Michael W. Flamm, 2017 In Central Harlem the symbolic and historic heart of black America the violent unrest of July 1964 highlighted a new dynamic in the racial politics of the nation The first long hot summer of the Sixties had arrived *King's African Rifles* Malcolm Page, 2011-03-30 This comprehensive and complete history charts the story of the East Africans from their formation in 1902 through to the drawdown of the British Empire Soldier Whatever one may think about the rights and wrongs of colonial rule it is hard to deny that during the first half of the 20th century those African countries which then came under British administration enjoyed a period of stability which most now look back upon with a profound sense of loss Paradoxical though it may seem one of the bulwarks of that stability was each country's indigenous army Trained and officered by the British these forces became a source of both pride and cohesion in their own country none more so than the King's African Rifles founded in 1902 and probably the best known of the East African forces In this the first complete history of the East African forces Malcolm Page who himself served in the Somaliland Scouts for a number of years has had access to much new material while researching the history of each unit from its foundation to the time of independence Historians in several fields will be grateful to him for having put on record this very important period in the annals of both Great Britain and East Africa while the memories of many who served there were still fresh and they themselves will perhaps be most grateful of all for this lasting tribute to the men they served and who served them for in that shared sense of duty lay the true spirit of East African Forces Summer of '68 Tim Wendel, 2012-03-13 In a year shaped by national tragedy baseball was shaped by amazing pitching culminating in a victory by a Detroit Tigers team that faced off against Bob Gibson's St Louis Cardinals the 1967 World Series defending champions
