Summers Journey The Journal Of A Pastors Sabbatical In Israel:

A Summer's Journey Lee B. Spitzer, Spiritual Journey Press, 2001-12-01 *Walking Together Through Life* G. Herbert Livingston, 2011-10-11 I am ninety four years of age and I have begun looking back over seventy four years of being an ordained minister I decided I should write a testimony of what God has done in the combined lives of my wife Maria and myself We were married for almost seventy two years when she died in 2009 This volume has the history of a long successful marriage At the beginning if the Great Depression both of our parents lost control of their farms and had to depend on the government for income Both of us were penniless farm teenagers Taking a clue from the Scriptures that often refers to the experiences of life as a walk we have used that term for our life together We started lives in the valley of poverty and moved uphill from one achievement to another This book is the story of that journey The main part of this book is a record of being a minister a professor and over two decades of retirement Without the expert assistance and encouragement of Maria this goal would not have happened **Sabbatical Journey** Henri J. M. Nouwen, 2000 In September 1995 Nouwen took a year s sabbatical to write pray and visit family and friends Although he had little time to write as a spiritual discipline he kept a daily journal enriched with vivid observations and soul searching reflections Sabbatical Journey records the flowering of friendship and prayer during what would be his final year on earth *Journaling a Preacher's 2023 Pilgrimage to Israel* Pastor Edward Rice, 2024-02-17 During my 60 years as a born again Christian I have visited Israel countless times through the slides and stories of others now Bev and I would visit it in person for the third time I would be remiss if I did not capture every piece of information every sight every thought and emotion in a journal My slightly honed writing skills and copious note taking experience would be challenged beyond capability as information sights thoughts and emotions poured out of every day every hour yeah every minute of these 14 days in Israel Alas I pray it is but a taste of an adventure that will whet appetites for growth into the knowledge of the Lord Jesus Christ and His Holy Bible The journal itself is made up of thirty Half Shekel Journals which were sent out for review over the weeks since our March 2023 trip Through these Half Shekel Journals each event of our adventure was captured and recorded Much more research into every site and fact is want to be done This journal is but a step towards the research which is to consume a Christian s life growing in the knowledge of the Lord Jesus Christ It is a first step that can change forever how you read your Bible set your desire on the return of the Lord Jesus Christ and get busy in growth and witnessing It is a step that will cause you to long for your trip to Israel whether it be a first once in a lifetime visit a revisit or the visit where we will stand together with the Lord Jesus Christ on the Mount of Olives Every Born Again Christian will eventually visit Israel Why the Half Shekel The shekel is the base unit of Israeli money like the dollar is ours With economies as they are it exchanges for one of our quarters although it is the size of a nickel The half shekel is twice as large as a shekel but half its worth about 12 1 2 cents or 1 US once upon a time bit We called these Half Shekel Journals because it is twice as large but half the worth of the real thing OR it represents my little bit of info OR it
