Varley Katerina Atanassova,2007-03-30 Frederick Horsman Varley was unique among the members of the Group of Seven One of the greatest Canadian portraitists of the twentieth century he is an intriguing example of an artist who despite his fame as a portrait painter remains better known for his landscapes This is due mainly to his position as one of the founding members of the Group of Seven and their deliberate attempt to raise awareness of our national identity by depicting the Canadian landscape Even though many public collections across the country including the National Gallery of Canada the Art Gallery of Ontario and the Vancouver Art Gallery display some of Varley s best known portraits these works do not easily fit into the conventional mould of the Group of Seven Nearly four decades after his death Varley s portraits are still not fully acknowledged The release of this beautifully illustrated bilingual volume coincides with the opening of an unprecedented exhibition of his portraiture **The Sunflower Girl** Rosanna Chiofalo,2018-07-31 Set in Italy during WWII and twenty five years later this is a story of a mother and daughter of love and the secrets that echo through generations In the fields around Tuscany in summertime sunflowers grow in

abundance wave upon wave of gold and green standing tall against the Italian sky But for Signora Maria Ferraro the bright yellow blooms she once loved as a child have come to represent the most painful episode of her life Not even her cherished daughter Anabella knows what happened to her during World War II when the Germans overran her hometown of Florence and Signora Ferraro fell in love with a Resistance fighter In the aftermath of loss and grief she found salvation through an unlikely source cultivating roses on her farm in the Tuscan countryside Now the blossoms symbolize everything that is both good and safe and she nurtures them with as much care as she guards her past Yet to Anabella the rose farm that once delighted her has become little more than a pretty prison Despite her beautiful surroundings Anabella longs for more During one of her regular visits to Siena to sell their flowers Anabella encounters a handsome young artist named Dante Galletti His canvases are filled with images of a girl who looks just like Anabella and Dante claims to have seen her in his dreams running through a sunflower field Through Dante Anabella begins to see sunflowers her cloistered existence and the world itself through new eyes As their relationship deepens Anabella knows she will soon have to choose between loyalty to her mother and the risks and rewards of living on her own terms
