well organised environment my mind was engaged in exploring their world enriched with knowledge creativity curiosity and challenges The quest of how when and where never ends in childrens world Their minds are like open parachutes Let the children learn their lessons from different streets of the town and then practise those lessons whenever and wherever they are needed Let the academic lessons be learned in natures lab and demonstrated in handling the mundane challenges of human life Let non scholastic lessons of moral science step out of lesson plans and let skills be demonstrated in various social platforms Let the complete model of education aim at acknowledging and appreciating the initiatives taken by the children for any act of kindness A girl unknowingly demonstrating leadership skills considering it as an act of kindness brings a paradigm shift in the lives of some children who deserve every bit of happiness but have been missing it A collaborative effort on one platform and an empathetic attitude make her a role model to be followed *Harlequin Special Edition June 2025 - Box Set 1 of 1* Melissa Senate,Cathy Gillen Thacker,Nina Crespo,Mona Shroff,2025-05-27 Harlequin Special Edition brings you four new titles for one great price available now These are heartwarming romantic stories about life love and family This Harlequin Special Edition box set includes THE RANCHER S SURPRISE DEAL Dawson Family Ranch by Melissa Senate A blast from his past Might be just what this single dad rancher needs Divorced rancher Carson Black knows his toddler Timmy is a handful but is there really no babysitter in Wyoming who can manage him He s verging on desperate when he runs into Evie Dawson his first love back in high school and his first broken heart Despite their history she s amazing with Timmy and desperate times call for desperate make a deal with your ex measures She wants her family off her back about being single which means she needs a date to a family wedding It s easy to fake a romance the hard part will come from accepting that they re not faking after all STAND IN TEXAS DAD A Marrying a McCabe Romance by Cathy Gillen Thacker His heart was closed to love But could a single mom and her triplets pry it open Pediatrician Zach McCabe is Laramie s very own Sir Galahad with cardiologist Claire Lowell being the latest damsel on his to rescue list Even so after losing his fianc e in a car crash Zach has sworn off love And maintaining his emotional distance from the elegant single mom may be tougher than wrangling her adorable three year old triplets Claire refuses to rely on anyone but resting her burdens on Zach s broad shoulders is a dangerous temptation When her nanny leaves her in the lurch and Zach is evicted from his place the two find a way to help each other and grow closer Can Zach move past his grief for a second chance at love and an instant family A HONEY FOR THE BEEKEEPER Bishop Honey bee Farm By Nina Crespo She never stayed in one place for long Until she felt the sweet sting of love Brooke Bishop thrives on adventure from skiing slopes to sailing yachts anything to avoid her family s bee farm But when Brooke and her estranged sister inherit the farm she s stuck there until her sister can buy her out And then Brooke meets country singer Gable Kincaid and she finds herself wondering if wanderlust is a bit overrated Seeking refuge from fame and a painful past Gable finds Brooke is just the balm he needs As their budding attraction blossoms the music industry he s trying to avoid threatens to reclaim Gable And Brooke would rather head out of town than feel the sting
