Bowers, 2004-01-01 Generations before the Lewis and Clark Corps of Discovery wintered in the northern Plains the Mandan Indians farmed along the banks of rivers The traditional world of the Mandans comes vividly to life in this classic account by anthropologist Alfred W Bowers Based on years of research and conversations with Crows Heart and ten other Mandan men and women Bowers offers an engaging and detailed reconstruction of their way of life in earlier times Featured here are overviews of how their households function the makeup of their clan and moiety systems and kinship network and a valuable

look at the entire Mandan life cycle from birth and naming through adulthood marriage and death Mandan Social and Ceremonial Organization also includes descriptions and analyses of Mandan ceremonies legends and religious beliefs including origin myths the Okipa Ceremony sacred bundles Corn ceremonies the Eagle Trapping Ceremony Catfish Trapping Ceremony and the Adoption Pipe Ceremony Many of these practices and beliefs remain vital and relevant for Mandans today A comprehensive look at the legacy and traditional roots of present day Mandan culture Mandan Social and Ceremonial Organization is a classic ethnography of an enduring North American Native community **Red Thunder** David Matheson, 2010-11 Steeped in authentic cultural traditions and spiritual beliefs this rich and wonderful historical novel follows the times and trials of a family band of the Schi tsu umsh Indians now called the Coeur d Alene Tribe in northern Idaho Through a boy named Sun Bear and his sister Rainbow Girl the band s oral stories are told as it struggles to hold onto what is precious and sacred about life *The Ten Grandmothers* Alice Lee Marriott, 1945 Once in a blue moon which means a fairly long cycle in my case one who deals professionally with new books comes upon something that seems to him truly noteworthy and memorable a reading experience which he will cherish for the rest of his life And when this book is original and indeed unique when it achieves something that has never been done before one s impulse is to rent a billboard to hire a hall in some way to underline and emphasize the excitement and enthusiasm of his discovery so that other readers may share his pleasure This has been my experience with *The Ten Grandmothers* by Alice Marriott It was the custom of certain tribes of Indians of the Great Plains to keep a winter count or calendar of important events Each year an officially designated scribe or historian of the tribe inscribed on a specially selected and prepared buffalo hide which was a sacred tribal possession a colored pictograph commemorating the most noteworthy event of the year the happening or circumstance for which the year would be remembered in the oral literature and traditions of the tribe Miss Marriott s book is based upon such a tribal history of the Kiowas an important and tenacious nation of the southern Great Plains for more than a hundred years She has taken representative incidents from this story and built each into a unified narrative of personal experience concrete and dramatic The thirty three narratives fall into four groups reflecting the major phases of Kiowa history in the last century they are called since Kiowa economy was based on the buffalo The Time When There Were Plenty of Buffalo The Time When Buffalo Were Going The Time When Buffalo Were Gone and Modern Times Since the same characters appear recurrently the book has the effect of a loosely constructed novel Miss Marriott is an ethnologist Her book is based on eight years of work with the Kiowas work that certainly consisted of much more than superficial interviews with aged Indians There is evidence everywhere not only of accurate scientific knowledge of the material to be presented but of profound human insight and understanding Miss Marriott is also a creative artist of extraordinary powers Her book has abundant humor drama and melodrama beauty and sordidness pathos and tragedy all presented sharply objectively with economy restraint and dignity The narrative of the long journey of Wooden Lance to see for himself and for his tribe whether the leader of the Ghost Dance

movement that inspired the last desperate irrational struggle of the plains Indians against the whites had true power is unforgettable in its simplicity and reality The story of the Kiowa girl Leah's return from her years at a boarding school in the East to her family on the reservation is as true and socially significant as it is poignant and dramatic The great achievement of Miss Marriott's book is that it makes accessible to the reader of today the essence of a culture a way of life and thought now almost vanished from the earth We have an uneasy feeling that some special meaning and value for Americans of today and tomorrow must lie in the older cultures of our continent which our own has so largely displaced American writers from Longfellow on have tried with varying degrees of success to capture that meaning for us Miss Marriott's book shows that our feeling was justified No discerning reader will fail to find in the men and women who are so vivid in its pages Sitting Bear and Eagle Plume old Quannah and Spear Woman and the Kiowa boys riding in their jeep to enlist for the present World War in their vision and knowledge of life and their essential experience abundant meaning for today Our Boys and Girls Oliver Optic, 1873 **Poems and Adventure** Sharon Stevens, 2016-02-19 The authors slant to the subject in this book is an original approach which should appeal to a wide audience of all age groups The Militants Mary Raymond Shipman Andrews, 2018-12-01 **Fairy tales for young and old** Engelbert Deusch, 2023-07-27 A nice boy and a group of dwarfs help the sun find its missing son Little forest dwellers band together to rescue fairies being tormented by envious witches A ridiculed boy becomes a football star thanks to his enchanted shoes An evil ruler is taught a lesson by a basket of magic cherries And a minstrel halts an army with his music These fairy tales for young and old are as meaningful as they are versatile Classic fairy tale elements are present along with fresh interpretations Each of these many stories contains a clear moral message so typical of the genre As with the well known Grimm fairy tales many of these stories contain a nugget of wisdom that readers both big and small can take with them in life *Under Old Earth* Cordwainer Smith, 2022-07-21 In *Under Old Earth* Cordwainer Smith masterfully weaves a tapestry of science fiction that explores themes of identity power and the human condition against a richly imagined universe The narrative is marked by Smith's distinctive literary style characterized by poetic prose and an intricate interplay between myth and technology Set in a far future Earth the story delves into the lives of the Instrumentality of Mankind a governing body with profound moral and ethical complexities questioning what it means to be human in a world governed by an inscrutable cosmic order while engaging with Smith's broader themes of individuality and societal control Cordwainer Smith a pen name for Paul Linebarger was influenced by his unique background which included his experiences in both diplomacy and psychology His exposure to diverse cultures and his service in the U S military during World War II informed his perspectives on power and humanity enriching his imaginative constructs Smith's stories often reflect his belief in the transformative power of love and empathy rooted in his extensive academic pursuits in Eastern philosophy and psychology which resonated through the narratives he crafted *Under Old Earth* is an essential read for those interested in thought provoking science fiction that transcends mere escapism Smith
