Pezzotti, 2012-09-14 By taking as its point of departure the privileged relationship between the crime novel and its setting this book is the most wide ranging examination of the way in which Italian detective fiction in the last twenty years has become a means to articulate the changes in the social landscape of the country Nowadays there is a general acknowledgment of the importance of place in Italian crime novels However apart from a limited scholarship on single cities the genre has never been systematically studied in a way that so comprehensively spans Italian national boundaries The originality of this volume also lies in the fact that the author have not limited her investigation to a series of cities but rather she has considered the different forms of social landscape in which Italian crime novels are set Through the analysis of the way in which cities the urban sprawl and islands are represented in the serial novels of eleven of the most important contemporary crime writers in Italy of the 1990s Pezzotti articulates the different ways in which individual authors appropriate the structures and tropes of the genre to reflect the social transformations and dysfunctions of contemporary

Italy In so doing this volume also makes a case for the genre as an instrument of social critique and analysis of a still elusive Italian national identity thus bringing further evidence in support of the thesis that in Italy detective fiction has come to play the role of the new social novel **The Foreign in International Crime Fiction** Jean Anderson, Carolina Miranda, Barbara Pezzotti, 2012-06-14 Reading texts from across the world this book examines the depiction of the foreigner in popular 20th and 21st century crime writing *Don't Chew Jesus!* Danielle Schaaf, Michael Prendergast, 2015-01-06 Filled with fond recollections and touching stories these tales from hundreds of contributors pay tribute to nuns those monochromatically clad monitors of the right the wrong and the holy Catholic nuns are portrayed as devoted and passionate women who armed with an arsenal of educational weaponry ranging from creative storytelling to psychological terrorism had the massive responsibility of molding children into model citizens of God The brief descriptive anecdotes cover subjects ranging from religious training habits and devotion to discipline pranks and the always dicey sex education Readers are introduced to such legends in the making as baseball playing nuns telepathic nuns gun toting nuns and even skinny dipping nuns These nuns have seen it all the silly or the sad the frightening or sublime and always keep their gazes directed upward **My Stomach Hurts!** Lydia Dovera, 2008 Elia a five year old boy living in Milan can't wait to turn six so he can graduate from scuola materna combined preschool kindergarten and start elementary school Filled with enthusiasm when he enters first grade he quickly becomes disillusioned While the scuola materna teachers were nurturing the first grade teachers are rigid and strict concerned above all with discipline and order Elia soon begins to hate school and his self esteem collapses Halfway into the school year his life suddenly changes when his father accepts a job in Germany and Elia transfers to an international school which uses an utterly different approach After the change Elia becomes happy enthusiastic and eager to learn Pebbles the Pug and the Case of the Missing Baconator Allen Dekeyser, 2025-06-13 A legendary burger A missing masterpiece A pug with a nose for mystery When the town's most delicious treasure the Baconator is stolen from under everyone's snouts only one detective is bold and hungry enough to crack the case Pebbles the Pug With her trusty magnifying glass an overactive imagination and a belly that growls louder than a thunderstorm Pebbles tracks clues across town interviews suspects mostly squirrels and uncovers a sizzling conspiracy that might just go all the way to the top bun Can Pebbles solve the case before the scent goes cold Or will the Baconator be lost forever in the annals of snack history **Andrea Camilleri** Lucia Rinaldi, 2014-01-10 This is the first comprehensive reference work in English dedicated to the writing of world famous Italian mystery writer Andrea Camilleri It includes entries on plots characters dates literary motifs and themes from the bestselling author's detective stories and television crime dramas with special attention given to the serialized policeman Inspector Salvo Montalbano Camilleri's most famous character It also equips the reader with background information on Camilleri's life and career and provides a guide to the writings of reviewers and critics *The Soccer Mindset* Devynne A.
