Hannaford,Revel Edwards,2012-03-16 In California authentic Spanish colonial houses were built with local materials for comfort and convenience with both construction and ornamentation traditional of Spanish and New England settlers This book gives architects home builders and historians a chance to view photos sketches and twenty six full pages of measured drawings of interior and exterior doorways paneling balconies wrought iron and mantels most from houses that are no longer standing

Tastemaker Monica Penick,2017-06-13 A riveting and superbly illustrated account of the enigmatic House Beautiful editor s profound influence on mid century American taste From 1941 to 1964 House Beautiful magazine s crusading editor in chief Elizabeth Gordon introduced and promoted her vision of good design and better living to an extensive middle class American readership Her innovative magazine sponsored initiatives including House Beautiful s Pace Setter House Program and the Climate Control Project popularized a livable and decidedly American version of postwar modern architecture Gordon s devotion to what she called the American Style attracted the attention of Frank Lloyd Wright who became her ally and collaborator Gordon s editorial programs reshaped ideas about American living and by extension what consumers bought what designers made and what manufacturers brought to market This incisive assessment of Gordon s influence as an editor critic and arbiter of domestic taste reflects more broadly on the cultures of consumption and identity in postwar America Nearly 200 images are featured including work by Ezra Stoller Maynard Parker and Julius Shulman This important book champions an often neglected source the consumer magazine as a key tool for deepening our understanding of mid century architecture and design

American Home Landscapes Denise Wiles Adams,Laura L. S. Burchfield,2013-05-07 While there s no shortage of information on restoring and maintaining the historical integrity of period homes until now there has been no authoritative reference that provides comparable information for landscapes American Home Landscapes is a comprehensive fully illustrated guide to recreating nearly 400 years of historical landscape design and adapting them to modern needs You will first learn how to research design elements for a particular property Each of the following chapters focuses on the design characteristics of six well defined historical periods beginning with the Colonial period and ending with the last decades of the twentieth century Each section features the most prominent landscape features of each era such as paths driveways fences hedges seating and accessories Extensive bibliographic resources and historically accurate plant lists round out the text Whether the goal is to create a meticulously accurate period landscape or simply to evoke the look of a bygone era you ll find the tools you need in American Home Landscapes

The Frontier of Leisure Lawrence Culver,2012-06-07 Tracing the history of Southern California from the late 19th century through the late 20th century this book reveals how this region did much more than just create lavish resorts like Santa Catalina Island and Palm Springs it literally remade American attitudes towards leisure

Empire's Nature Amy R. W. Meyers,Margaret Beck Pritchard,2012-12-01 Completed in 1747 Mark Catesby s Natural History of Carolina Florida and the Bahama Islands was the

first major illustrated publication on the flora and fauna of Britain's American colonies Together with his Hortus Britanno Americanus 1763 which detailed plant species that might be transplanted successfully to British soil Catesby's Natural History exerted an important though often overlooked influence on the development of art natural history and scientific observation in the eighteenth century Inspired by a major traveling exhibition of Catesby's watercolor drawings from the Royal Library Windsor Castle this collection of interdisciplinary essays considers Catesby's endeavors as a naturalist artist scientific explorer experimental horticulturist ornamental gardener and early environmental thinker in terms of the interests held by the various overlapping communities in which he functioned particularly as those interests related to the British colonial enterprise The contributors are David R Brigham Joyce E Chaplin Mark Laird Amy R W Meyers Therese O Malley and Margaret Beck Pritchard **Art Books** ,1981 Including an international directory of museum permanent collection catalogs
