Stabile,2012-10-02 Although raised Roman Catholic Susan Stabile was ordained as a Tibetan Buddhist nun and devoted 20 years of her life to practicing Buddhism before returning to Catholicism in 2001 In Growing in Love and Wisdom she draws on this unique dual perspective to explore the value of interreligious dialogue the spiritual dynamics that operate across faith traditions and how Buddhist meditation practices can deepen Christian prayer She begins by examining the values and principles shared by the two faiths and shows that both traditions seek to effect a fundamental transformation in the lives of believers Both stress the need for experiences with deep emotional resonance that goes beyond the level of concepts to touch the heart The center of the book offers 15 Tibetan Buddhist contemplative practices adapted for Christian use Stabile provides clear instructions on how to do these meditations and helpful commentary on each explaining its purpose and the relation between the Buddhist original and her Christian adaptation of it Throughout she highlights the many remarkably close parallels between the teachings of Jesus and the Buddha The meditations offered in this unusual book will be extremely useful to thoughtful Christians to those responsible for giving spiritual direction and also to Buddhist sympathizers who will be intrigued and pleased to see familiar contemplations handled so skillfully by a former Buddhist practitioner who has gratefully learned so much from her former religion and now introduces the riches of that tradition to her fellow Christians

Black Indians and Freedmen Christina Dickerson-Cousin,2021-12-28 Often seen as ethnically monolithic the African Methodist Episcopal AME Church in fact successfully pursued evangelism among diverse communities of indigenous peoples and Black Indians Christina Dickerson Cousin tells the little known story of the AME Church s work in Indian Territory where African Methodists engaged with people from the Five Civilized Tribes Cherokees Creeks Choctaws Chickasaws and Seminoles and Black Indians from various ethnic backgrounds These converts proved receptive to the historically Black church due to its traditions of self government and resistance to white hegemony and its strong support of their interests The ministers guided by the vision of a racially and ethnically inclusive Methodist institution believed their denomination the best option for the marginalized people Dickerson Cousin also argues that the religious opportunities opened up by the AME Church throughout the West provided another impetus for Black migration Insightful and richly detailed Black Indians and Freedmen illuminates how faith and empathy encouraged the unique interactions between two peoples **Ornament of**

themes as the dynamics of emotions and karma of mental and meditative states it treats both the cosmos and the life within Chim Jampalyang's exposition of it is the greatest flowering of Abhidharma studies in Tibet. Usually referred to as the *Chimz*, it is to this day a key textbook in the great monastic universities. A veritable encyclopedia, it spans all areas of classical Indian Buddhist knowledge and is an indispensable reference for scholars of Buddhism. The Library of Tibetan Classics is a special series being developed by the Institute of Tibetan Classics to make key classical Tibetan texts part of the global literary and intellectual heritage. Eventually comprising thirty-two large volumes, the collection will contain over two hundred distinct texts by more than a hundred of the best-known Tibetan authors. These texts have been selected in consultation with the preeminent lineage holders of all the schools and other senior Tibetan scholars to represent the Tibetan literary tradition as a whole.

**Buddhist Fasting Practice** Wangchen Rinpoche, 2009-06-16 The Tibetan Buddhist practice of Nyungne nyoong nay has been gaining increased attention in Buddhist centers across North America. Participants say the practice purifies them both physically and spiritually. This volume is the only comprehensive treatment in English of these powerful teachings. Nyungne is a profound two and a half day practice, a length of time especially helpful for people whose schedules cannot accommodate long-term retreat. It involves the keeping of strict vows; the second day is devoted to complete silence and fasting. The meditation centers on the recitations, mantras, and guided visualizations of the Thousand Armed Chenrezig, the embodiment of all the Buddhas' loving-kindness and compassion. Translated as abiding in the fast, Nyungne is said to be effective in the healing of illness, the nurturing of compassion, and the purification of negative karma.

*Heiress Recon* Carla Cassidy, 2009-05-27 Brianna Waverly had barely escaped death once. So she had little choice but to accept the protection of former Navy SEAL Troy Sinclair. Spirited away to a tiny cabin, her safe house was as far removed from her heiress lifestyle as she could imagine. And her bodyguard, so much more exciting than any man she'd ever known, Troy wasn't pleased to be playing house when danger lurked behind every door. Especially when the woman he had to protect was proving impossible to resist. But emotion was an entanglement he couldn't afford because the ultimate price would be their lives.
