 selling author of The MindBody Code In these turbulent times just about every solution you can think of has been put forth by
 someone somewhere as a way to calm the waters and live with more happiness and ease But the fact is you cannot think your
 way to a better life Change isn t something your mind can accomplish alone It calls for mind and body to work together in a
 deeper unity than you may ever have imagined Neuropsychologist Mario Martinez is a pioneer in the science of the mindbody
 his term for that essential oneness of cognition and biology and a passionate advocate for its power to reshape our lives if we
 work with it consciously In The MindBody Self he builds on the foundation he laid in the critically acclaimed MindBody Code
 to explore the cultural conditions that coauthor our reality and shape every aspect of our lives from health and longevity to
 relationships and self esteem Then he offers practical tools we can use to shed outworn patterns and create sustainable
 change You ll read about How our cultural beliefs affect the diagnosis prognosis and treatment of disease The difference
 between growing older which we all do and aging by our culture s standards which we can learn not to do What happens
 when we move beyond the pale of our tribe s expectations How to navigate adversity using uncertainty as a guide
 Biocognitive tools for a healthy life The MindBody Self presents groundbreaking ideas derived from rigorous scholarship but
 you don t need a background in science to use what you find here Each chapter concludes with exercises and experiential
 processes that make complex scientific discoveries not only accessible but applicable The result is a paradigm shift in which
 the myths of doom are shattered by the science of hope survival takes a back seat to meaning and fear gives way to love
