Sunset In Sierra Leone:

Kosonike Dr. Michael Nicholas Wundah, 2018-06-22 This biography skillfully captures the life and times of one of the illustrious Sierra Leoneans emeritus professor Kosonike Koso Thomas Kosonike is a visionary a philanthropist and one of the most successful civil engineers in the West African subregion Koso Thomas is also a prolific writer Among his fortes are autobiographies biographies and sentimental and aesthetic free verse poetry He has successful painting exhibitions to his credit in the United Kingdom and Sierra Leone The book delves bravely into uncharted waters and reveals some contentious issues raised by conspirators during his tenure of office as the principal of Fourah Bay College and vice chancellor of the University of Sierra Leone These revelations are for the edification of posterity On top of that the facts surrounding the issues are worth revealing They will aid the solution of the challenges associated with the trying times that face the education sector in Sierra Leone and most of the African continent The success stories of one of Sierra Leones finest minds are worth telling for the inspiration and enhancing of the recovery projects that have been undertaken especially in the tertiary sector The countrys development partners will find some of the recommendations made in this book extremely helpful Articulated meticulously they will rejuvenate the hitherto gold standard of education for which Sierra Leone was renowned in its heyday Generally speaking the recommendations are the prototypes required for the alleviation of the chronic funding challenges faced by higher education in Africa Beautifully woven in modern creative writing style this biography is coated in rich language sustained by appropriate concepts that befit the genre It whets the appetites of social planners academicians policy makers and legislators Above all it tickles as well as inspires the thinkers of our times The Prophecies of a Father H.E. Ambassador Eddie M. Turay, 2013-10-09 The Prophecies of A Father is a remarkable piece of literary work The writer His Excellency Ambassador Eddie M Turay is very sincere and passionate in the presentation of his facts The facts relate to the culture traditions customs and party politics of his country The writers sincerity and passion revolves around the traditional beliefs and faith of his benevolent father in his ancestral spirits late Paramount Chief Kande Turay of Sanda Chiefdom He reveals that the late man was an animist who despite neither believed nor practiced Christianity and Islam yet he gave him the freedom and support to become a practicing Christian His father was not only liberal towards the two mainstream religions Christianity and Islam but he was a great admirer of the Whitemans education That was why he gave him his blessings and support to pursue education for which he will ever remain grateful Paramount Chieftaincy is one of the oldest and respectable political institutions in this part of the African Continent The writer has thrown enlightening lights on the way it works in the Sanda Chiefdom Northern Sierra Leone One more amazing revelation of the book is the prophecies of the writers father As the title of the book it is befitting because all that his father prophesied have come to pass His father did prophesise that the writer will dine and drink with Royalties Prime Ministers and Presidents at home and abroad which has come to pass In terms of his countrys national politics he paints the picture of the political culture that

existed at the time It bordered on dysfunctional tendencies which was disturbing to him as an espouser of democracy and social justice Thus educated and trained in the ethics of social justice and fairness the Ambassador was determined to challenge these vices Ironically it was his zealotry to challenge them that made him steal the heart of late President Siaka P Stevens The President was impressed so he convinced him to drop his legal practice and become a politician where he would have the opportunity to fully inculcate and defend the values of fair play and social justice as espoused by democratic ethos particularly at the grassroots levels of the nations politics The writer skilfully draws the contrasts between the Old and New APC and above all the successful leadership of President Ernest Bai Koroma Leader of the APC He registers his unwavering support for the New APC Party of which he is a profound member and her admirable leadership This book is an eye catching read as well as educative for its sincerity passion fun simple and quality language and buttressed by ideal concepts HE Ambassador Eddie M Turays colleagues in the Diplomatic Service Foreign Office as well as politicians and educational institutions at home and abroad will find this book a handy resource material on Sierra Leone politics

Berewa, 2011 Sierra Leone is in her final phase of a Post civil War rebuilding after twelve years of what has been dubbed one of the most devastating civil conflicts in Modern African History Since the advent and end of the conflict a lot has been written in the forms of documentaries reportages commentaries satires and academic textbooks by journalists academics politicians former heads of state and political analysts However this book A New Perspective On Governance Leadership Conflict and Nation Building in Sierra Leone is different It presents a new outlook in the sense that it is incisive analytical honest educative and thought provoking at the same time The key message that runs through the veins of the theme is state renewal informed by new thinking spectacles that efficiently configure the manner in which the management of state leadership and governance is articulated for the benefits of the common good The author Solomon E Berewa was one of the key actors Chief Government Negotiator and stakeholder of the peace deals in his capacity as Minister of Justice and Attorney General and Vice President of the Republic of Sierra Leone He has written this masterpiece authoritatively by throwing fresh lights on the serious political issues and questions which have blurred the significance of the past and the present Like any sincere agent of nation building after a traumatic experience such as the one Sierra Leone went through the rationale of the author is to build bridges across the board political spectrums In his estimation it is only by looking into the past with open mind and sincerity learn tangible lessons and act on them meticulously that nations can be in position to surmount current challenges for the good and durability of a better tomorrow Post war Sierra Leone needs to have faith in this philosophy and crown it as the cornerstone in this crucial period of political and socio economic renewal

seventeenth novel in the sweeping Aubrey Maturin series of naval tales which the New York Times Book Review has described as the best historical novels ever written Having survived a long and desperate adventure in the Great South Sea Captain Jack Aubrey and Stephen Maturin return to England to very different circumstances For Jack it is a happy homecoming at least initially but for Stephen it is disastrous his little daughter appears to be autistic incapable of speech or contact while his wife Diana unable to bear this situation has disappeared her house being looked after by the widowed Clarissa Oakes Much of The Commodore takes place on land in sitting rooms and in drafty castles but the roar of the great guns is never far from our hearing Aubrey and Maturin are sent on a bizarre decoy mission to the fever ridden lagoons of the Gulf of Guinea to suppress the slave trade But their ultimate destination is Ireland where the French are mounting an

invasion that will test Aubrey's seamanship and Maturin's resourcefulness as a secret intelligence agent. The subtle interweaving of these disparate themes is an achievement of pure storytelling by one of our greatest living novelists. **The Romance of Missions in Nigeria** Samuel George Pinnock, 1917. *The Romance of Missions in Nigeria* by Samuel George Pinnock first published in 1917 is a rare manuscript the original residing in one of the great libraries of the world.
