studies     **Ida; or, The last struggles of the Welsh for independence** Alice Somerton,1858     *The Nether World*  
 George Gissing,2022-08-10 The Nether World is a novel by George Gissing It delves into the lives and tribulations of poor Londoners during the early 20th century Excerpt It was the hour of the unyoking of men In the highways and byways of Clerkenwell there was a thronging of released toilers of young and old of male and female Forth they streamed from factories and workrooms anxious to make the most of the few hours during which they might live for themselves Great numbers were still bent over their labour and would be for hours to come but the majority had leave to wend stable wards Along the main thoroughfares the wheel track was clangorous every omnibus that clattered by was heavily laden with passengers tarpaulins gleamed over the knees of those who sat outside This way and that the lights were blurred into a misty radiance overhead was mere blackness whence descended the lashing rain     The Crown in Vogue Robin Muir,Josephine Ross,2022-09-22  
 What a fabulous book a must for any royal watcher It s elegant stylish and gloriously illustrated I didn t want it to end I loved the original and innovative approach to the subject and the new insights I gained I cannot recommend it highly enough Alison Weir Vogue like the royal family has been through many evolutions of its own and to view Her Majesty s life through the record of our pages is truly a document of history Edward Enninfu Editor in Chief of British Vogue Five monarchs crowned and uncrowned one abdication one royal investiture a jewel box of jubilees and many many royal marriages British Vogue has borne witness to a century of royal history As another reign begins The Crown in Vogue is the magazine s special royal salute to the House of Windsor Vogue s first star photographer Cecil Beaton was entranced by the House of Windsor and the admiration was mutual A younger star photographer Antony Armstrong Jones left Vogue to marry the Queen s sister and returned as Lord Snowdon The Queen s cousin Vogue s Lord Lichfield proved an insightful photographer of royal style along with many of Vogue s fashion photographers including Horst Norman Parkinson and David Bailey With visual treasures from Vogue s unrivalled archive and contributions through the decades from the most perceptive of royal commentators from Evelyn Waugh to Zadie Smith The Crown in Vogue is the definitive authoritative portrait of Queen Elizabeth II s magnificent reign and of royalty in the modern age     **Three Times a Countess** Tina Gaudoin,2022-09-22 TELEGRAPH 50 BEST BOOKS OF 2022 THE UNTOLD STORY OF PRINCESS DIANA S STEPMOTHER A sparkling biography of a fascinating woman Lynn Barber Telegraph Gaudoin s book is revealing and hugely entertaining Highly recommended Daily Mail Gaudoin tells these delicious stories with brio Sunday Times Debutante of the year Able politician Femme fatale Just some of the many labels attached to the irrepressible controversial Raine Spencer Countess socialite and stepmother to Diana Princess of Wales But who was the real Raine What was hidden behind the immaculately manicured public facade and her overwhelmingly negative tabloid image From her childhood days as daughter of romantic novelist powerhouse Barbara Cartland to Westminster councillor and wife of Earl Spencer Three Times a Countess recounts Raine s compelling and glamorous life revealing her to be a powerful accomplished woman who after a tumultuous relationship reconciled with

Diana to become the Princess's closest confidante and a key witness at the inquest into her death To her friends Raine was shrewd intelligent witty and loyal to her enemies pushy overly flamboyant and ruthless From a career spanning local politics to dealing with the fortunes of Althorp from taking on the Spencer family estate to her final role as a board member at Harrods Raine's life was by any standards a success Yet she could not sway the powerful media narrative which pitted her as the evil stepmother at every turn A societal whirl of London Seasons family feuds politics pomp and big hair Gaudoin's vibrant history of the Countess sets the record straight once and for all drawing insight from those who knew Raine most Three Times a Countess reveals a sophisticated determined woman whose loyalty knew no bounds and whose cache of secrets would have worried even the most upright of royals      **Owen Rees** Eleazar Roberts,1893      **Diaries Volume One** Alastair Campbell,2010-07-13 As Alastair Campbell said in the introduction to The Blair Years it was always his intention to publish the full version covering his time as spokesman and chief strategist to Tony Blair Prelude to Power is the first of four volumes and covers the early days of New Labour culminating in their victory at the polls in 1997 Volume 1 details the extraordinary tensions between Tony Blair and Gordon Brown as they resolved the question as to which one should stand to become Labour leader It shows that right from the start relations at the top were prone to enormous strain suspicions and accusations of betrayal Yet it also shows the political and personal bonds that tied them together and which made them one of the most feared and respected electoral machines anywhere in the world A story of politics in the raw Prelude to Power is above all an intimate detailed portrait of the people who have done so much to shape modern history      **The Story of the Peasant-boy Philosopher** Henry Mayhew,1854
