[The Sending](#) Geoffrey Household, 2015-03-24 In this remarkable thriller a British estate owner with psychic powers senses he s being hunted on his own land by a bloodthirsty beast Alfgif Hollaston a cultured English gentleman and painter has returned to his childhood home in remote Somerset following the death of his father In this confusing time he is grateful for the nascent friendship and support of Paddy Gadsden an amiable saddler on the family estate But only days after his arrival Alfgif is shocked to learn Paddy has been violently murdered After assuming ownership of Paddy s beloved pet a tame

and playful polecat named Meg Hollaston who is more attuned to the mystical than some begins receiving strange psychic sensations An instinctual animalistic sense of impending danger is telling him to flee this place as fast and as far as possible Before he knows it this man of class and breeding finds himself abruptly and frighteningly transformed into that most primal of creatures prey An ingenious novel of suspense and terror that exposes the animal within us all Geoffrey Household's *The Sending* is a masterful tale of mortal peril and self preservation that will keep thriller fans awake and reading into the late hours of the night

Olura Geoffrey Household, 2013-05-14 Olura Manoli is a lovely creature though perhaps a little foolish in her friendship with an African prime minister whom she accompanies to Spain without police protection Olura and the politician are followed by an Italian paparazzo hoping to catch glimpses of their indiscretion But when he turns up dead in the couple's bathroom it seems there is no one Olura can turn to for help but Philip Ardower an English don and authority on the Basque language His help is certainly needed in the dangerous day to follow when violent death and police suspicion dog the lovers along the rugged mountains and dark mine shafts of the fierce Biscay coast

The Courtesy of Death Geoffrey Household, 2015-04-28 A retired engineer in rural Britain finds himself caught up in the murderous machinations of an ancient pagan blood cult A former British mining engineer Yarrow is hoping to start over in the English countryside as the owner and operator of a small combination inn and garage But while staying the night at a prospective property near Avalon he is awakened by a loud pounding at the door and opens it to discover a distraught seemingly mad visitor babbling on about all manner of incomprehensible concerns Intrigued by the engaging lunatic Barnabas Fosworthy and unable to turn a deaf ear to his desperate pleas for help in finding a missing young woman the all too good hearted Yarrow inadvertently invites grave danger into his life Fosworthy is part of a circle of crazed fanatics tied to ancient and terrifying beliefs and before Yarrow realizes what he has gotten himself into he finds himself trapped in an underground cavern the prisoner of determined cultists who view murder as a gift Now he must pursue every conceivable path toward escape or consign himself a horrifying end Chilling surprising and utterly riveting *The Courtesy of Death* is a wildly imaginative suspense yarn that blends intrigue with a touch of the otherworldly Filled with action and unforeseen twists this is the bravura work of a master storyteller operating at the very top of his game

Doom's Caravan Geoffrey Household, 2015-03-24 The disappearance of a British intelligence agent at the height of World War II sparks a desperate manhunt through the treacherous shadows of a battle scarred Middle East Oliver Enwin was a valuable member of the British intelligence community in the Middle East in those dark days at the onset of the Second World War Talented enough and devious enough to make his mark he rose to the rank of assistant defense security officer at Nazareth by 1941 entrusted with the choosing running and support of local assets Then he vanished without a trace leaving fear and turmoil in his wake and scores of unanswered questions In a tightly closed desert world on the brink of chaos an essential playing piece in the complex wartime strategies of Allies Arabs and Nazis determining the motives and whereabouts of a British agent gone rogue and potentially traitorous might be the most

impossible assignment of the entire Middle Eastern conflict and quite possibly the most important In the vein of works by John le Carr and Len Deighton *Doom's Caravan* is a masterful ever twisting tale of wartime espionage unfolding on a vivid and blood stained canvas Gripping electrifying evocative and surprising at every turn this is the work of a true twentieth century master *The Stone Summons* M. J. Sak,2007-10-01 Alex Sandy and Lexie are summoned because of powers of which they are not yet aware to help in the fight of a threat against the world by the Darksiders As they live far apart in different countries they meet initially via the Internet and their mobile phones but more supernatural meetings also take place They explore their own powers and the powers of nature and utilise both in their efforts against the Darksiders efforts which are directed by other older Light Bringers one of whom acts as their guardian angel Combines history and the present day myths and Web 2 technology and science with fire water and maybe magic <http://marijsak.googlepages.com/thestonesummons> *Red Anger* Geoffrey Household,2015-04-28 Accused of treason a former British security operative and his ally must run for their lives across a vast and wild English landscape According to British intelligence Alwyn Rory is a traitor to his country They say the ex security officer accepted a considerable sum of money from enemy agents and in return helped to facilitate the escape of a dangerous spy Now the supposed turncoat is believed to be in the Soviet Union having freely defected to the Russian side leaving his once beloved homeland behind forever The reality however is far more complicated Alwyn Rory never left the island Instead he has gone to ground in the English countryside with fellow fugitive Adrian Gurney Survival is the name of the game but with the CIA the KGB and MI6 all dedicated to the covert termination of Rory and Gurney two men without a country don't stand a chance Acclaimed author Geoffrey Household combines peerless storytelling with an abiding love for the wild places of Great Britain in a gripping evocative breakneck paced Cold War thriller that races from the South Devon coast to the vast and beautiful Marlborough Downs As visual and intelligent as it is surprising and exciting *Red Anger* is an enduring masterwork of twentieth century espionage and adventure fiction *The High Place* Geoffrey Household,2015-04-07 In love with a radical leader an expatriate must decide whether to put the world before his heart Thirty miles from the Mediterranean coast in the lush Syrian heartland there is a compound known as Kasr el Sittat the Fortress of Holy Women Built by a deranged cult leader to house his many wives it was abandoned when the Second World War brought the cult to its knees Now it has been purchased by a group of European exiles displaced people whose revenge on the world will come in the shape of a mushroom cloud When life in postwar Britain proves unbearable Eric Amberson returns to Syria where he spent the war shuffling papers for the British army There he meets one of the women of Kasr el Sittat and falls quickly in love Elisa Cantemir is a rare beauty but Eric will find that beneath her elegant exterior is an anarchist who wants nothing more than to plunge the world back into the hell of war *Face to the Sun* Geoffrey Household,2012-09-06 By the author of *Rogue Male* one of the classic thrillers of the twentieth century A superb thriller from a 20th century master of the genre Edmund Hawkins is down on his luck in London after a brief sojourn in an African
