So You're Human:

So You Think You're Human? Felipe Fernández-Armesto, 2005 You think you're human But what does that mean How can humanity be defined Felipe Fernandez Armesto takes us on an enlightening and provocative journey through the history of humankind to reveal the challenges to our most fundamental belief that we are and have always been human Fernandez Armesto investigates advances in artificial intelligence and genetics and asks what these mean for the future of human values human rights and the defence of human dignity The book illustrates how our concept of humankind has changed over time and how our current understanding of this has been shaken by new challenges from science and philosophy **The**

Promise of Melusine Stephen C. Graves, 2013-06-10 In our galactic neighborhood surveyors for the Federation of Intelligent Species determined that humans are a dangerous outlier race whose violent nature and rapidly developing technology will be destabilizing to their vast ancient culture Following an established species extinction plan FIS agents installed mass drivers to guide large asteroid missiles toward Earth In The Swordfish Island Covenant French Huguenots who experienced persecution under Louis XIV agreed to burden their descendants with defending Earth over three hundred years in the future The Promise of Melusine is the fulfillment of that agreement Hidden from the FIS from other humans and ignorant of what is happening in them the people of Swordfish Island gradually transform A teenage girl is the key to their activation Lida lives in a Los Angeles suburb She must discover her heritage and survive to find her people Still even if she succeeds can a hundred thousand amplified human beings have any significant impact against a culture of ten million worlds and four million space faring alien species **Sociology for Human Rights** David L. Brunsma, Keri E. Iyall Smith, Brian K.

Gran, 2019-07-19 As sociologists deepen their examinations of human rights in their teaching research and thinking it is essential that such work is conducted in a manner that is both mindful and critical of the knowledge we are building upon in sociology and human rights As the authors of this volume reveal creating sociological knowledge that examines human rights for the expansion of human rights is something that sociologists are well equipped to undertake whether through the use of mathematics comparative historical analysis the study of emotions conversations or social psychology In these chapters you will find the roots of the study of human rights deep within sociological research and thinking as well as emerging techniques that will push the discipline as it seeks to expand understanding of human rights together with so many other aspects of the social condition **Master Your Thoughts ... Literature Robert Chambers,1902 *Finding Faith in Slow Motion* Damon J. Gray,2013-11-12 Faith is neither static nor instantaneous It is not something we stumble upon and instantly understand Neither is it a monolithic one dimensional singular entity that has but one face one color one fragrance It is many faceted multi dimensional and appears differently depending on ones angle to the Son In Finding Faith in Slow Motion Damon Gray examines faith from myriad angles and

through gut wrenching life experiences as he asks regarding faith What is that stuff Spanning the emotional gamut from laughter to tears Gray challenges us to define our faith and redefine it to look at it from a multitude of perspectives and define it again The writing is intentionally evocative and playful offering the reader the ability to identify with Gray as he wrestles with the weighty subject matter of finding faith

My Journey Down the Reincarnation Highway Frank Mares,2012-11 In this personal account one man details how he discovered the fact of reincarnation and explores what he did in his prior lives More people than you would believe have prior life memories In his new spiritual memoir My Journey down the Reincarnation Highway The True Story of a Man who found nine of His Past Lives author and businessman Frank Mares tells how he acquired psychic ability in his middle age With this new gift he recovered facts about nine of his prior lives most of which involved violent bloody deaths The most recent life was that of a young German Wehrmacht sergeant who was ambushed and killed by Russians during the night of May 1 1944 in a dark Estonian farmhouse Not being satisfied with just discovering his past lives Mares goes on a spiritual mission to find out why he kept dying violently The answers do not come easily but by using a team of three world class psychics he eventually tracks down the shocking reason for all his brutal deaths The psychic team finds that within the soul of this normal small businessman resides a brutal stone cold killer from the 1600 s who surprisingly was the revered founder of a gentile noble family As part of his soul s continuing quest for redemption Mares hopes to salvage the dark time in his soul s past into something that could help others today His experiences show that death is only a transition phase and that it should not be feared His book also reveals that reincarnation is actually a well designed organized system that allows souls to learn personalized life lessons over a surprising number of lives If you read this book you will never look at life and death in the same way again
