The ^AWorld Heroin Market Letizia Paoli,Victoria A. Greenfield,Peter Reuter,2009-04-10 This book is the first attempt to describe and analyze the world opiate market It looks at how the Taliban achieved a cutback in heroin production in Afghanistan a longtime goal of national and international drug policy agencies and how that cutback impacted the very robust global market for the drug Based on this and other country studies the authors show that internationally supported interventions on the supply side can open up limited opportunities for curbing consumption **An Industrial Geography of Cocaine** Christian M. Allen,2013-10-14 Latin American cocaine trafficking organizations comprise an indigenous globally competitive multinational industry Their business operations are deeply ingrained within the economic and political systems of countries throughout the region While criminal enterprises operate in a more complex and uncertain setting than licit firms their competitive success is determined in fundamentally similar ways Models developed by geographers to explain the spatial behavior of licit multinational firms are profitably applied here to the operations of drug trafficking operations
