So You Want To Be A Financial Planner:

So, You Want to Be a Financial Advisor... Richard Fransen, 2019-08-21 Richard Fransen began his career in 1974 Not only has Richard performed financial planning but also specialized in insurance estate and business succession planning During his career he has held several positions with major insurance and financial companies As a sales manager he recruited and trained new individuals to this profession and ranked fifth in the nation for one major carrier He was vice president and director of marketing at another company developing marketing campaigns as well as developing and conducting training programs He was also a national sales director for a Fortune 100 company conducting training for company representatives He still conducts training and manages his personal practice in the insurance and investment profession Be a Financial Planner Nancy Langdon Jones, 2007 Finally together in one place a comprehensive step by step career as a financial planner Here is everything you need to know from getting the right credentials to getting the right clients Over the next few decades billions of dollars will be changing hands as millions of Baby Boomers retire Learn how you can play an important role in ensuring the financial health of future generations So You Want to Be a Financial Planner Tells you what credentials you need Shows you where to find the best schools for licensing and registration Clearly defines how commission and fee only planners differ Provides a planner's toolbox of hardware software and internet sites Cuts through the maze of regulatory red tape Gives you proven marketing techniques to jump start your practice So You Want to Be a **Superinvestor?** Ashray Jha, 2023-12-29 It is human nature to make simple things more complicated than they actually are Investing is no exception From our early days in school we are briefly taught about the stock market given complex formulas to take a quantitative approach and use Greek letters to define terms in the stock market The constant use of phrases like smart money by the media makes you believe you have to know everything about investing to have a chance to succeed However there are always two sides to every coin So You Want to Be a Superinvestor examines what we were taught about investing from academia and then questions this conventional thinking Do the greatest investors like Warren Buffett and other Superinvestors also use the conventional wisdom or do they think about investing differently Is this nonconventional investing approach accessible to all or only ultrawealthy millionaires In this easy to understand book the author details his own journey into investing from his early influences from his dad to what he learned in the realm of academia to researching other great Superinvestors Across various books and media these wildly successful investors have shared their teachings on evaluating companies how to think about market cycles investor mindsets and how the macro economy effects investing So You Want to Be a Superinvestor is a comprehensive book that takes the various lessons learned from the Superinvestors and illustrates these points by using examples from the authors own life The author also makes observations on market moving events the changing psychology of investors and provides research and examples from history to guide you in your investing journey These principles can be used by beginners to intermediate investors to emulate the success of the greats So You
