Sisters Too:

The False Step, and The Sisters. [Two Novels by Miss - Jones.] Miss Jones, 1832 **Sororophobia** Helena Michie, 1992-05-28 This book looks at how differences among women have been textually represented at a variety of historical moments and in a variety of cultural contexts including Victorian mainstream fiction African American mulatto novels late twentieth century lesbian communities and contemporary country music Sororophobia designates the complex and shifting relations between women's attempts to identify with other women and their often simultaneous desire to establish and retain difference Michie argues for the centrality to feminism of a paradigm that moves beyond celebrations of identity and sisterhood to a more nuanced notion of women's relations with other women which may include such uncomfortable concepts as envy jealousy and competition as well as more institutionalized ideas of difference such as race and class Chapters on literature are interspersed by inter chapters on the choreography of sameness and difference among women in popular culture *Sisters of the Lost Nation* Nick Medina, 2023-04-18 Named a Most Anticipated Book by Barnes and Noble BuzzFeed GoodReads Book Riot CrimeReads Ms Magazine SheReads Amazon Editor's Pick Tor.com and more A young Native girl's hunt for answers about the women mysteriously disappearing from her tribe's reservation leads her to delve into the myths and stories of her people all while being haunted herself in this atmospheric and stunningly poignant debut Anna Horn is always looking over her shoulder For the bullies who torment her for the entitled visitors at the reservation's casino and for the nameless disembodied entity that stalks her every step an ancient tribal myth come to life one that's intent on devouring her whole With strange and sinister happenings occurring around the casino Anna starts to suspect that not all the horrors on the reservation are old As girls begin to go missing and the tribe scrambles to find answers Anna struggles with her place on the rez desperately searching for the key she's sure lies in the legends of her tribe's past When Anna's own little sister also disappears she'll do anything to bring Grace home But the demons plaguing the reservation both ancient and new are strong and sometimes it's the stories that never get told that are the most important Part gripping thriller and part mythological horror author Nick Medina spins an incisive and timely novel of life as an outcast the cost of forgetting tradition and the courage it takes to become who you were always meant to be **My Sister's Arms** Monique Elliott, 2015-12-08 My Sister's Arms is a testament to the power of God in everyday lives The author gives a vivid description of her experiences in life She reveals times when God has provided assurance of His continual care through the kindness of others The author also gives an account of her experience living through the storm Katrina **Sense and sensibility a story of two sisters: two characters** Jane Austen, 2013-07-20 One of the best loved of Jane's great novels treating the love of two sisters two markedly contrasting characters prudence and hyper emotionality and how their differing loves fared *Sanctified Sisters* Jenny Wiley Legath, 2019-10-22 The first history of the deaconess movement in the United States In the late nineteenth century a new movement arose within American Protestant Christianity Unsalaries groups of

women began living together wearing plain dress and performing nursing teaching and other works of welfare Modeled after the lifestyles of Catholic nuns these women became America s first deaconesses Sanctified Sisters the first history of the deaconess movement in the United States traces its origins in the late nineteenth century through to its present manifestations Drawing on archival research demographic surveys and material culture evidence Jenny Wiley Legath offers new insights into who the deaconesses were how they lived and what their legacy has been for women in Protestant Christianity The book argues that the deaconess movement enabled Protestant women particularly single women to gain power in a male dominated Protestant world They created hundreds of new institutions within Protestantism and created new roles for women within the church While some who study women s ordination draw a line from the deaconesses work to the struggle for women s ordination in various branches of Protestant Christianity Legath argues that most deaconesses were not interested in ordination Yet while they didn t mean to they did end up providing a foundation for today s ordination debates Their very existence worked to open the possibility of ecclesiastically authorized women s agency

No Secrets Among Sisters Amy Terrill, 2025-07-14 Once at the top of her field investigative reporter Amelia Collins has been struggling with the loss of her father When her story exposing political corruption at the highest level is shelved her temper erupts putting her career in jeopardy at a moment when a rival is poised to take her place As she deals with the fallout she s given a chance to run for federal politics With just one weekend to decide on the course of her future Amelia looks to her mother for guidance only to discover before his death her father left her a mystery to solve A century earlier her great aunt walked away from a similar political opportunity despite encouragement from one of Canada s best known suffragists As Amelia digs through family archives to find out why Great Aunt Frankie abandoned her political dream she uncovers a web of violence sudden disappearances and a mysterious fire that destroyed the Canadian parliament buildings *No Secrets Among Sisters* is a work of historical fiction set in Toronto in both World War I and current day it highlights women s continuing struggle for equality representation and fair treatment in political spheres

Disorderly Sisters Leila Silvana May, 2001 Historians and literary critics have long understood the crucial significance of the family to the nineteenth century middle class sensibility but almost all critical analyses to date have concentrated on the vertical pole of the familial axis the parent child relationship and very little on the horizontal pole the sibling bond This book looks beyond these analyses to show that at the core of nineteenth century domestic ideology is the figure of the sister

BOOK JACKET *A Cup of Comfort for Sisters* Colleen Sell, 2007-08-01 A powerful collection of stories that celebrate the special bonds of sisterhood No one knows a woman quite like her sister does no matter their differences rivalries or how far apart they may drift over time Sisters confide in each other share their most intimate secrets and depend on each other for support and guidance when everyone else in their lives disappoints them This unique collection celebrates the special relationship that only sisters share The sisters in *A Cup of Comfort for Sisters* care for one another through good times and bad providing advice and a reassuring hug when they are

needed most **Sisters and Brothers/daughters and Sons** Sarah H. Matthews, 2002 Matthews asks 149 pairs of siblings with at least one parent over 75 about family interaction Old parents are rarely portrayed as a privilege this book presents a more realistic positive picture Academic but with minimal jargon Fully returnable **The Suppressed Sister** Amy K. Levin, 1992 Contentious behavior among biological sisters frequently contradicts ideals of sisterhood in novels by women Additionally feminist criticism focusing on almost every imaginable relationship involving women has all but ignored sisters Amy K Levin's *The Suppressed Sister* studies these circumstances their causes and consequences How and why is the sister bond suppressed in favor of sisterhood Answers to this question may be found in female psychology social expectations and patriarchal myths and stories The tales of Cinderella and Psyche are paradigmatic providing models of female competition and inscribing a conclusion that replaces sisterly closeness with heterosexual romance Jane Austen's sister plot is based on these models Her characters divide into pairs and adopt complementary personalities but polarization does not erase competition instead marriage erects social and economic barriers which enforce role divisions In *Wives and Daughters* Cranford and *The Life of Charlotte Bronte* Elizabeth Gaskell shows the danger of too close an attachment to the paternal home She too emphasizes differences revealing how they ultimately lead siblings to seek a sisterhood outside the family In *Mill on the Floss* *Middlemarch* and *Daniel Deronda* George Eliot paints increasingly negative portraits of sisters indicating that female siblings create differences where few or none exist These denials of similarity heighten the heroines isolation Twentieth century novelists including Barbara Pym Elizabeth Jane Howard and Margaret Drabble revise their predecessors texts drafting a plot after the father's They reject rules governing female behavior and question the expectation that women must get along with one another Finally Emma Tennant's *Bad Sister* together with several recent American novels abandons the conventions of the realistic novel challenging the very concept of character Tennant undermines all distinctions including those that treat sisters as separate individuals and those that classify certain behaviors as good or bad These novels show a progression that has been ignored or suppressed by feminist critics many of whom long for an idyll of sisterhood inherited from nineteenth century portraits of the angel in the house In denying anger or antagonism women cut off a part of themselves just as Cinderella's stepsisters amputate their toes to fit in her brittle glass slipper Levin's book questions the rationale behind such self destruction

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Book of Sisters** Olivia Meikle, Katie Nelson, Neon Squid, 2022-04-05 Selected as an Honor Book at the International Literacy Association's Children's and Young Adult Book Awards 2023 Queens Warriors Witches Revolutionaries History is full of sisters making their mark Meet incredible women in this nonfiction book for kids from Queen Elizabeth II and Princess Margaret to tennis superstars Venus and Serena Williams Authors and sisters Olivia Meikle and Katie Nelson have scoured history for jaw dropping stories of amazing siblings including Why Egyptian ruler Cleopatra went to war against her younger sister Arsino How Native American sisters Maria and Marjorie Tallchief became America's first star

ballerinas What made samurai sisters Nakano Takeko and Nakano Yuko take on an entire army Through the stories of the sisters readers will go on a whirlwind tour of women s history from the courts of Imperial China to the French Revolution And you ll discover that stories about sisters aren t anything new they can be traced back to ancient tales from Greek goddesses to Maya mythology **Tying the Knot with an Amagami Sister** 13 Marcey Naito,2024-05-07 Yae has returned home from the Ichijoji household and life at the Amagami Shrine continues as normal Now reborn into a new chapter of her life Yae makes some small changes with big impacts Then Uryu deepens his relationships with the sisters as they celebrate Halloween and have a private fireworks party but he also has another prophetic dream Could this new girl in his dreams shake up his romance with the sisters Past and present become his guide to a future of love **These Catholic Sisters Are All Mamas!** Joan F. Burke,2001 After considering how the political and Church culture fostered the inculturation of Catholic religious institutions this ethnographic work documents the unfolding African expression of the Sisterhood among a group of women religious in the former Zaire **Pioneer Spirit** Mary Ellen Doyle,2014-07-11 Mother Catherine Spalding 1793 1858 was the cofounder and first leader of one of the most significant American religious communities for women the Sisters of Charity of Nazareth near Bardstown Kentucky Elected at age nineteen to lead the order Spalding also founded several educational institutions Louisville s first private hospital and the first social service agency for children in Kentucky **Pioneer Spirit** is the first biography of Catherine Spalding a woman who made it her life s work to serve the citizens of the Kentucky frontier Catherine who lost her mother at a young age and was raised in many different homes before she was ten years old eventually came to be raised in a colony of Catholic families These formative years taught her independence the value of hard work and an enduring spirit and the importance of education all of which would figure prominently in her later career Spalding became increasingly interested in health care services for orphans and education and her business skills and strong sense of purpose allowed her to achieve her goals with little interference from outsiders She showed a natural gift for administration and the scope and services of the Sisters of Charity expanded under her leadership In the midst of this ministerial work however Spalding always maintained the connection of her ministry to spiritual and communal life ascribing great importance to all three facets of her calling Author Mary Ellen Doyle notes that in Spalding s correspondence with the Sisters she repeatedly emphasized the heart of charity genuine interest in each other and sisterly affection free of personal ambition or jealousy By the time of Catherine Spalding s death the Sisters of Charity of Nazareth extended beyond Nazareth to more than one hundred sisters in sixteen convents Spalding s legacy of service continues today with more than six hundred members worldwide and her story of progressive and compassionate leadership offers unique insights into the growth of a religious order and the struggles of developing America s frontier communities **Select Novels** ,1845 **Federal Probation** ,1953 **Miss Sellon, and the Sisters of Mercy, etc** Diana Anne Geraldine CAMPBELL,1852 *The Early History of Ismaili Jurisprudence* Agostino Cilardo,2012-03-12 Researchers have shed light on the literary

production of the Ismailis since the early 1930s The cataloguing of these work has been carried out by Ivanow Fyzee Goriawala Poonawala Gacek Cortese and de Bloise Many works attributable to Ismaili scholars however are still unavailable either because they remain hidden in private collections or because they have not survived Ismaili law in particular is still a largely unexplored field of study Al Qadi Abu Hanifa al Nu man is generally considered the founder and greatest exponent of Ismaili jurisprudence Many of his works have been lost and information on some others is scattered yet other works remain in manuscript form and only a few have been published The present book is a critical edition and translation of al Nu man s Minhaj al fara id based on its three known copies It deals with the law of inheritance one of the most complex in Islamic law In comparing the Minhaj with two published works the Da a im al Islam and Kitab al iqtisar as well as a manuscript Mukhtasar al athar of al Nu man a significant doctrinal evolution clearly emerges reflecting his early Maliki training and then his work under four Fatimid imams Ismaili law is also compared with the doctrines of the Imami school as well as the legal system of the four Sunni schools This book thus allows us to determine the time of the composition of the Minhaj al fara id the development and the originality of Ismaili jurisprudence and its relation to other schools of law **Is It Poetry?** Toshiko Hirata,2024-01-23 A profound collection of poetry from Japanese poet Toshiko Hirata expounding on readership and everyday life Produced on the same day each month over the course of two years every poem in Is It Poetry a pun also meaning the seventh day in Japanese is a window into everyday life in Japan Toshiko Hirata s poems evoke awe and light in the daily minutiae of contemporary life achieving both prosody and narrative cohesion colored by her dark yet warm artistic sensibility Beloved and awarded in Japan Hirata possesses an extraordinary ability to turn an ordinary event like an old man cycling through a park into a journey that elucidates something profound This translation offers entry into a busy Tokyo brimming with puns imagery sounds and whimsy and asks what is to cherished feared loved and what is not

Eventually, you will completely discover a further experience and ability by spending more cash. yet when? accomplish you put up with that you require to acquire those every needs later than having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more almost the globe, experience, some places, gone history, amusement, and a lot more?

It is your unquestionably own mature to discharge duty reviewing habit. in the course of guides you could enjoy now is **Sisters Too** below.
