**SULTANA TRAGEDY, THE** Jerry O. Potter, 1992-02-29 Lee Surrenders President Murdered Booth Killed screamed the headlines of American newspapers in April 1865 leaving little room for mention of a maritime disaster that to this day is America's worst On April 27 1865 the Sultana a 260 foot wooden hulled steamboat smaller than the Titanic but carrying more passengers exploded on the Mississippi River near Memphis Tennessee More than 1 800 men mostly Union soldiers on their way home from Confederate prison camps died On board were over 2 400 passengers six times the ship's legal capacity Although jubilant about the war's end most of the men were weakened by malnutrition and disease from their imprisonment at Andersonville and Cahaba Hundreds who were not killed in the explosion drowned in the cold swift waters of the muddy river Because of the timing of the sinking coverage of the Sultana's demise was scant and the tragedy has passed almost unnoticed in the pages of American history In this highly documented book author Jerry Potter focuses on how greed indifference gross stupidity and criminal misconduct reaching as far as the White House led to the overloading of the Sultana at Vicksburg Such irresponsible conduct characterized the actions of President Lincoln an entire chain of army command and several profit hungry civilians This authoritative work contains abundant photographs and illustrations as well as the most complete list of the ship's passengers available Indiana and the Sultana Disaster Robert R. Smith, 2016-07-21 This book follows the life of John H King from 1831 until his death in 1893 Although John was a survivor he lived a problem plagued and pathetic existence that make the fascinating events of his life an unusual and emotional story It is the story of a man whom fate chose to survive when others did not The book follows John from his birth in Cincinnati Ohio his training as a blacksmith his migration to Indiana his enlistment in the 9th Indiana Cavalry his survival of the tragedies that await him From skirmishes and capture by the Rebs his life threatening imprisonment at Andersonville prison and his survival of the greatest maritime disaster in the history of the United States he returns home a changed and disabled man unable to live what could have been a far different life Keywords Sultana War Civil War Indiana Soldier Boat History Historical Biography Fight

**Disasters and Tragic Events** Mitchell Newton-Matza, 2014-03-26 From the Salem Witch Trials of 1692 to the Sandy Hook school massacre of 2012 this two volume encyclopedia surveys tragic events natural and man made famous and forgotten that helped shape American history Tragedies and disasters have always been part of the fabric of American history Some gave rise to reactions that profoundly influenced the nation Others dominated public consciousness for a moment then disappeared from collective memory Organized chronologically Disasters and Tragic Events examines these moments covering both the familiar and the obscure and probing their immediate and long term effects Unlike other works that concentrate on a particular type of disaster for example weather or medicine related tragedies this two volume encyclopedia has no such limits Its entries range from natural disasters such as hurricanes and tornadoes to civic disturbances environmental disasters epidemics and medical errors transportation accidents and more The work is a perfect supplement

for history classes and will also prove of great interest to the general reader      *Cincinnati Magazine* ,1994-06 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region      **Sultana** Alan Huffman,2010-04-06 In April 1865 the steamboat Sultana slowly moved up the Mississippi River its overtaxed engines straining under the weight of twenty four hundred passengers mostly Union soldiers recently paroled from Confederate prison camps At 2 a m three of Sultana s four boilers exploded Within twenty minutes the boat went down in flames and an estimated seventeen hundred lives were lost The worst maritime disaster in American history the sinking of the Sultana is a forgotten tragedy lost in the turmoil of the times the war s end the assassination of President Lincoln the pursuit of John Wilkes Booth Alan Huffman presents this harrowing story in gripping and vivid detail and paints a moving portrait of four individual soldiers who survived the Civil War s final hell to make it back home

*The 26th Ohio Veteran Volunteer Infantry* Jeffrey A. Hill, 2020-02-10 Here is the third edition of the history of a group of men who valiantly fought to preserve the Union during the American Civil War The first edition was published in 2010 to wide acclaim An updated second edition was printed in 2013 Now seven years later this third edition expands on the previous ones with a new chapter and many more stories burial locations maps and photos The men of the 26th Ohio Veteran Volunteer Infantry were among the first to answer their country's call to duty and among the last ones to finally be mustered home The Old 26th fought in numerous western theater campaigns and battles including Shiloh Corinth Stones River Chickamauga Missionary Ridge Kennesaw Peachtree Creek Atlanta Spring Hill Franklin and Nashville After the war's end the veterans yearned to publish their regiment's proud history as so many other units had done Regrettably the high cost of publishing proved too steep for the aged veterans and their dream died with them The descendant of three veterans of the 26th Ohio Jeffrey A Hill resurrected their dream and brought it to fruition Meticulously researched their history is based on

over five hundred primary source documents including letters diaries military and pension records regimental and company records and other first person accounts Their narrative conveys their omnipresent sense of duty and loyalty This book chronicles the involvement of the 26th Ohio from the initial fervor following Fort Sumter and throughout the war as well as the postbellum activities The appendices include a roster list of burial sites photo gallery and index This history is a lasting tribute to the men who so bravely fought to protect what they held most dear their beloved country At long last here is their story

**Hidden History of Monroe County, Michigan** Shawna Lynn Mazur,2022-10 Often overshadowed by its larger neighbors Monroe County offers a rich tapestry of history for those willing to look French Canadian settlers left behind legends of monsters ghosts and witches In war time the community answered the call to arms with more soldiers per capita than any other county in the nation and proved a suitable hometown to take refuge between gun shots from none other than George Armstrong Custer Like most communities its sordid past reveals crimes and tragedies including body snatching More recently a partial nuclear meltdown brought the city to the brink of disaster but Monroe not only survived but now thrives Join local author Shawna Lynn Mazur for a trip through little known and forgotten parts of Monroe County s past

Troubled Waters Paul F. Paskoff,2007-12-01 In Troubled Waters Paul F Paskoff offers a comprehensive examination of the federal government s river improvements program which aimed to reduce hazards to navigation on the great rivers of America s interior during the early and mid nineteenth century Danger on the rivers came in a variety of forms Shoals rapids ice rocks sandbars and uprooted trees and submerged steamboat wrecks lodged in river beds were the most common perils and accounted for the largest number of steamboat disasters This daunting array of river hazards required a similarly broad range of efforts to remove or at least ameliorate them Against a variety of obstacles natural political and technological the river improvements program succeeded in reducing the rate of steamboat loss even as steamboat traffic dramatically increased Its success Paskoff argues demonstrates that the federal government was far more active than generally thought in promoting economic growth and development in the years leading up to the Civil War The river improvements program was one of the most volatile issues in national sectional and state politics touching on questions of economic development constitutional law partisan politics and sectional rivalry Paskoff examines the controversial program from its beginnings during the early republic to 1844 giving careful attention to the policies of Andrew Jackson s administration He explores the array of objections to the program some grounded in a strict interpretation of the Constitution and others in a concern over alleged federal wantonness corruption and waste and follows the political story through the administration of James K Polk forward to secession Paskoff also explains the fiscal economic and technological aspects of the hazard problem and its solution analyzing the federal government s fiscal condition its capacity to undertake such an ambitious program and the influence of conditions in the larger economy including effects of the Mexican War upon the federal government s finances Paskoff s lively analysis rests on a bedrock of impressive quantitative evidence including databases containing every

documented steamboat wreck more than 1 200 on American rivers lakes and coastal waters construction and engine data for more than 600 steamboat packets and all relevant federal appropriations and expenditures measures more than 2 300 spending projects in all Vigorously researched and vividly told Troubled Waters is an essential contribution to the history of internal improvements in the antebellum United States

### **Sultana Tragedy Introduction**

In today's digital age, the availability of Sultana Tragedy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sultana Tragedy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sultana Tragedy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sultana Tragedy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sultana Tragedy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sultana Tragedy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sultana Tragedy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sultana Tragedy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sultana Tragedy books and manuals for download and embark on your journey of knowledge?
