Using Illustrations to Preach with Power (Revised Edition) Bryan Chapell,2001-04-04 If the apostle Paul had not punctuated his words with images of the armor of God or the racecourse would we so easily remember his instruction The march on Washington might have become nothing more than a ragged hike across a majestic mall if Martin Luther King Jr had not led us through a dream and onto a mountaintop Such is the power of illustrations They contain a hidden dynamic of living that captures our attention and furthers our understanding in a way that no other sermon tool can match Can they be overused and their purpose abused Yes and by many they are But to eliminate them completely would be unwise maintains Bryan Chapell Instead he responds to those concerns by reviewing the theory behind illustrations sharing why they are important and demonstrating how you can use them effectively in your biblical preaching This book clearly affirms that illustrations are integral to powerful preaching not because they entertain but because they expand and deepen applications in the lives of your listeners They infuse your words with life without comprising the message making the truth of the Word ring clearly in people's hearts long after your sermon is done **Sermon Seeds** Dottie Escobedo-Frank,2009-09-01 Note This is the eBook version and does not contain the DVD nor the DVD contents that the print version contains If you preach you are looking for ways to create worship experiences that keep people on the edge of their seats straining to hear every word Sermon Seeds helps pastors who want to approach the job of preaching more creatively by suggesting out of the box surprises that bring about deeper understanding of God's message Creative multifaceted sermons can happen without extensive technology money or staff Sermon Seeds stirs creative juices by providing ideas that can easily be adapted for use in a variety of settings Contains forty creative sermon starters each complete with the Scripture passage message theme and elements background information creative avenue and suggested ending Themes include Passing the Mantle The Bread
