So Much Blood:

World of Blood Mark Smith, Martin's family has grown to proportions never seen in vampire history with his children embedded in all aspects of human power and finance. The one thing beyond his reach is the destruction of the planet's environment. Bonded and intertwined with the rainforests and jungles of South America, Sophia and her children attempt to restore and rehabilitate the ravaged continent, fighting to save what is left of the wilderness, the natives, and the lands that she loves. While all agree to save the lands, Sophia's decision for a more direct aggressive method deeply divides the family, the schism pitting the family against each other. Will the world ever be the same once Martin takes matters into his own hands?
