The Politics of Social Inclusion and Labor Representation Heather Connolly, Stefania Marino, Miguel Martínez Lucio, 2019-05-15 In *The Politics of Social Inclusion and Labor Representation* Heather Connolly Stefania Marino and Miguel Mart nez Lucio compare trade union responses to immigration and the related political and labour market developments in the Netherlands Spain and the United Kingdom The labor movement is facing significant challenges as a result of such changes in the modern context As such the authors closely examine the idea of social inclusion and how trade unions are coping with and adapting to the need to support immigrant workers and develop various types of engagement and solidarity strategies in the European context Traversing the dramatically shifting immigration patterns since the 1970s during which emerged a major crisis of capitalism the labor market and society and the contingent rise of anti immigration sentiment and new forms of xenophobia the authors assess and map how trade unions have to varying degrees understood and framed these issues and immigrant labor They show how institutional traditions and the ways that trade unions historically react to social inclusion and equality have played a part in shaping the nature of current initiatives *The Politics of Social Inclusion and Labor Representation* concludes that we need to appreciate the complexity of trade union traditions established paths to renewal and competing trajectories of solidarity While trade union organizations remain wedded to specific trajectories trade union renewal remains an innovative if at times problematic and complex set of choices and aspirations

Suppressed, Forced Out and Fired Martha Reeves, 2000-06-30 So entrenched and powerful is the patriarchy within organizations that women have serious difficulty acquiring positions of real importance even when it is in the organization s best interest to use their talents fully and reward them equitably Reeves surveys the structural obstacles to women s advancement and argues that successful women executives threaten their male counterparts and their patriarchal culture which responds by punishing them Unlike other studies on the topic Reeves explains the mechanisms by which gender discrimination operates the dynamics of discrimination and the processes by which women in business are marginalized subordinated and excluded Her book combines theory with first person case study accounts of 10 women who were suppressed then fired The result is a fresh compelling argument that despite claims to the contrary the glass ceiling still exists The patriarchy has simply devised subtle new ways to circumvent the legal remedies meant to crack through it Reeves reviews statistics on the role of women in work patterns of horizontal and vertical segregation and differences in the experiences of men and women then turns to an assessment of the theories of

women's subordination She profiles each of her 10 women subjects explains their education career trajectory and accomplishments Their experiences reveal various mechanisms through which the patriarchy operates to subordinate successful women such as communication patterns among men that minimize women's contributions withholding of information denial of status to women intimidation tactics and the double bind that women find themselves in when they seek fair treatment After analyzing the women's termination in detail Reeves discusses how each woman's personality played a role in her termination Reeves ends by drawing conclusions on what the present and future seem to hold for women's progress in organizations and particularly in publicly held corporations
