Joseph Krempa, 2005 Through the use of meaningful quotes and colorful examples these brief homilies are meant to inform edify and inspire those who read or hear them *From Gloom to Bloom* Donald Anyagwa, 2016-10-21 The theme for this collection of homilies has two overriding words gloom and bloomdivergent human circumstances of life that assume new meanings in the presence of Jesus the Savior As he stood out to feed the teeming desert crowds and made significant leftovers he now comes again through his Word and in the person of his minister and celebrant to turn the gloom in the hearts of his people into joy to fill their emptiness with his rich food and to guide their wobbling steps with his enlightening wisdom It is simply faith at work It is the blooming hope from Gods Word It is vibrancy from the pulpit to the pew **"Amen, I Say to You"** Clyde A. Beck,2012

Preaching for Discipleship Michael E. Connors,2021-01-25 The homily is a primary way that pastors and deacons can communicate how the whole parish community forms the catechumens Many parishioners are not aware of their role in the Christian initiation process In *Preaching Discipleship Preparing Homilies for Christian Initiation* Michael E Connors CSC provides homilists and catechists with the tools to evangelize not only the catechumens present but also to capture the imagination of the parish community so that they too realize their own role in the Christian initiation process This resource will help the homilist Build a homily Foster a deeper appreciation of the call to discipleship on the part of the assembly Instruct the assembly on their role in the Rite of Christian Initiation so that right from the outset the catechumens may feel that they belong to the people of God Bring the baptized and catechumens into a deeper personal relationship with the Lord Provide specific insights during the period of Mystagogy **Sunday Homilies** Robert R. Kinn, STD, 2022-01-07 *Teach Delight Persuade* Scriptural Homilies for Years A B and C contains homilies drawn from all three reading cycles for the Sundays and solemn feasts of the liturgical year These accessible and practical homilies are

intended primarily for priests and deacons who preach at Catholic celebrations of the Eucharist. The homilies concentrate on the core message of the Old Testament reading, the psalm, the New Testament reading, and the Gospel. The homilies are short and catechetical in approach. Each homily covers a brief analysis of the intent of the scripture writer, the historical significance of the period, and practical application of the scripture to contemporary life. In addition to pastors and deacons, this book is also an ideal pastoral resource for many lay ministers who make use of the Sunday readings when they teach the word of God, directors of religious education, leaders of inquiry groups such as RCIA, scripture study group facilitators, prayer groups, and religion teachers. The homilies are the result of 50 years of preaching and several years of research and pastoral experience. The scriptural exegesis contained in the homilies flows from the profound scriptural insights of the last 50 years. All of these homilies reflect the social and religious concerns of the contemporary Church.
