 2014-08-26 Centuries after the zombie apocalypse a young hero travels to far off America to join the resistance in this sci fi horror epic It s been two hundred years since the age of Humankind ended in an apocalypse of blood and terror Though zombies still roam the earth and the threat of extinction looms humanity lives on thanks to the heroic deeds of the Lady In Australia sixteen year old Gin is planning her wedding and awaiting the rumoured arrival of the living legend But when her life is torn apart by tragedy Gin must travel far from her village to the distant shores of old America where intelligent zombies still rule Drawn into a centuries old conspiracy Gin s odyssey will send her into a living hell of savagery and terror If she survives her world will be forever changed and perhaps humanity will finally be saved **The Frederick Sisters Are Living the Dream** Jeannie Zusy, 2023-10-17 Every family has its fault lines and when Maggie gets a call from the ER in Maryland where her older sister lives the cracks start to appear Ginny her sugar loving and diabetic older sister with intellectual disabilities has overdosed on strawberry Jell O Maggie knows Ginny really can t live on her own so she brings her sister and her occasionally vicious dog to live near her in upstate New York Their other sister Betsy is against the idea but as a professional surfer she is conveniently thousands of miles away Thus Maggie s life as a caretaker begins It will take all of her dark humor and patience already spread thin after a separation raising two boys freelancing and starting a dating life to deal with Ginny s diapers sugar addiction porn habit and refusal to cooperate Add two devoted but feuding immigrant aides and a soon to be ex husband who just won t go away and you ve got a story that will leave you laughing through your tears as you wonder who is actually taking care of whom *Unwanted* Jennifer Estep, 2016-07-18 The New York Times bestselling Elemental Assassin series continues with a new e novella from the point of view of Finnegan Lane the foster brother of Gin Blanco and a fan favorite of readers of the series The fallout from his disastrous family reunion in Bitter Bite has left Finn feeling hurt angry and depressed He can barely stand to look at himself in the mirror much less eat any of the delicious barbecue from Gin s famed Pork Pit restaurant But when the funeral for a slain security guard at his bank turns into a showdown with some nasty underworld giants Finn knows that he must act in order to protect an innocent family Finnegan Lane might be the most unwanted man in Ashland these days but he s determined to try to make amends for his past mistakes *Lover* Bertha Harris, 1993-10-01 A landmark work of lesbian literature with a reflective introduction written by the author twenty years later Lover was first published in 1972 to tremendous critical acclaim Emerging out of the women s and gay liberation movement alongside the early work of writers such as Rita Mae Brown and Jill Johnston the novel features fictional and historical characters who run the gamut from saint to white trash and who are by turn vulnerable and strong One of the finest examples of early post Stonewall lesbian fiction Lover paints a fascinating mural of one of the most significant times in LGBTQ history In the introduction to this updated edition edition Bertha Harris offers a window into the cultural and

personal milieu in which she wrote Revealing the real life personalities behind some of the novel s characters Harris reframes the story within its unique moment in time and gives readers new insights into the heady post Stonewall days This audacious and outrageous novel is a gem of early lesbian writing ready to be rediscovered by a new generation Queer Aging in North American Fiction Linda M. Hess,2019-01-24 Exploring representations of queer aging in North American fiction this book illuminates a rich yet previously unheeded intersection within American culture At a time when older LGBTQ persons gradually gain visibility in gerontological studies and in the media this work provides a critical perspective concerned with the ways in which the narratives and images we have at our disposal shape our realities Each chapter shines a spotlight on a significant work of queer fiction beginning with post WWII novels and ending with filmic representations of the 2010s exploring narratives as both reflections and agents of broader cultural negotiations concerning queer sexuality and aging As a result the book not only redresses queer aging s history of invisibility but also reveals narratives of queer aging to be particularly apt in casting new light on the ways in which growing older is perceived and conceptualized in North American culture **The Dramatic Works of John Lacy, Comedian** John Lacy,1875 **Dramatists of the Restoration** John Lacy,1875 **Saudade** JS NAYA,2023-07-22 But I do have one regret Odasaku I won t be able to read that novel you ll complete one day What should you do to make what your friend wants become possible Is there any way to give your friend a place where he she could write novels comfortably A place where your friend s job doesn t need to kill people A place where your friend can write novels freely and happily There is actually a place like that There is a way to make it happen and for his friend Dazai made it possible Their friendship might be extremely sad or tragic but it doesn t mean that it wasn t beautiful
