A Higher Calling Harold Earls, IV, Rachel Earls, 2021-06-08 NATIONAL BESTSELLER ECPA BESTSELLER The husband and wife behind the popular Earls Family Vlogs share their inspiring love story of how an expedition to climb Mount Everest deepened their faith strengthened their commitment and sharpened their vision to make a difference in the world As a senior at West Point Harold Earls dreamed of summiting Mount Everest after graduation and bringing awareness to the issue of PTSD in soldiers and veterans But as a novice mountain climber and newlywed could he really leave his wife Rachel on the other side of the world to pursue such a dangerous quest After all Rachel s dream was to be a wife and mother She knew that her husband s audacious goal might lead to her to give up everything A Higher Calling takes us on a beautiful journey through the ups and downs of their relationship from their unlikely introduction and whirlwind romance to their fairy tale wedding and the dreams they shared Dreams that required tremendous sacrifice and faith in each other and in God As their dreams are realized witness how Harold and Rachel used their powerful bond of love to overcome obstacles and learn that life is about doing versus having serving versus getting being versus wanting A Higher Calling shows each of us that when God s purpose and our passion meet we can transcend any sacrifice we make on the

Clear Thinking Shane Parrish,2023-10-03 AN INSTANT NEW YORK TIMES BESTSELLER Few things will change your trajectory in life or business as much as learning to think clearly Yet few of us recognize opportunities to think in the first place You might believe you re thinking clearly in the moments that matter most But in all likelihood when the pressure is on you won t be thinking at all And your subsequent actions will inevitably move you further from the results you ultimately seek love belonging success wealth victory According to Farnam Street founder Shane Parrish we must get better at recognizing these opportunities for what they are and deploying our cognitive ability in order to achieve the life we want *Clear Thinking* gives you the tools to recognize the moments that have the potential to transform your trajectory and reshape how you navigate the critical space between stimulus and response As Parrish shows we may imagine we are the protagonists in the story of our lives But the sad truth is most of us run on autopilot Our behavioral defaults groomed by biology evolution and culture are primed to run the show for us if we don t intervene At our worst we react to events without reasoning not even realizing that we ve missed an opportunity to think at all At our best we recognize these moments for what they are and apply the full capacity of our reasoning and rationality to them Through stories mental models and more Parrish offers the missing link between behavioral science and real life outcomes The result is a must have manual for optimizing decision making gaining competitive advantage and living a more intentional life
