Brett, 2013-05-13 So You Want to Be a Teacher is a bit of light reading in a troubled world today I left names by the wayside and emphasized actions especially innovative behavior The students I enjoyed were full of mischief but for the most part it was simply that mischief Very few of the students I taught in my forty years were bad they just needed a bit of love and understanding Who cares what Socrates said when you are a student who had no supper the night before I try to be a stepping stone not a stumbling block **So You Want to Be a Fighter** Chris Algieri, 2022-06-21 I hated every minute of training but I said Don t quit Suffer now and live the rest of your life as a champion Muhammad Ali Behind every goal accomplished is a journey filled with confidence success and admiration but also challenges disappointments and moments of despair But even when there are hardships unseen struggles dark times of indecision injuries and financial problems there are also moments of motivation self awareness and coping strategies to help you push through the negative to reach the positive Everyone has a story of success Everyone has a story of failure or missed opportunities So You Want to Be a Fighter collects these kinds of stories in one
