Social Change And Womens Reproductive Health Care:

Social Change and Women's Reproductive Health Care Nada Logan Stotland, 1988 Changing attitudes and social behavior as well as rapid technological progress are having great impact on women's reproductive health care. In addition to addressing the clinical implications of these new issues, this volume provides a useful and concise text for practitioners of obstetrics and gynecology. Because it deals with the ubiquitous emotional aspects of reproductive health care, it will also be of interest to nonspecialists and interested lay readers.

Marketing Public Health: Strategies to Promote Social Change Michael Siegel, Lynne Doner Lotenberg, 2006-12-21 Marketing Public Health Strategies to Promote Social Change was designed to help public health practitioners understand basic marketing principles and strategically apply these principles in planning, implementing, and evaluating public health initiatives. The first edition has been widely used by public health practitioners at all levels of government and in the private sector as a tool to help run more effective campaigns to change individual behavior, improve social and economic conditions, advance social policies, and compete successfully for public attention and resources. This thoroughly revised second edition includes new case studies written by respected and well-known guest contributors from the front lines and will help illustrate the principles and strategies in a way that makes it immediately apparent to readers how the material can be used in modern real-life public health campaigns. Current themes in the social marketing world, such as the concept of branding, have also been incorporated into the book in both its narrative and its case studies and examples.

Health Care for Women Loretta D. Ulincy, 1993 **Women, Philanthropy, and Social Change** Elayne Clift, 2005 The definitive book on women and philanthropy, essential reading for scholars, students, donors, grantees, and philanthropists.

Redeveloping Communication for Social Change Karin Gwinn Wilkins, 2000 Proposes situating theory and practice within contexts of power, recognizing both the ability of dominant groups to control and the potential for marginal communities to resist. Contributors from communication and anthropology explore the global and institutional structures within which agencies construct social problems and interventions, the discourse guiding the normative climate for conceiving and implementing projects, and the practice of strategic interventions for social change. Examines early and emerging models of development, power dynamics, ethnographic approaches, gender issues, and information technologies.

Evaluating Women's Health Messages Roxanne Louiselle Parrott, Celeste Michelle Condit, 1996-02-01 The increasing attention placed on women's reproductive health issues in recent years has produced a corresponding interest in the role that communication plays, from promoting better health care to fostering greater well-being. Evaluating Women's Health Messages is the first systematic examination of women's health communication. Compiling the works of over 30 contributors, editors Roxanne Louiselle Parrott and Celeste Condit explore the various forms health messages take, medical, social, scientific, and public, and the ways in which they compare with and contradict each other. The book is at once groundbreaking and comprehensive, examining the range of health issues from political/historical

technological social support and feminist perspectives all within the broad framework of communication With two chapters on each topic the book provides a variety of perspectives on such issues as abortion infertility drug and alcohol use in pregnancy childbirth prenatal care AIDS breast cancer reproductive technologies menstruation menopause and hysterectomy Evaluating Women s Health Messages is a vital tool for every professional interested in women s health concerns as well as students taking courses in health communication woman s health public health sociology of health health education and gender studies

Reproductive Justice Barbara Gurr, 2014-12-09 In Reproductive Justice sociologist Barbara Gurr provides the first analysis of Native American women's reproductive healthcare and offers a sustained consideration of the movement for reproductive justice in the United States The book examines the reproductive healthcare experiences on Pine Ridge Reservation home of the Oglala Lakota Nation in South Dakota where Gurr herself lived for more than a year Gurr paints an insightful portrait of the Indian Health Service IHS the federal agency tasked with providing culturally appropriate adequate healthcare to Native Americans shedding much needed light on Native American women's efforts to obtain prenatal care access to contraception abortion services and access to care after sexual assault Reproductive Justice goes beyond this local story to look more broadly at how race gender sex sexuality class and nation inform the ways in which the government understands reproductive healthcare and organizes the delivery of this care It reveals why the basic experience of reproductive healthcare for most Americans is so different and better than for Native American women in general and women in reservation communities particularly Finally Gurr outlines the strengths that these communities can bring to the creation of their own reproductive justice and considers the role of IHS in fostering these strengths as it moves forward in partnership with Native nations Reproductive Justice offers a respectful and informed analysis of the stories Native American women have to tell about their bodies their lives and their communities

Routledge International Handbook of

Women's Sexual and Reproductive Health Jane M. Ussher, Joan C. Chrisler, Janette Perz, 2019-09-23 The Routledge International Handbook of Women's Sexual and Reproductive Health is the authoritative reference work on important leading edge developments in the domains of women's sexual and reproductive health. The handbook adopts a life cycle approach to examine key milestones and events in women's sexual and reproductive health. Contributors drawn from a range of disciplines including psychology, medicine, nursing and midwifery, sociology, public health, women's studies and indigenous studies explore issues through three main lenses: the biopsychosocial model, feminist perspectives, international multidisciplinary perspectives that acknowledge the intersection of identities in women's lives. The handbook presents an authoritative review of the field with a focus on state-of-the-art work encouraging future research and policy development in women's sexual and reproductive health. Finally, the handbook will inform health care providers about the latest research and clinical developments including women's experiences of both normal and abnormal sexual and reproductive functions. Drawing upon international expertise from leading academics and clinicians in the field, this is essential reading for scholars and students interested in women's reproductive health.

Families and Social Change in the Gulf Region Jennifer E. Lansford, Anis Ben Brik, Abdallah M. Badahdah, 2020-09-14 This timely volume explores the impact of dramatic social change that has disrupted established patterns of family life and human development in the countries of the Gulf Cooperation Council. It addresses several major deficits in knowledge regarding family issues in the Gulf countries, bringing a critical perspective to the emerging challenges facing families in this region. Lansford, Ben Brik, and Badahdah examine the role of urbanization, educational progress, emigration, globalization, and changes in the status of women on social change, as well as tackling issues related to marriage, fertility, and parenthood, and family well-being. This book explores how family relationships and social policies can promote physical health, psychological well-being, social relationships, safety, cognitive development, and economic security in the Gulf countries, placing a unique emphasis on contemporary families in this region. *Families and Social Change in the Gulf Region* is essential reading for scholars from psychology, sociology, education, law, and public policy. It will also be of interest to graduate students in these disciplines.
