Snow In The River:

Snow River Jennifer Bernard,2024-12-03 In Firelight Ridge Lila Romanoff s unusual intuitive abilities have stayed mostly silent until now When she starts having dream conversations with a murdered local it s time to skedaddle But she only gets as far as the overlook on Snow River before she can t go any farther and it s not just because she runs out of gas don t ask Her gut literally won t let her leave Maybe it s her feelings for her huge hunk of a boss at the local bar Or maybe it s the mystery about to unfold around the dead woman on the banks of the river below Bear Davis always knew his employee would flit out of town sooner or later Lila is sunshine itself and with winter fast approaching he s not surprised she s ready to take her light elsewhere but he s also not about to object when she abruptly decides to stay And when she starts digging into the recent murder on Snow River Well as an ex cop don t ask there s no one better suited to make sure she stays safe while they nose around When the recent death appears connected to a decades old murder spree that involved Lila s dream visitor everything seems to point back to Snow River As Bear and Lila follow clues that include local lore old gossip and even mysterious pranks the couple gets closer and closer Both to each other and to an explosive truth someone will do anything to keep hidden deep in the wilds of Alaska
