Refuting the Anti-Israel Narrative Jeremy Havardi, 2016-04-12 In recent decades Israel has come under sustained diplomatic pressure from the West According to the press and the policy establishment she acts aggressively and with disregard for civilian lives in pursuit of an unnecessary and illegal occupation of Palestinian territory Others view the country as an embarrassing outpost of colonialism racism and apartheid whose actions and those of the pro Israel lobby have provoked a fiery Islamist backlash This book refutes these misrepresentations showing that Israel's actions are well within the norms of international law and morality and arguing that the country far from being a deviant state is a bastion of Western values The author offers a nuanced narrative outlining the legal moral and historical justice behind Jewish statehood and discussing the reasons behind the failed peace process in recent years

Israel and the United States Robert Freedman, 2018-04-19 This unique volume intensively studies the nature and extent of US Israeli relations from 1948 through the Bush and Obama administrations Leading experts in the field including Israeli and North American scholars from a variety of political perspectives contribute original essays on the principal political religious ethnic military economic and juridical connections between the United States and Israel Specific topics covered in this new book include the pro Israel lobby in the United States the US Jewish community and its relations to Israel evangelical Christians and Israel military and economic ties between the United States and Israel the threat of a nuclear Iran for both countries and the impact of American jurisprudence on Israel Section introductions from the editor effectively contextualize the issues and provide students with an in depth understanding of the past present and future of the US Israel relationship

The World's Most Threatening Terrorist Networks and Criminal Gangs B. Schneider, J. Post, M. Kindt, 2009-07-20 Terrorist organizations and international criminal networks pose an increasing danger to the world This book looks at diverse groups from Al Qaeda to Mexican drug cartels and includes a chapter on terrorist WMD threats This look at sub state rivals is recommended to all serious students of international security

Inside Terrorism Bruce Hoffman, 2017-09-05 Bruce Hoffman's Inside Terrorism has remained the seminal work for understanding the historical evolution of terrorism and the terrorist mind set In this revised third edition of his classic text Hoffman analyzes the latest developments in global terrorism offering insight into

new adversaries motivations strategies and tactics He focuses on the rise of ISIS and the resilience of al Qaeda terrorist exploitation of the Internet and embrace of social media radicalization of foreign fighters and potential future trends including the repercussions of a post caliphate ISIS Hoffman examines the demographics of contemporary terrorist leaders and recruits the continued use of suicide bombers and the likelihood of a chemical biological radiological or nuclear terrorist strike He also considers the resurgence of violent antigovernment militants including white supremacists and opponents of abortion He argues that the war on terrorism did not end with Osama bin Laden s death and that ongoing instability and strife in Syria Iraq Afghanistan Libya and Yemen among other places will both sustain terrorist movements and have broad implications for domestic and international security around the globe The Israeli-Palestinian War Anthony H.

Cordesman,2005-10-30 The Israeli Palestinian conflict is more than a local or regional dispute Its ongoing and escalating nature increases the risk that the violence will spill over its present borders and contribute to both extremism and terrorism While the Intifada from 1987 to 1993 was largely a popular uprising and a political struggle the recent clash is a war with a steady escalation between conventional and unconventional forces It is in the interest of all major powers the international community and the United Nations to press both sides to accept a realistic peace plan Noted Middle East expert Anthony Cordesman details this continuing struggle by explaining the issues at stake for each side the various combatants both directly and indirectly engaged as well as the course of the war in its various incarnations The situation on the ground is complex and the quest for peace is ever more uncertain If the Intifada was a struggle for recognition that a peace had to be reached that was just for both sides the Israeli Palestinian War has polarized both sides away from peace convincing them of the justice of their own cause and tactics and the fundamental injustice of the other side s tactics and goals Each side has used human rights international law and civilian casualties as political weapons The history of a near century of conflict is used to justify war rather than a search for peace *World Terrorism: An Encyclopedia of Political Violence from Ancient*

Times to the Post-9/11 Era James Ciment,2015-03-10 First Published in 2015 This collection holds three volumes Terrorism is a term that defies easy definition and its meaning has also changed over the course of history Because this encyclopedia aims at comprehensiveness across time geography and the conceptual landscape it applies the broadest definition of terrorism the use of violence or the threat of violence to effect political change through fear in which the victims of the violence The encyclopedia is divided into six parts

More Bad News From Israel Greg Philo,Mike Berry,2011-04-08 Building on rigorous research by the world renowned Glasgow University Media Group *More Bad News From Israel* examines media coverage of the conflict in the Middle East and the impact it has on public opinion The book brings together senior journalists and ordinary viewers to examine how audiences understand the news and how their views are shaped by media reporting In the largest study ever undertaken in this area the authors focus on television news illustrating major differences in the way Israelis and Palestinians are represented including how casualties are shown and the presentation of the motives and

rationales of both sides Combining these findings with extensive audience research involving hundreds of participants from the USA Britain and Germany More Bad News From Israel is a masterclass in understanding how people perceive the conflict thanks to media bias

Globalization and Terrorism Jamal R. Nassar, 2009-07-16 Courageously stepping into charged terrain this book casts a clear light on globalization and terrorism for what they are not what some may wish them to be Jamal R Nassar carefully defines these twin concepts placing them in historical as well as political context Woven throughout the book is his central theme of the migration of dreams and nightmares As some are able to take advantage of the opportunities of globalization leaving others behind they leave behind a legacy of unrealistic dreams These unfulfilled hopes of the poor and oppressed often transform themselves into nightmares for the wealthy and powerful This vicious cycle the author argues is often enhanced by globalization and effected by terrorism Focusing on the key case studies of Palestine and Northern Ireland Nassar applies their lessons to other examples of conflict including Iraq Afghanistan the Congo Chechnya and Colombia in order to internationalize our understanding of how globalization and terrorism operate in a range of situations He also devotes a chapter to Islamist terrorism in a tour de force of incisiveness and balance This book considers globalization and terrorism not only from the perspective of the major powers but also introduces the views of those dominated by forces beyond their control Yet even as the author offers a profound critique of Western hegemony he conveys respect and hope for an enlightened global interdependence embracing the power of the dream over the nightmare

Judaism Today Dan Cohn-Sherbok, 2013-02-13 For nearly four millennia Judaism was essentially a unified religious system based on shared traditions Despite the emergence of various sub groups through the centuries such as the Sadducees Pharisees Essenes Karaites Shabbateans and Hasadim Jewry was united in the belief in a providential God who had chosen the Jews as his special people and given them a code of law In the modern period however the Jewish religion has fragmented into a series of separate denominations with competing ideologies and theological views Despite the creation of the State of Israel the Jewish people are deeply divided concerning the most fundamental issues of belief and practice Judaism Today gives an account of the nature of traditional Judaism provides an introduction to the various divisions that currently exist in the Jewish world and identifies and discusses contemporary issues with which the Jewish faith engages in the twenty first century This refreshing new approach focuses on how Judaism is actually perceived and practised by Jews themselves and the problems currently facing Jews worldwide

Proxy Wars from a Global Perspective Pawel Bernat, Cüneyt Gürer, Cyprian Aleksander Kozera, 2023-11-02 Proxy warfare is a growing international phenomenon Although states have used proxies in armed conflicts for centuries evolving regional and global security architecture is now forcing states to radically change the way contemporary conflicts are fought Based on ten case studies this reassesses exactly how these changing global and systemic factors are shaping the ways in which states use non state actors as proxies in their armed conflicts Examining the use of proxy warfare worldwide focusing on the last decade s conflicts this volume brings

together contributions from scholars of international relations and global security studies in order to explore cases of armed conflict of particular regional and global significance These include recent developments in the conflict in Israel and Palestine the Central African Republic Libya Mali Central Asia Syria Ukraine Nagorno Karabakh Brazil and Yemen By drawing on both theory and practise it offers a re evaluation of contemporary understanding of outsourced warfare with policy implications for how we understand and negotiate with states using proxy warfare in the future

Religious Violence Today Michael Jerryson, 2020-07-15 Through sections containing overview essays and reference entries related to particular religions this resource explores the rise of religious violence hate crime and persecution around the world Religious violence and persecution have been growing steadily both within the United States and around the world Drawing on the expertise of a wide range of scholars this current and comprehensive reference helps readers understand the persecution of members of particular faiths as well as violence committed by members of those faiths In doing so it promotes a greater understanding of the role of religion in global politics domestic and international terrorism and religious bigotry The book contains sections on particular religious traditions from around the world Each section begins with an overview essay surveying violence related to that particular religion whether committed by or against members of that faith Reference entries in each section then provide objective fundamental information about particular topics related to violence and the religion discussed The entries provide cross references and suggestions for further reading and the work closes with a bibliography of resources for further study

Israel-Palestine on Record Howard Friel, Richard Falk, 2020-05-05 In this scathing analysis of Israel Palestine coverage in the US media Howard Friel and Richard Falk reveal the persistent ways the New York Times has ignored principles of international law in order to shield its readers from Israel s lawlessness While the Times publishes dozens of front page stories and extensive commentary on the killings of Israelis it publishes very few such stories on the killings of Palestinians and mostly ignores the extensive documentation of massive violations of Palestinian human rights by the government of Israel Furthermore the Times regularly ignores or under reports a multitude of critical legal issues pertaining to Israel s policies including Israel s expropriation and settlement of Palestinian land the two tier system of laws based on national origin evocative of South Africa s apartheid regime the demolition of Palestinian homes and use of deadly force against Palestinians These journalistic practices have not only shielded the extent of Israel s transgressions from the American electorate which is Israel s main source of financial and military support it has severely diminished our understanding of the Middle East and of US foreign policy in general

Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Suicide Bombings In Israel And Palestinian Terrorism Terrorism In Todays World : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
