Were you the one I saw at the mall with the T shirt WHO ARE THESE KIDS AND WHY ARE THEY CALLING ME DADDY You're a dad or mom or a cross juggler or a grandparent or a teacher You're looking at this book because you love a child or it just popped up I wrote this book because I love children I also wrote *Where Children Fly* because I wanted to be parentally inspiring Everyone says parenting is so important but many of us just pray we don't go insane trying to potty train or get through the teenage hormones We hardly consider what we do as inspirational So much of what we do in loving children is out of what we were given not what we really want them to be Parenting is a very overwhelming demanding work of the heart We finally feel we've got the knack of changing their diaper when those cute little mood swings begin We manage to get them to school and we find the issues changing whether we are ready or not After all are we really all that grown up ourselves Once in a while we look back to the way we were raised or around to our peers raising children and then up with a silent serious plea the heavens have heard before God help me You think you want a smart cute rich funny kind of child but all those things are well just opinions as a general rule We've got beauty pageantry SAT rock stars and others to decipher our perspectives There's really a great deal more to those of us who want children with respectable manners compassion vision and parental pride I see you looking at me saying I can't even get them to pick up their toys and I'm supposed to create the next amazing humanitarian Before you walk away consider the possibility Not long ago my husband and I were at a local eatery In walked an elderly woman in an old brown coat followed by four stair step brothers maybe age ten to sixteen They found a table One helped Grandma with her coat and cane An older one brought her a plate As they flanked her sides and talked I noticed the youngest one took a bite then without missing a beat leaned over and cut her meat in bite size pieces We never saw a parent just Grandma and her grandsons I assumed because even if they weren't sons they were GRAND indeed I wanted to tell them how proud I was of them but my tears would have scared them silly It was I am certain quite a natural thing for them to do I want to see generations of this kind of precious afterglow and so I have come to this writing I call INSPIRATIONAL PARENTING Inspiration comes first by example I know that seems obvious but believe me I counsel many a child who lost their way because there was no example I'm not writing *Where Children Fly* as a course from my archives of perfection or from my trials and experiments I began to think about how inspiring God speaks of me and how it sets my standard for successful living I realized that maybe we had forgotten that just to live is holy to breathe is divinity to inspire is to create eternal beauty I hope this book will inspire you If you have by godly destiny been placed in the life of a child it is because you can make a difference in their life It's not about teaching children to

God Still Works Miracles S. Yvonne Hall,2020-10-23 God Still Works Miracles is a series of sermons intended to inspire and encourage readers that God is still working miracles today We may not see the literal miraculous parting of the Red Sea but today God will figuratively part Red Seas of difficulty and adversity and allow one to cross over into blessing and peace We may not see a woman s minuscule amount of oil miraculously

becoming an unlimited amount of oil but today God will miraculously multiply that which we have and supply all needs according to His riches in glory by Christ Jesus These sermons will remind the reader that what God did before He can and will do again according to His will God has not changed and He is still able to do exceedingly abundantly above all that we ask or think according to the power that works in us Ephesians 3:20 **A Perfect Relationship** Fred Larraga, 2015-11-13 In my truest inner thoughts it is my belief in trying to capture in words in the inspiration to complete and compile my sincerest inner thoughts placed within myself in my belief of and to truly fit in this task of writing A Perfect Relationship the truest meaning of perfection I have found that there is no way that I can truly finish the explanation of a true perfect relationship It would take me a lifetime or multitudes of lifetimes up to and past infinity in infinity life because God's perfection is beyond me To truly express how God is perfect in his true wisdom only God knows and of his ways that are not the ways of anyone's true humanly souls minds or heart *Mysteries of Faith* Mark McIntosh, 2000-01-25 In this volume of The New Church's Teaching Series Mark McIntosh introduces the great mysteries of the Christian faith the doctrines of creation revelation incarnation salvation and eschatology which are all held together by the doctrine of the Trinity To explain these beliefs for Christians today particularly the Trinity McIntosh begins with what we know the language of relationship and mutuality of friendship and family ties The central theme of the book is our relationship with Jesus and our relationship with our neighbor for such mutuality lies at the heart of every doctrine McIntosh's starting point is the fact that every one of us is a theologian for we are all drawn to approach the mysteries of faith with attention and love By drawing on our common experiences as members of a community of faith particularly through the sacraments of baptism and eucharist he helps us to explore these mysteries for ourselves and to see how we might live them in our daily lives As with each book in The New Church's Teaching Series recommended resources for further reading and questions for discussion are included
