children to view themselves as political and world subjects *The Book News Monthly* ,1918 Albion's Secret History

Guy Mankowski,2021-03-26 Albion s Secret History compiles snapshots of English pop culture s rebels and outsiders from Evelyn Waugh to PJ Harvey via The Long Blondes and The Libertines By focusing on cultural figures who served to define England Guy Mankowski looks at those who have really shaped Albion s secret history not just its oft quoted official cultural history He departs from the narrative that dutifully follows the Beatles The Sex Pistols and Oasis and by instead penetrating the surface of England s pop history including the venues it was shaped in throws new light on ideas of Englishness As well as music Mankowski draws from art film architecture and politics showing the moments at which artists like Tricky and Goldfrapp altered our sense of a sometimes green but sometimes unpleasant land The most illuminating odyssey through lost hidden or forgotten English pop culture since Michael Bracewell s England Is Mine Rhian E Jones author of Clampdown Pop Cultural Wars on Class and Gender **Pliny's Natural History. In Thirty-seven Books** Pliny (the Elder.),1848 *Tears of History* Pierre Birnbaum,2023-08-01 For many Jews for more than a century the United States has seemed to be a safe haven There has been antisemitic prejudice but nothing on the scale of the discrimination persecution pogroms and genocide witnessed in Europe White American ethnic violence has assailed many targets but Jews have rarely been among them Observing what he took to be an American exception the influential historian Salo Baron challenged the lachrymose conception of Jewish history as an unending flow of oppressions and many have followed him in seeing American Jews as sheltered from violence But in recent years a spate of antisemitic attacks has cast doubt on this rosy view The eminent French scholar Pierre Birnbaum offers a timely reconsideration of the tear stained pages of Jewish history and the persistence of antisemitism He explores the promise of American tolerance as well as the darkest moments of American intolerance such as the 1913 lynching of Leo Frank Birnbaum engages deeply with Baron s views about Jewish history and tracks the echoes of European antisemitic violence in American culture He argues that a new and insidious form of antisemitic ideology has arisen one that sees the state as an instrument of Jewish control and threatens further bloodshed Thoughtful and eloquent Tears of History is an important reflection on the roots of antisemitic violence and hatred **The Secret History of the Five Eyes** Richard Kerbaj,2025-01-07 This is the definitive account of the Western world s most powerful but least known intelligence alliance which remains central to the defense of the free world in a dangerously uncertain time The Five Eyes a spy network between the intelligence agencies of the US UK Canada Australia and New Zealand has been steeped in secrecy since its official formation in 1956 Yet the Five Eyes very existence is not legally binding it functions as a marriage of convenience riddled with distrust competing intelligence agendas and a massive imbalance of power that favors the US Richard Kerbaj draws on interviews with intelligence officials world leaders and recently declassified archives to reveal the authoritative but unauthorized stories of the alliance In bypassing the usual censorship channels he tells this extraordinary account of the Five Eyes unlikely cast of characters who played a crucial role in its

history and exposes the network's hidden role in influencing global events that continue to shape our daily lives *The Spectator*, 1908 A weekly review of politics literature theology and art **Secrets of the Lost Summer** Carla Neggers, 2015-12-14 Join New York Times bestselling author Carla Neggers with the first book in her fan favorite Swift River Valley series A wave of hope carries Olivia Frost back to her small New England hometown nestled in the beautiful Swift River Valley She's transforming a historic home into an idyllic getaway picturesque and perfect if only the absentee owner will fix up the eyesore next door Dylan McCaffrey's ramshackle house is an inheritance he never counted on It also holds the key to a generations old lost treasure he can't resist any more than he can resist his new neighbor Against this breathtaking landscape Dylan and Olivia pursue long buried secrets and discover a mystery wrapped in a love story past and present
