Bible Adventures Gabe Durham,2015-03-30 In the beginning a small unlicensed game development company was hit with divine inspiration They could make a lot of money and escape the wrath of Nintendo by creating games for Christians With the release of the 1990 NES platformer Bible Adventures the developers saw what they had made and it was good Or at least good enough Based on extensive research and original interviews with Wisdom Tree staff Gabe Durham s book investigates the rise and fall of the little company that almost could the tension between faith and commerce in the Christian retail industry culture s retro ironic obsession with bad games and the simple recipe for transforming a regular game into a Christian game throw a Bible in it and pray nobody notices *The SNES Encyclopedia* Chris Scullion,2020-10-19 If you didn t grow up with an SNES and are curious to know about games like Chrono Trigger Super Metroid and more then this is the book for you Got Game Following on from the previously released NES Encyclopedia The SNES Encyclopedia is the ultimate resource for fans of Nintendo s second home video game console the Super Nintendo Entertainment System Containing detailed information on all 780 games released for the SNES in the west this enormous book is full of screenshots trivia and charmingly bad jokes It also includes a bonus section covering the entire twenty two game library of the Virtual Boy Nintendo s ill fated 3D system which was released at the end of the SNES s life Without question The SNES Encyclopedia Every Game Released for the Super Nintendo Entertainment System makes for an excellent video game library addition It s an economical and well crafted book of Nintendo s 16 bit history and it s sure to leave you yearning for the days of Super Mario World s vibrant colors Super Metroid s intoxicating atmosphere and Super Punch Out s incredible tension If you already own The NES Encyclopedia you ll know what to expect but if you re just starting a collection of video game themed books you can t go wrong with this condense and informative offering Nintendo World Report **Far Beyond Video Games** Luiz Miguel Gianeli,2023-06-26 Take a trip back in time in 30 nostalgic chronicles that involve video games video stores friends family messes confusions discoveries adventures challenges learning and all the nostalgia that surround the lives of those who grew in the 80s 90s and 2000s added to a personal message of life courage and hope for video game players as well as an article in which the often delicate relationship between games art and the Christian faith is analyzed Smile have fun identify yourself go back to your own childhood and adolescence **Video Game Bible, 1985-2002** Andy Slaven,2002 With nearly three years of research utilized to compile game lists and thousands of hours used to play and review the games listed within Video Game Bible is the most comprehensive source of information on video games released in the U S since 1985 ever created Prices are based on realistic figures compiled by interviewing hundreds of large collectors and game store owners and offer a realistic guideline to be followed by both collectors and video gamers looking to complete their collections While numerous guides have been compiled on the subject of classic video games this book offers coverage of video game consoles releases after 1985 known as the neo classics With 39 systems in total Video Game Bible offers the largest guide to

date With the recent proliferation of video game collecting into the mainstream it is necessary to have a standard by which games are valued This is the first installment in a series of guides intended to offer full coverage of every video game ever made worldwide Video game consoles are grouped together by the company that made them for easy reference In addition to the table of contents which lists each section separately there are corner tabs to make browsing the guide even more convenient Thousands of new facts are offered within the pages of this book as are thousands of reviews and overviews Written in a lighthearted manner chapters of this guide that may not pertain to a particular collector will still be enjoyable for intelligent readers An easy to use reference guide suitable for any age this guide is sure to be an invaluable resource for anyone interested in video game collecting video game history and even for the casual video game fan interested in learning more about the hobby Editor In Chief Andy Slaven Staff Writers Micheal Collins Lucus Barnes Vincent Yang Contributing Writers Charlie Reneke Joe Kudrna

Video Games and the Law Elizabeth Townsend Gard, W Ronald Gard, 2017-01-12

The video game industry is big business not only in terms of the substantial revenue generated through retail sales of games themselves but also in terms of the size and value of parallel and secondary markets Consider any popular video game today and you most likely are looking at a franchise that includes not only the game itself and all of its variants but also toys books movies and more with legions of fans that interact with the industry in myriad ways Surveying the legal landscape of this emergent industry Ron Gard and Elizabeth Townsend Gard shed light on the many important topics where law is playing an important role In examining these issues Video Games and the Law is both a legal and a cultural look at the development of the video game industry and the role that law has played so far in this industry s ability to thrive and grow [Handbook of Hyper-real Religions](#), 2012-03-28 Today a new trend is clearly discernable that of hyper real religions These are innovative religions and spiritualities that mix elements of religious traditions with popular culture If we imagine a spectrum of intensity of the merging of popular culture with religion we might find at one end groups practicing Jediism appropriated from the Star Wars movies Matrixism from the Matrix trilogy and neo pagan rites based on stories from The Lord of the Rings and the Harry Potter series At the other end of the spectrum members of mainstream religions such as Christianity can be influenced or inspired by for example The Da Vinci Code Through various case studies this book studies the on and off line religious spiritual consumption of these narratives through a social scientific approach *Creation - Transformation - Theology* LIT Verlag, 2022-01-02 The social and cultural challenges posed by the increasing threat to creation climate change destruction of biodiversity etc are the starting point for new philosophical ethical and theological reflections on the relationship between God human beings and the world as presented in this volume God s creative impulse which transforms anew is at work in the actions of human beings and challenges us in view of the threat to the house of life earth to go new ways that make a common and good life possible Creation and transformation are interrelated an ecological theology of creation and practice of sustainability to be developed in the European context is to be embedded in the horizon of a global liberating theology Prof
