The Christian's Prayer Book David C Jantjies, 2019-01-11 In the beginning man had to be in a very distinct relationship with God in order to have passage to his heart However this would dramatically change when Jesus came to earth Early in his ministry Jesus realized man's inability to pray And thus Jesus taught his followers to pray the Lord's Prayer as recorded in Matthew 6:9-13 It is evident that Jesus was teaching his followers that his Father does not expect lengthy supplications We simply had to enter in prayer giving God glory soliciting the things we need begging for forgiveness petitioning a way around evil and finally pouring out our adulations on God in all his majesty David Christian Jantjies in this epic work digs a little deeper and uncovers the untapped treasures of the much neglected individualized focused prayer The time has now come to approach the throne of God with focused prayers less detailed accentuated prayer worship of the Living God themed petitions and crisp thanksgiving for what God has done and is still doing It further preaches for a more frequent interaction with God The Christian's Prayer Book Focused Prayers 101 is a glorious work

Readers will be able to identify with most of these prayers The spectrum is wide The glorification of God is immense The petitions are daily contentions The praise giving to God is huge Each prayer is supported by potent quotations However do not miss the teachings on what prayer is where to pray when to pray and how to pray *Plain Thoughts on the Sealed Book* James Smith (of 2 Cragnestock Place, Glasgow.),1872 A Paraphrase and Annotations Upon All the Books of the New Testament Henry Hammond,2025-08-12 Reprint of the original first published in 1845 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage A Commentary on the Books of the Old and New Testament William Dodd,1770 **A Homiletical Commentary on the Book of Ezra: With Critical and Explanatory Notes, Illustrations, and Indexes** William Jones,2025-07-22 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
