The book offers intimate profiles of four modern prairie towns and of the immense difficulties faced by farmers in Western Canada. It offers sweeping descriptions of the forces that led to the settlement of the West and examines how those same forces controlled from eastern Canada are causing the inexorable decline of many rural communities. *Grass Roots* is a superb portrait of an imperilled way of life combining economics, history and politics with a remarkable eye for storytelling. [Cold Case BC](#) Eve Lazarus, 2023-04-04 Eve Lazarus *Cold Case Vancouver* investigates murder and missing persons cases that have perplexed and fascinated British Columbians for years. In her book *Cold Case Vancouver* crime historian and reporter Eve Lazarus used investigative skills to shine a light on the city's most baffing unsolved murders. In *Cold Case BC* Lazarus casts her gaze more widely on long forgotten and unsolved murder cases throughout the province of British Columbia, Canada. These include teenager Molly Justice who was murdered on the outskirts of Victoria after taking the bus home from work and a follow up to the tragic 1948 Babes in the Woods story of two children found murdered in Stanley Park whose names were finally revealed this year in a story broken by Lazarus herself. There's also the tale of four police officers in the 1960s who committed a string of robberies that culminated in the biggest heist in Vancouver's history. Their reign of terror ended with one of the officers murdering his family before killing himself. Or were they all killed by someone else? Lazarus also looks at some of the province's most intriguing missing persons cases such as three year old Casey Bohun who vanished from her bed in the middle of the night and the Jack family of four who left Prince George to work in a logging camp along the infamous Highway of Tears but were never seen again. Interviews with law enforcement, forensic experts and family and friends of the victims add new life to these historical cases, some of which date back to World War II. The book also includes some cases that have been solved, revealing the painstaking investigative work and new forensic technology that ultimately brought about closure for victims' families. Meticulously researched *Cold Case BC* is a fascinating true crime book that reveals startling details about British Columbia's criminal past. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG) AA. It is screen reader friendly and is accessible to persons with disabilities. A Simple book with few images which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page list, landmark, reading order and semantic structure.
